We cheered as we holstered our weapons and powered down and we returned home to The World Tree Estate.

Cage Blunt: So, The Bleeding Hearts Gang are gone forever.

Nico: And to think they were hiding here in New Jersey in my old home? I should've obliterated them as soon as I saw them.

Me: You realize that would've earned you Caleb's wrath, right? Since he went after them.

Lincoln: That was on his Earth before it merged with ours, but either way, that's another gang destroyed forever.

?: Aw, I missed out on the fight.

Then, we saw a beautiful girl who was tall at 250'11" in height, she has the body of a goddess and large breasts, long marine blue hair with marine blue flower in her hair, blue eyes, massive blue angel wings, she has The Ice Barrier Frost Masters of Loyalty symbol on her right arm and the pendant on her necklace, The Ice Barrier Crest on her forehead, and Trishula, Dragon of The Ice Barrier on her ice blue skirt, marine blue short-sleeved blouse, ice blue sleeveless midriff top with Trishula, Dragon of The Ice Barrier on it, marine blue bridal gloves, marine blue stockings, marine blue knee-high boots with butterfly buckles, long white sleeveless trenchcoat with stars, snow, ice, snowflakes, ice crystals, phoenixes, and angels on the coattails, and on the back is Trishula, Dragon of The Ice Barrier, and she has an ice greatsword, and with her are the twelve girls.

Lincoln: (GASPS) Amihan Frostine, Avatar and Gene-Slammer of Trishula, Dragon of The Ice Barrier.

Amihan Frostine: That's right, and I got the girls away, and I even poured ice water down the pants of those thugs before we escaped.

Travis Tackett: (LAUGHS) The classic ice water down the pants trick, Trevor, Corey, and Jeremey were freezing their butts off big time.

Lincoln: That's also the same trick she used on Chandler, Artie, and Trent, and they had to spend the whole day in front of a heater to melt the ice on their butts, but they deserved it. (To Amihan Frostine) And it's so good to see you again, Amihan.

Amihan Frostine: You too, Lincoln, it's been eight years since we last met, but wow, you've really grown that much.

Suddenly, Amihan Frostine had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Amihan Frostine was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent)(Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Amihan Frostine: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Amihan Frostine's waist and hugged her, and Amihan Frostine was very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath

his enormous white angel wings and large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, thick brown goatee on his chin, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you two since you were seventeen, and as you can see, I really grew a lot since then.

Amihan Frostine: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, perhaps even bigger and stronger, you've really grown a lot from the cute eleven-year-old little boy into a 950'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and enormous white angel wings and

999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath your enormous white angel wings, that's so awesome, and the large brown wolf ears on your head and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same true immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Anna Anyanova: And so do we, this is Amihan Frostine, Avatar and Gene-Slammer of Trishula, Dragon of The Ice Barrier, she's Lincoln's Guardian Angel from Kentucky, she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Trishula, Dragon of The Ice Barrier. She's the leader of The Ice Barrier Frost Masters of Loyalty, a group of loyal girls who are the Avatars and Gene-Slammers of The Ice Barrier Duel Monsters and they're born with superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and their goal is to protect and defend Lincoln from his enemies, and they are the most loyal of Lincoln's Guardian Angels, and they would never ever betray Lincoln, his friends, and his family, nor their own, and they hate people who betray others for their own personal gain, and they've punished Lori, Lynn, Lola, Lisa, and Luan in the most fiercest way possible many times for their treacherous actions and murderous schemes against Lincoln. Amihan Frostine moved to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Trishula, Dragon of The Ice Barrier, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Cryokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Trishula, Dragon of The Ice Barrier, and Lincoln was already born with immortality and invincibility, and she also helped him grow and seriously bulk up in muscle mass and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really grow and bulk up even more in muscle mass and she also helped him grow in intelligence, power, and knowledge. Lincoln made her an ice greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lana, Alexis, and May a lot in using the powers of ice, and what many of us didn't know was that Amihan Frostine knew Travis Tackett in his world before it merged with our world because she was his old classmate, and she knew of what he went through: dealing with his alcoholic dad after his mom died, bullied by Trevor, Corey, and Jeremy, the three boys in his high school, and being rejected by girls which led him to do drugs, and she also knew Cage Blunt turned him into a vampire to save his life from an overdose. She also knew of what he and Cage did in 1969 in their world that led to them leaving Kentucky and arriving in New York in the 1980s where he and Cage would run into Caleb Maxwell who was already a mess because of his younger brother, Drake Maxwell.

Me: I was surprised finding out that you were once classmates with Travis Tackett in the world we went to last year.

Amihan Frostine: Travis had a pretty dysfunctional life: dealing with his alcoholic dad after his mom died, bullied by Trevor, Corey, and Jeremy in high school, and being rejected by girls which led him to do drugs, and I also knew Cage Blunt turned him into a vampire to save his life from an overdose that could've killed him, and the murders of those three assholes in 1969 led to them leaving Kentucky and traveling around the world until they arrived in New York in the 1980s where he and Cage would run into Caleb Maxwell who was already a mess because of his younger brother, Drake Maxwell.

Lincoln: And having to run from them when they were drunk on Demon Blood along with dodging The Syndicate's hired guns until the night of Caleb's death in 1985 on Halloween, and now that you're here, Amihan.

Lincoln with his massive muscular arms still wrapped around Amihan Frostine's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored

gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Amihan Frostine: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Amihan Frostine with marine blue gems on the gold lightning bolts and marine blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and a rainbow Thunderbird wedding ring on her left pinkie.

Amihan Frostine: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and Elemental Thunderbird Choker of Eternal

Love, which means you're now part of my harem and one of my many future wives, Amihan Frostine.

Amihan Frostine had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Amihan Frostine's waist, and he leaned down to her face and kissed her on the lips, and with Amihan Frostine's hands still on his massive hairy pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Amihan Frostine had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Amihan Frostine: (In Heaven) My God. And Lincoln, tell the guys to run to their rooms, the twelve girls I rescued are...!

Red Savarin and Travis Tackett: GUYS, YOU KNOW THE SIGNAL! MOVE!

We ran into our rooms leaving Lincoln, Nicole, and his harem, then they went up to the twelve girls, and when Lincoln saw them, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the twelve girls are Ari, Elizabeth, Evie, Fara, Lucy, Luna, Narissa, Rebecca, Shino, Leticia, Maria, and Sunny from Hero's Harem Guild.

Lincoln: Oh whoa, it's Ari, Elizabeth, Evie, Fara, Lucy, Luna, Narissa, Rebecca, Shino, Leticia, Maria, and Sunny from Hero's Harem Guild.

Nicole: Uh oh, Red and Travis were right telling the guys to run. These girls are really cute.

Lincoln: And they're easy targets of those who'd want to hurt them and kill them, which I'm not going to allow not unless they want to be put in a coma. Are you girls okay?

Elizabeth: Yes, we're okay thanks to you.

Then, when Ari and the other eleven girls saw who it was that saved them from The Bleeding Hearts, their faces turned atomic red and their noses gushed out blood upon seeing the 950'11" tall, handsome Maria: Okay, guys, come on out.

We came back out.

Maria: That was one brutal and bloody battle we had.

May: And we killed yet another gang from New York who were hiding in Nico's old neck of the woods in New Jersey.

Lincoln: They should've never escaped from Caleb that time, but they got what they deserved.

?: Serves them right.

Suddenly, we saw a beautiful girl who was tall at 250'11" in height, she has the body of a goddess and large breasts, tanned skin, long red hair, red eyes, fire colored angel wings, she has a fire greatsword in her right hand, and she has on a steel-colored two-piece bikini.

Lincoln: (GASPS) Serenity Steelaira, Queen of The Steelairans of Planet Steelaira.

Nico: No way, the only Steelairan that only you know, Lincoln.

Lincoln: That's right.

Anna Anyanova: And we also know her too, this is Serenity Steelaira, Queen of The Steelairans of Planet Steelaira, she's Lincoln's Guardian Angel from Planet Steelaira, a planet of endless steel, iron, fire, and flames inhabited by powerful warrior angels known as The Goldairans, the males who'd spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters, but they also had vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense superhuman strength, regeneration, superhuman durability, immense virility, superhuman senses, superhuman speed, superhuman endurance, and immense omnipotent powers of steel, iron, fire, and flames, she's The Queen of The Steelairans of Planet Steelaira, and she's also far more powerful than her own people: in addition to being a natural born fighter and having vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense superhuman strength, regeneration, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of steel, iron, fire, and flames times infinity, and the ability to grow even stronger, but she was also born with angel wings, vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense superhuman strength, regeneration, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of steel, iron, fire, and flames times infinity, and like with Almightairaira, her people drove off the Infernairans, and they had the dream: when The Reincarnation of Amaterasu was forever purified, the Steelairans would send a message to him in a dream inviting him to Steelaira where he would also meet The Goldairans and when he'd arrived, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the septillions of trillions of male Goldairans into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense superhuman strength, regeneration, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of steel, iron, fire, and flames times infinity, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb Steelaira and its core into his body and Steelaira's Sun into his body to preserve their legacy. Serenity Steelaira came to Earth and Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the immense powers of immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense superhuman strength, regeneration, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of steel, iron, fire, and flames times infinity, and the ability to grow even stronger, and all the powers of her people, and over time, Lincoln gained even

more immense superhuman strength, immense regeneration, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of steel, iron, fire, and flames times infinity, and the ability to grow even stronger, and the ability to grow even stronger, and all the powers of The Steelairans times infinity, and he was already born with immortality and invincibility and his powers also grew infinite-times stronger, and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew when it came to fighting and she also gave him the power to grow even stronger, along with even more incredible powers from the deities her people worshipped along with infinite levels of virility and male fertility, but it made his already massive and godly superhuman strength even more massive than ever, and she knew that Lincoln had undergone the rite of The Reincarnation of Amaterasu absorbing the septillions of trillions of male Steelairans gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense superhuman strength, immense regeneration, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of steel, iron, fire, and flames times infinity, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, Lincoln absorbing Steelaira and its core and Steelaira's Sun into his body to preserve their legacy. Lincoln made her an awesome greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's enemies with a blazing passion, and she swore to end their lives by pouring liquid steel on them causing them to die horribly.

Me: That's incredible.

Serenity Steelaira: Thanks, and I know last night, Lincoln had undergone the rite of absorbing the septillions of trillions of male Steelairans along with my father into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of steel, iron, fire, and flames times infinity, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally absorbing Steelaira and its core and Steelaira's Sun into his body to preserve their legacy.

Arpina Infernaira: That's right.

Me: Wait, you also included immense virility and fertility as well? That means...!

Serenity Steelaira: We knew Lincoln's quite the virile stud since he was born with hyperpuberty, and the genes of his parents and his own extremely high virility, fertility, testosterone, extreme levels of libido, and excessive sex drive, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes and constant years of training, he gained the powerful and massive body that all bodybuilders could only dream of: the body of all the male Gods and the ancient male warriors of ancient times and bodybuilders of history combined, and that along with his personality, gentleman nature, and noble heart, he'd attracted tons of girls, and every lovemaking session he has with his harem, his future wives winds up getting impregnated by him in less than a second, and it doesn't take long for the effects of pregnancy to kick in, which are much faster than ever.

Rita: We had no idea about it before. But, during Lincoln's check-ups with Dr. Feinstein, he did show us all of what you just told us.

Nico: Wow...!

Serenity Steelaira: I know that shocked you all especially Regina's journal about Lincoln's health reports, but everything I told you is all true, and it's good to see you again, Lincoln, but wow, you've really grown a lot in height and muscle mass since last I saw you.

Suddenly, Lincoln pinned Serenity Steelaira to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Serenity Steelaira with grey gems on the gold lightning bolts and grey crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up as he sat on the couch and he kept her close to his body as she took the time to rub his massive hairy pecs, twelve-pack abs and his massive muscles.

But, then, Lincoln felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura exploded even more with power, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and

rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Eli: What's this?! Lincoln's power is rising even more.

Serenity Steelaira: That's my special gift to him: Steelaira's Blessing of Divine Inferno Molten Steel Power Justice, and each Forbidden Zone Planet Queen have given him our individual blessing when he fed on our blood. (Still rubs Lincoln's massive pecs) And who could've guessed the 11-year-old boy I met long ago would grow up into a 950'11" extremely tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs with enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln let out a wild growl as he wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Serenity Steelaira: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Shanan: Oh crud, I also forgot Goldairans both males and females are extremely passionate when it came to sex and lovemaking.

Lily the Mermaid: Ooh boy.

After Lincoln and all of us killed The Bleeding Hearts Gang and sent them to The Black Abyss forever, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well and we were really sweating up a storm, and when Amihan Frostine saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and he was sweating up a storm, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Amihan Frostine: My God, I was right that Lincoln's really grown into a 950'11" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 999 septillion-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet

plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Amihan, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Amihan Frostine: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Amihan Frostine: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,0

But, we heard some loud explosions, and we saw The Vulcania Sisters really making a mess with the training dummies as we saw fire and lava all over the training dummies.

Nico: Oh boy! It seems Aodhan's betrayal and his true nature coming out really pissed Adara and her sisters off!

Adara Vulcania: (Saw us) Sorry about that, guys, and you're right. I couldn't believe it, so all those talks about wanting to rebuild bridges were a damn lie! Aodhan hadn't changed at all, he's still the same monster from all those years ago! But, we're also to...!

Lincoln: Adara, this wasn't your fault nor your sisters. Yes, it was true your parents were nothing but crap, but Aodhan, he made the choice to cut all ties with you and swore to get revenge on you girls. And it's of course no surprise we saw what he was like long ago.

Lori: He put on that good guy act for everyone else to see, but if anyone pissed him off, he switches back to what he really is like Videl Chan said: a cruel, heartless, monstrous, malicious, sadistic, two-faced, twisted, backstabbing bastard.

Luna: He also caused so much pain to all of us when he burned a lot of students and teachers' backs with heated iron instruments to make them suffer for his own amusement, and he even burned a lot of those students alive and killed them in cold blood.

WE GASPED!

Me: He's also a murderer as well?!

Leni: Afraid so.

Luan: Everyone was THAT afraid of him, he was just pure evil, hatred, rage, and wrath all in one!

Lincoln: Even everyone in the middle and elementary schools were afraid of Aodhan, he was THAT monstrous, Adara and her sisters were the popular ones, and Aodhan was the hated and despised of The Vulcania Siblings.

Adara Vulcania: That's right, while we use our powers to not only protect you, Lincoln, and help others, Aodhan used his power to inflict pain and suffering on others and wanted to bring death and destruction to all in his path.

Laney: Which was why Lincoln had to absorb him after Aodhan's true nature was exposed.

Vulcania Sisters: Exactly.

Lincoln: After what your brother did, I wouldn't be surprised if Aurelius Frostine, the evil brother of Amihan Frostine and the other Frostine Sisters was also going to come after us. But, if that happens, he'll meet the same end as Aodhan.

Amihan Frostine: You're exactly right about that, Lincoln. Aurelius Frostine is our older brother, and he like Aodhan is a cold-blooded, cruel, heartless, remorseless, monstrous, malicious, sadistic, two-faced, twisted bastard who was born with superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of all the Ice Barrier Monsters and he uses his powers to kill anyone who gets in his way of bringing death and destruction to all in his path.

WE GASPED!

Nico: Another one who's just like Aodhan, but he'll try to hide his true nature, right?

Lincoln: No, he won't, he parades his evil nature out in public like he's performing to an audience, he was THAT evil, just like Aodhan. If we face him on my rescue in the future, I'm gonna make him suffer the same fate as that bastard, Aodhan.

Amihan Frostine: That'll be around when we meet the last member of The Ice Barrier Frost Masters of Loyalty, just like when you guys met Savina Vulcania.

Lincoln: That could be the case, Amihan.

We got a shower, and then, Lincoln, Supergirl (Justice League Action), Vixen (Justice League Action), Emily 'Emmy' Redpines, and Barbatos Bachiko are heading to Seaside Hill, and joining them are the rest of his harem.

Lincoln snapped his fingers, and the 950'11", handsome and extremely muscular wolfman had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

Then, Lincoln did the same thing giving Supergirl (Justice League Action), Vixen (Justice League Action), Emily 'Emmy' Redpines, and Barbatos Bachiko and the rest of his harem a deep tissue massage, and when he was done with that, they were relaxed Then, they had an awesome game of volleyball, and they went to a workout area Lincoln created, and Supergirl (Justice League Action), Vixen (Justice League Action), Emily 'Emmy' Redpines, and Barbatos Bachiko and the rest of Lincoln's harem got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift massive 999 Septillion ton-lb barbells Lincoln summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his extremely massive muscles.

Lincoln: What the?! I got them.

99,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH!

Then, when Lincoln was done and the stingers changed back, Lincoln's rainbow, white, golden yellow, and blue energy aura flared up even more with elements around him and Lincoln sucked out the last of Smaug, Ancalagon, Scatha, Drogoth the Dragon Lord, and Glaurung's energy and they were sent to The Black Abyss, and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a Alpha Male gorilla and fire exploded out of his massive biceps and muscles and he generated wind gusts from his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath

his enormous white angel wings and cooled down his harem.

Then, they had some lunch, and then, as the sun was about to set, Lincoln went up to Supergirl (Justice League Action), Vixen (Justice League Action), Emily 'Emmy' Redpines, and Barbatos Bachiko and the rest of his harem and he hugged them in his abnormally massive and powerful muscular arms, and Supergirl (Justice League Action), Vixen (Justice League Action), Emily 'Emmy' Redpines, and Barbatos Bachiko and the rest of his harem placed their hands on Lincoln's massive hairy pecs, but Lincoln wasn't done.

Then, Supergirl (Justice League Action), Vixen (Justice League Action), Emily 'Emmy' Redpines, and Barbatos Bachiko and the rest of his harem were lying down on a massive beach towel with Lincoln on top of Supergirl (Justice League Action), Vixen (Justice League Action), Emily 'Emmy' Redpines, and Barbatos Bachiko and the rest of his harem.

And then, Lincoln shared a passionate and romantic kiss with Supergirl (Justice League Action), Vixen (Justice League Action), Emily 'Emmy' Redpines, and Barbatos Bachiko and the rest of his harem and Lincoln slowly sank his fangs into their right trapeziuses and he began feeding on the blood of Supergirl (Justice League Action), Vixen (Justice League Action), Emily 'Emmy' Redpines, and Barbatos Bachiko and the rest of his harem, and Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln and I slowly unlatched our fangs from the right trapeziuses of our harems as they healed and the puncture marks sealed up, and we also kissed where we bit them. We came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Nico: (Whistles) Wow, it looks like you really had a good time at Seaside Hill, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Supergirl (Justice League Action), Vixen (Justice League Action), Emily 'Emmy' Redpines, and Barbatos Bachiko with colored gems on the gold lightning bolt links and colored crystal links and jade beads from their Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with three white and gold accented Elemental Thunderbird Chokers of Eternal Love appearing on their necks and three rainbow Thunderbird wedding rings on their left pinkies.

Lily the Mermaid: And now, Supergirl (Justice League Action), Vixen (Justice League Action), Emily 'Emmy' Redpines, and Barbatos Bachiko are in your harem, Linky.

Supergirl (Justice League Action), Vixen (Justice League Action), Emily 'Emmy' Redpines, and Barbatos Bachiko showed the marks on their right trapeziuses Lincoln made.

Jenna: We had trouble though.

Lincoln: Unfortunately, we did. Smaug, Ancalagon, Scatha, Drogoth the Dragon Lord, and Glaurung came after us!

EVERYONE GASPED!

Nico: Oh shit!

Lincoln: Don't worry, I used my Cell stingers and absorbed them and assimilated all of their powers and abilities, and I sucked out the last of their energy and sent them to The Black Abyss.

Me: Smart move.

Lily the Mermaid: But, our date went smoothly, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted massive 999 septillion ton-lb barbells he summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his enormous angel wings had spread out and they generated a cool breeze cooling us down and fire and wind exploded from his massive biceps and muscles.

Serena Logan: Lincoln really got that confident and bold, we really made him into a really strong and powerful manly wolfman.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know, we made a clone of that mutant.

Lincoln: That's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad

Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for another awesome Skylanders Adventure.

Nico: Who's next?

Me: Nick Russell, Mystic Force Rangers team, Right Suzuki, ToQgers, Fluttershy, Wizard Riders, Drive Riders, Tornado Bolt, Triple Berry, Tuff Luck, Camo, Stealth Elf, High Five, Wood Man, Leaf Man and Boomer Kuwanger.

Lola: Awesome!

Qin: YEAH!

We went into the simulator and it activated and we were in Endsville Elementary School.

Me: In Endsville Elementary School next. Wow!

Nico: Strange being here.

Nick Russel: You were here before, right?

Me: Many times actually.

Nico: Yep.

Billy: I hate coming here because I'm just an (Crying) AN IMBECILE!

Qin: Oh there there Billy.

Nico: Endsville has attracted many supernatural forces

Me: Yep.

Then we heard rap music and coming down the hall was a street punk kid with a boombox on his shoulder.

Lincoln: On no! Brace for a rotten mouth swearoff. That's Chandler's second akuma King Yo Mama! The 2nd Akuma of Chandler and he is a rap artist and a master of the Yo Mama Jokes. But he is not as rotten as Goodbling. He was made because of me ruining his life and vowed to get revenge on me by killing me with Yo Mama Jokes

Me: Oh boy! Well lets see how rotten he really is.

I went over to him.

Me: Nice tune jerkwad.

King Yo Mama: Yo you got something to say to me?

Vakama: (LAUGHS) Good one!

Me: YO MAMA SO FUCKING UGLY SHE NEEDS 2 BAGS TO COVER HER FACE!

EVERYONE LAUGHED!

Me: YO MAMA SO FUCKING UGLY THAT NOT EVEN DRACULA WOULDN'T DRINK HER BLOOD!

Dracula (B&M): Dracula wouldn't touch her with Wolfman's teeth!

Nico: Yo Mama so weak she couldn't do Mortal Kombat Fatalities!

WE LAUGHED!

Me: That's a new one!

Liu Kang: Good one.

But then...

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOMMMM!

HE EXPLODED!

King Yo Mama was defeated and knocked out!

Nico: Aw, I had 2 more planned.

Me: Drat. Well at least you did it.

Nico: No we did it.

Tayuya: That was fucking A Cool!

Me: YEAH!

We high five.

Shield Shredder came!

Me: Shield Shredder!

Shield Shredder: Boy that guy was no match for your rotten mouths!

Me: No he wasn't.

Nico: Did you like them?

Shield Shredder: I loved them! That jerk had it coming. He was cramping my style.

Me: That we can agree on. Lets do this!

Tuff Luck: (Irish Accent) DEAL WITH IT!

Camo: (Spanish Accent) FRUIT PUNCH!

Stealth Elf: SILENT BUT DEADLY!

High Five: BUZZ OFF!

We went at him and blasted him all over the place with leaves and nature.

Nick Russel: Magical Source, Mystic Force!

He and the Mystic Force Team transformed!

Me: YEAH!

ToQgers: TOQ CHANGE!

NOW TRANSFORMING! PLEASE STAND BEHIND THE WHITE LINE!

They transformed!

TOQ ICH! TOQ NII! TOQ SAN! TOQ YON! TOQ GO! TOQ ROKU! TOQ NANA!

ToQgers: THE VICTORIOUS IMAGINATION! RESSHA SENTAI TOQGERS!

KRABBBBBBBOOOOOOOOOOOOOOOOMMMMM!

A massive rainbow fire explosion blasted off and they were ready!

Me: YEAH! Lets get him!

Right: FULL SPEED AHEAD!

Right punched him and Nick blasted him with fire.

We fired waves of energy and elements and blasted him all over.

Right Suzuki, ToQgers, Fluttershy, Wizard Riders, Drive Riders, Tornado Bolt, Triple Berry, Tuff Luck, Camo, Stealth Elf, High Five, Wood Man, Leaf Man and Boomer Kuwanger: MYSTIC NATURE LEAF STORM!

They fired waves of leaves and nature and elements and blasted him down in a powerful blast and he was knocked down!

SHIELD SHREDDER DEFEATED!

He tried to crawl away.

Fluttershy: (LAUGHS) Not so fast little kitty.

She held up a green trap and a green vortex appeared and sucked him in.

Shield Shredder: Aww man, I knew we shouldn't have come to this SCCCHOOOOOLLL!"

He was locked into the trap!

Shield Shredder: "Ah! I'm in a Trap! I knew I should have been a dining room table instead!"

Me: Would you rather have been turned into fireplace logs?

Shield Shredder: No.

SHIELD SHREDDER TRAPPED!

Shield Shredder: "What did he say? Captured?

Fluttershy: That's right and you have to listen to me from now on and be good.

Me: I would do it if you know what's good for ya.

He gulped.

We left the simulator and went to the living room.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells to get his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings even stronger than ever, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his enormous white angel wings.

Same with Super Brother doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells to get his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings even stronger than ever, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his enormous white angel wings.

Lincoln: We don't have long before our next mission starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift an extremely mountain-sized massive 999-septillion ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

Me: Yep.

MAnaphy was going to the door.

Me: Going out Manaphy?

Manaphy: Yeah just for a walk.

Me: Okay.

Manaphy: To Hell with all of you!

She gave us both middle fingers before leaving.

Marina: At least she didn't go berserk

Me: SHEESH! What the hell is her problem?

Nico: She's just pissed because of all these Dark Gale Pokemon attacking May.

Me: Oh boy.

May: Well I always come back healed up.

Me: Just give her some space to cool down.

Applejack: Yeah she'll come around. She always does.

Manaphy came back and got her rain coat.

Manaphy: Forgot my raincoat.

She went back down.

Me: What? It's raining outside. Weather called for it.

Manaphy was walking down the street and it was raining cats and dogs.

Manaphy: (Grumbling)

Manaphy was grumbling.

Manaphy: STUPID TEAM!

KRABLAM!

She kicked a trash can!

Manaphy: WHY CAN'T THEY REALIZE THAT MAMA IS HURT!?

Then she heard something in an alley.

Manaphy: Huh?

She saw something.

Back at the estate, we were having the next bonding session.

Ocellus: Ray, remember when me, Lola, and Ink Rose met you?

Ray: I sure do. That was so fun.

Me: It sure was awesome.

Camie: I agree.

Roach: I'm sure Manaphy will be fine

Me: Lets hope so.

In the alley Manaphy went in and saw a woman with blond hair and blue eyes and had tattered clothes and with her was 2 little girls with blond hair and had tattered clothes.

Manaphy: (GASP) Oh man! What happened?

Woman: (Crying) I lost everything! Me and my kids are starving and we haven't bathed in weeks!

Manaphy: Oh no!

Woman: My husband died of a sudden heart attack and we had no insurance and we lost everything!

Manaphy: Oh man! I'm Manaphy of the Team Loud Phoenix Storm mascots and what are your names?

Brenda: I'm Brenda Castillion and these are my kids Rita and Nina.

Rita Castillion: Pleasure!

Nina Catillion: You are so cute!

Manaphy: Oh thank you! I can't just let you guys sit out here in the rain.

Brenda Castillion: But we... (FAINTS)

Rita and Nina: MOMMY!

Manaphy: Exhaustion from starvation!

Manaphy turned into her human form and she went and grabbed Brenda and put her on her back.

Manaphy: You'll be okay. Come on kids. Hold onto my hands.

They did so and they walked back to the estate.

Back at the estate, we were watching TV.

Lola Ferrington: We helped take down a lot of your enemies.

Allie: That was so fun.

Me: It sure was. And the Choten was completely overwhelmed by our power. Including our Surekill attacks.

Ryo: Those were so awesome.

Qin: Yep.

The elevator came up the tree.

Me: Manaphy must have cooled down.

Manaphy came in.

Manaphy: CODE BLUE GUYS! CODE BLUE!

We went and saw them.

Me: (GASP) Oh man! What happened!?

Manaphy: I found her and her kids living in a box in the middle of an alley in the rain.

Varie: Lets get them cleaned up and some food and new clothes.

Me: Good idea.

We went and got them cleaned up and gave them lots of food.

Lincoln: You got some nerve coming back here after what you said.

Bombshell: Easy, Lincoln. She probably calmed down.

Manaphy: Yes I'm calmed down but these people need help. This woman lost her husband to a heart attack and they had no insurence and the banks took everything they have. They have been forced into living on the streets for months eating out of the garbage cans!

Lincoln: Oh man. I withdraw my last phrase.

Nico: Poor people. You did a good deed Manaphy.

Me: Boy this reminds me of what I saw on that movie Marge watched, From Homemaker to Homeless.

Marge: I remember that! That woman Brenda lost everything! And she went to Harvard Medical School as a Cadaver.

Homer: What's a Cadaver?

Me: A dead body Homer.

Homer screamed.

Nico: How can you not know what a dead body is?

Homer: I'm just asking.

Ink Rose: I even fought Sombra

Me: After his dark side was removed after we revealed the awful truth to him about Opaline.

Ink Rose: Yeah no kidding.

Me: That was intense.

Lola: Yep.

Bombshell: Does this remind you of anything, Horsea?

Horsea: The good deed I did.

Me: It sure does.

Manaphy: Yay! It sure does.

Me: I'll say!

Then there was a rumble under my butt.

Me: Huh?

Then I was rising up and saw that I was sitting on something!

I was sitting on a Dugtrio! It poked its heads out of the floor!

Me: WHOA! A Dugtrio!

Nico: How did that get in here?

Me: Must've been living in our park. But it's strong for a little one.

Perceptor: Fascinating.

Ash: This reminds me of how we had an encounter with a bunch of Digglett and Dugtrio.

Me: Really? Never in your own home though. This one must be one of Dark Gale's work.

Sheena: This one is a girl named Arlinda Armodrillo. She is half of Armodrillo's kind.

Me: WHOA! She's half Talpaedon! That is cool!

Manaphy: You aren't going to hit mama!

She got a huge mallet out!

KRABLAM!

She hit me on the head!

Me: OW! MANAPHY You hit me!

Manaphy: Oops sorry!

Gary Oak: Also you shouldn't hit a Dugtrio. It has the same speed as Digglett. They can go into their holes at 186,282 miles per second.

Me: The Speed of Light Or 670,616,629 miles per hour! That is fast for a pokemon.

Qin: No kidding.

Dugtrio came up again.

Manaphy: But this is why I was angry before.

Me: Because you were fed up with May getting hit by all these Pokemon by Dark Gale. Need I remind you that she also got hit by gene-slammers of Mega Man Robots too?

Nico: I completely forgot all about that.

May: Me too.

Manaphy: Fair point.

Horsea comforted her

Me: Thank goodness I didn't forget. Lets revert her back. (SNAPS FINGERS)

She reverted back and she was a girl with blond hair and brown eyes and has brown angel wings and has Dugtrio on her forehead and has a crystal and rock with Armodrillo on her arm as a cutie mark. But after she reverted back she was stuck in the floor.

Me: Uh oh. Lets dig her out.

I put a blanket around her head and we dug her out and brought her to the sofa.

Me: There.

We fixed the floor.

Brenda and her kids had new beautiful clothes on and had full stomachs.

Nina Castillion: Thanks for helping us guys.

Me: Thank Manaphy. She saved your lives.

Manaphy: I couldn't let you guys starve out there.

Qin: Good job.

Manaphy: Just because I am overprotective of mama and drink beer and show the trailer doesn't mean I have a heart.

Lola: Yeah.

She woke up.

Arlinda Armodrillo: (Groans) What hit me?

Armodrillo: You were in our estate.

Me: You were turned into a Dugtrio by Dark Gale.

Arlinda Armodrillo: (GASP) Oh man. I was battling Khyber's pet as a Slamworm.

Me: That's the natural predator of the Talpaedon's on the planet Poiana Lüncas.

Nico: Yep.

Arlinda Armodrillo: No wonder they put up a deadly fight.

Me: It's the Law of the Jungle.

Manaphy: What was I so angry about? No one hurt Mama today!

Me: Don't jinx it Manaphy.

Manaphy: Sorry.

Rarity: Lets get you some new clothes darling.

The fashion brigade gave Arlinda new yellow and brown clothes and a rock and crystal sword.

Arlinda Armodrillo: I look awesome.

Me: You sure do. You're number 2 of the Andromeda 5 girls.

Arlinda Armodrillo: I sure am. Also be careful around my friend who is half Prypiatosian-B. She's EXTREMELY hot in temperature and is intensely radioactive.

WE GASPED!

Me: Well thank goodness we're immune to gamma radiation.

Manaphy: Look, guys. I said some things before-

Doubledealer: It's perfectly understandable, Manaphy.

Me: Yeah you were just upset because of all the pain the gene-slammers did to May.

May: Yeah but I'm okay now.

Manaphy: Good.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo and second smaller halo of light in the center and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo that's behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Sir Elton Brandise, and he was back for revenge on The Superdudes and me yet again. When we saw it, we knew it meant trouble.

Lincoln and Nico: What the?!

Me: Not again!

Eli: He's at it once more!

Lincoln: Seriously, it's been three years, but that idiot sure doesn't know when to quit.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: it's Sir Elton Brandise, and he's back for revenge on The Superdudes and J.D. yet again.

EVERYONE GASPED!

Roach: I knew it'd be him!

Me: I can't believe he'd be back for more. That moron's not worth killing, so we're kicking his ass yet again and we're throwing him back in prison.

Nico: We'll need a better prison to throw him into now, so that way, he won't escape again. Alright, team, let's go, we're heading back to Cornbury and we're heading out to sea for this one.

Lincoln: Elton Brandise, your days of causing havoc out in the sea ends here, this time, you're going back to prison for life.

Ymir: WHOA! And J.D. do you have a history with this guy?

Me: Yes I do. He's my old treasure hunting partner. Years ago we were the best Treasure Hunting duo ever. I wanted to show the world the best kinds of treasures in the world for museums and stuff so people can learn all about what they were like hundreds to thousands of years ago. But he revealed his true colors and wanted all the treasure for himself to get rich from it all.

Nico: We first fought him in 2021.

Me: Yep. After the 20 Days of Darkness reared their ugly heads.

Nico: Yep.

Ymir: Oh man!

Lola: Yeah.

Daring Do: This guy gives us treasure hunters a really bad name. I agree with J.D. on all that. Treasure and historical artifacts belong in museums of the world for all to see.

Me: Yeah! Now we're going to send Sir Elton to prison in his own box that won't be opened ever.

The previous group came.

Cluemaster: Can me, Titanium Toenail, Gentleman Ghost, Plastique, Swordsman, Multiplex, Firebrand, Touch & Go, Girder and Cheshire go with you guys?

Me: Yes you guys can come with us. You guys remember Sir Elton Brandise right?

Swordman: Your old Treasure Hunting partner? So he's back for more?

Me: Yep. He's back for revenge on me and the Superdudes.

Firebrand: Oh boy. This is gonna be rough!

Me: It sure is.

Firebrand: You definitely know we'll go with you guys on this one.

Nico: Yep.

Skullgrin: Nico, which Gene Slammer do you think you'll meet next?

Nico: Elemental HERO Voltic next.

Me: Electrified.

Qin: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his

back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo and second smaller halo of light in the center and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo that's behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figures were in the vision: it was Obscurio, the leader of The Dark Tribe, along with Moonarius, Shadoom, Black Pantherion, Darkalion, Pitchblack, Incubion, Onerion, Droolion, Ipnoticon, Nefastor, Nebulus, Trappon, Tankoil, Drakonius, and Cerberion, and they've come to destroy us. When we saw it, we knew it meant trouble!

Lincoln: Oh man!

Me: Lincoln, don't tell me! That was...!

Lincoln: Obscurio, the leader of The Dark Tribe, along with Moonarius, Shadoom, Black Pantherion, Darkalion, Pitchblack, Incubion, Onerion, Droolion, Ipnoticon, Nefastor, Nebulus, Trappon, Tankoil, Drakonius, and Cerberion, and they've come to destroy us.

Violet Gutierrez: Lincoln, I hope you absorb all of them!

Lincoln: I will, Violet. I'm going to absorb all of them, and banish Obscurio to The Black Abyss and send the others to The MOE.

Nico: This is gonna get really intense. Alright, team, now let's go, it's time to take down Sir Elton Brandise.

Lincoln: He's going back to prison that's for sure, and we'll probably sell his boat, it could fetch quite a fortune on the market, and once we get done with that vengeful criminal, you're next, Obscurio and The Dark Tribe.

Violet Gutierrez: You made a huge mistake coming after us, Obscurio, now you and The Dark Tribe are going to pay for all your crimes!

Lincoln put up a powerful rainbow energy field around The World Tree Estate and we headed back to Cornbury, Canada to take down our old enemy, Sir Elton Brandise, and send him back to prison, and once we get done with him, Violet Gutierrez and Lincoln are going to take down Obscurio and The Dark Tribe and Lincoln's going to absorb them all.

We were off.

We arrived.

Me: Second time in Cornbury in a row.

Qin: I know.

Titanium Toenail: Let's call Girder.

Girder:...I'm already here.

Titanium Toenail: Oh sorry.

Girder: J.D. why do you have a huge lump on your head?

Me: Ask Manaphy here. She bashed me on the head with a huge mallet because of the next Dark Gale gene-slammer.

Ruckus: She's had quite the temper today

Manaphy: Because I was fed up with all these Dark Gale Pokemon hitting Mama.

Girder: Don't forget all the robot gene-slammers too.

Manaphy: J.D. reminded me of that too.

Girder: Oh right.

Me: Just be glad that May didn't get squished by the massive belly flop of a Snorlax.

Swordsman: Let's get some dolphins to help us

Me: Good idea.

Qin: Yeah.

Me: Sir Elton Brandise is going to rue the day he messed with me. His greed did this to him and he will never get another treasure.

Daring Do: That is for sure.

Slog: (to Manaphy) I get you're angry about May being attacked. But it's better then Horsea being attacked.

Manaphy: That's true. But I just am fed up with all that happening to Mama.

Me: I know.

I pushed the lump on my head back in.

Me: OW!

Girder: Sir Elton has no chance against me. Not since I'm able to turn my skin into steel

Me: Maybe so but he is not stupid. He has all kinds of machines. But his greed will be his own undoing. Feel free to jump in for the plan Lincoln.

Lincoln: Alright, everyone, gather around.

Lincoln pulled up a hologram of Cornbury, Canada, and he zoomed in on our target.

Lincoln: Now, as we already figured out, our main target is Sir Elton Brandise, and he's back for revenge on The Superdudes and J.D.

Lincoln: Okay, but still, you three should be careful, we saw what that guy's capable of long ago. Now, then.

Suddenly, Lincoln's deep sapphire eyes turned crimson red and his pupils turned into slits, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln let out an extremely massive and savage roar as he pounded his chest like an Alpha Male Gorilla.

Me: Uh oh! Lincoln's gone Savage again!

Nico: Uh oh...!

Lincoln: (Beastly Gruff Manlier Voice) That's right, that guy's in big trouble.

Firebrand: I'm all fired up and ready to go!

Me: You got that right and Sir Elton and I have some catching up to do. (CRACKS KNUCKLES) And it's going to hurt.

Qin: You got that right.

Ymir: YEAH!

Poromon: You mean when Poliwag found those cocaine bricks?

Me: Yep.

Poliwag: Along with millions in cash.

But then...

ROAR!

Out came a Viking and I ducked under an axe strike and blocked it with my sword!

Me: WHOA! A VIKING!

I saw pitch black angel wings on him!

Me: A Viking with wing!? COOL!

Lincoln: Wait that's not just any viking! That's Roach's Akuma Simon Simonsen! The Hypothetical Akuma of Roach and he is a ruthless Norwegian Viking and he has an endless thirst for blood. He was made because of Wertz killing his friends and vowed to kill anyone that gets in his way to get to Wertz!

Me: This is a REALLY Bloodthirsty Akuma!

I kicked him in his face!

I clashed more with him!

CLANG CLANG CLANG CLANG CLANG CLANG!

Sparks flew all over!

Me: MAN HE IS REALLY OUT TO KILL ANYONE!

HE ROARED!

Manterror: Geez!

I kicked him!

Me: This is one REALLY BLOODTHIRSTY Akuma!

Roach: And I am descended from Vikings so it's fitting for me!

I slashed him in his face!

Simon Simonsen roared in pain!

Me: Also his name reminds me of our former friend Simon Simonson.

Sakura Knudson: Oh yeah! That jerk dorky guy that tried to stop Velma's experiment from going into space on the shuttle!

Cheshire: Roach? Is that you?

I clashed more with him!

But then...

SLASH!

He slashed Cheshire and cut her mask in two and it fell off!

Cheshire: (SCREAMS) MY MASK!

Nico: That's not all!

Her face got cut bad as blood trickled down her face from a cut on her left cheek!

Cheshire: MY FACE!

Me: You really did it this time you Viking barbarian!

I kicked him in his face and slashed him across his chest!

I then slashed his axe and cut the blade off!

Me: This is exactly the reason why we don't stoop to your level! Because we have chivalry! You don't!

HE ROARED!

Girder: You need to calm down!

He punched at Girder and his metal skin broke his hand with a sickening crunch!

Girder: Tried to warn you.

Me: Yep.

I punched Simon down.

I fired waves of energy and blasted him down.

Girder punched him in his face.

I kicked him in his face and knocked him out cold!

Me: Hmph!

We sealed him into the Book of Vile Darkness.

Me: There.

Suzumebachi: Let's. heal your mask and face, Cheshire.

Cheshire: Thanks.

She healed her up.

Me: Now we got a jerk of a treasure hunter to face and I got an old score to settle with him. I never got to have a proper battle with him because it was so short.

Mr. Go: That might be true.

Mr. Touch: But it still counted.

Me: Yep.

Nico: Time to head out.

Suddenly, the spirits of the sailors of history appeared and they attacked Sir Elton Brandise with fury along with sudden blasts of red, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, elemental forces, magic, mythical beasts, phoenixes, and angels from Alexander Avalon. Then, the spirits converged and then...

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOMMMMM!

A massive explosion erupted as a Thunderbird Screech, Dragon Roar, Wolf Howl, Tiger Roar, and Phoenix Cry was heard, and we appeared and that pissed off Sir Elton Brandise even more.

We landed.

Me: Hello Elton. I'd say it's nice to see you again but I would be lying.

Aria Blaze: Sup?

Sir Elton Brandise: How dare you show up yet again! Now, I will destroy you all and I will finally kill you at long last, Superdudes and you too, J.D. KNUDSON!

Sir Elton Brandise summoned more thugs to attack us, but Lincoln slashed at them with his massive greatsword and gold-armored dragon claws and rainbow wolf claws and they were torn apart and ripped apart, and it pissed that bastard off big time, but then, Lincoln grabbed him by the collar of his shirt and...!

POW! SHEEN!

LINCOLN PUNCHED HIM HARD IN THE FACE AND SENT HIM CRASHING INTO A WALL OF SPIKES CALEB MAXWELL SUMMONED AND HE ALSO GOT PUNCTURED LIKE CRAZY!

Eli: Lincoln, can you please shut him up!?

I punched him in his face and knocked him down.

You're finally done for, Sir Elton Brandise. Time to pay!

Lincoln went wild on Sir Elton Brandise as he punched, kicked, and slashed at him like a wild beast, and he left scars on him, and I also did the same as well.

Then, Lincoln held out his left hand and fired 999 massive balls of fire at Sir Elton Brandise, and they collided and exploded as they hit him, and he also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16 and the immense powers of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more along with the immense divine powers of The Gods and Goddesses of The Ancient World.

Finally, Lincoln formed a massive blue fireball in his left hand and he threw it down, and then, it sunk into the ground unleashing a storm of lightning bolts and raging fire, and...!

KRABOOM!

IT EXPLODED IN A MASSIVE FIERY EXPLOSION OF BLUE FIRE AS IT ROSE UP INTO THE AIR AND THE EXPLOSION ALSO HIT SIR ELTON BRANDISE AND PILLARS OF BLUE FIRE ROSE FROM THE GROUND AND HIT HIM AND HE GOT BURNED!

Nico: YEAH!

Multiplex: Time to make an army!

He made over 12,000 of himself!

I punched him in his face and kicked him in his stomach and face and crotch and chest!

I punched him down!

Sir Elton belched up blood.

Me: Not used to seeing someone different huh?

Sir Elton Brandise: You've gotten stronger!? But how?

Me: Much needed purification after when we fought last time after the 20 Days of Darkness reared it's ugly head.

Nico: Yo Mama's so irresponsible that she used Cap's shield as a breakfast bowl!

Cozy Glow:...what?

Nico: (sighs) That was one of my unused ones

Captain America: (LAUGHS) That would be a stupid use of my shield though.

Me: I agree there Steve.

I punched Sir Elton Brandise in his face.

I kicked him in his face and punched him into the ground.

Nico: Yo mama so gross that she licked every Ranger Key!

Plastique: Got that out of your system?

Nico:...yes

Me: Good but that would be gross if she did that!

Eddy: (LAUGHS) Yeah the Rabbids would do that.

Rabbids gibbering.

Swindle: I like to make a profit. But at least now, I do it honestly!

Me: That's right! Oh Sir Elton, I have a living treasure you'll NEVER GET Your hands on.

Sir Elton: What is it?

Me: Have you ever heard of the Legend of the Ghost of Maiden's Peak?

Sir Elton: No.

Me: Well let me tell you. It was back over 2,000 years ago in the world of Pokemon. Her name is Eileen MacKarren. She was in love with a brave and courageous soldier who left her and sailed away to fight in a war and she promised to wait for him to return from that war as she watched from a cliff. She promised to wait for a very long time, hoping to see his ship on the horizon. But tragically her love never returned as he perished in that war. But she waited and waited and never moved from that very spot until finally her body was turned into stone. For over 2,000 years she waited for her love to return. Until back in 2019 when I brought her back.

Eileen MacKarren: That's right and I'm back and ready to show the world that I am real and back.

POW!

She punched him in his face.

Me: Nice one Eileen!

Eileen MacKarren: Thank you. That was awesome.

SIR ELTON GASPED AND SCREAMED IN HORROR!

Gentleman Ghost: Have some of this!

BASH! SMASH!

He got punched and kicked by him!

Arlinda Armodrillo: Lets make this fun!

Armodrillo: Lets do it!

Arlinda and Armodrillo: SMASHING EARTH BASHER!

They fired waves of earth and energy and blasted and bashed him!

Venonat charged at him and blasted him with stun spore!

Venonat: This bug knows how to fight!

Me: YEAH!

Arlinda yelled in surprise as her body started twitching. Same with Camilla.

Camilla Chronia: NO! We control the power. It doesn't control us.

They concentrated and reigned in the powers of Hypno and Dugtrio and transformed and blasted him all over.

I then went at Sir Elton with the ferocity of a Primeape and REALLY LET HIM HAVE IT!

NUMEROUS PUNCHES AND KICKS AND BASHES!

Me: Also we know you aren't alone Elton!

Sir Elton: What do you mean?

Me: You have one of our friends enemies with you. So come on out!

?: YOU ARE NOTHING BUT A PARASITE NICO!

Nico and Qin gasped!

Nico: I haven't heard that voice in years!

Qin: Aunt Cassandra!?

Out came a woman with black hair and blue eyes and had an orange prison jumpsuit on!

Me: You know her Qin?

Qin: Know her?! She's my aunt Cassandra!

Nico: This is Cassandra Emilstein. She's Qin's aunt.

Qin: My mother's sister on her side of the family. When I was 6 years old, she pushed my mother down the stairs in a jealous rage and tried to kill her. But I caught her and I had her arrested and the police found out that she was mentally unstable and she killed many people like my mom. She was sentenced to life without parole and vowed to kill me for ruining her life.

WE GASPED!

Me: Boy lady you got some serious issues!

Sir Elton: I was going to say!

Cassandra Emilstein: Nico and Qin you have grown into amazing grown kids.

Nico: So we have heard. And you're still the same insane woman we remember.

Qin: Your jealousy and mental instability nearly killed my mother!

Cassandra Emilstein: My sister is dead!

Me: I see news hasn't gotten to you in prison! Sakuya Chen is back from the dead because of the Aparoids!

Nico: Yeah!

Cassandra Emilstein: WHAT!? That's impossible!

Me: Oh it's not.

Cassandra Emilstein: I've had it with my sister!

She turned into a black version of Scalebreath!

Anti-Scalebreath: Meet ANTI-SCALEBREATH!

Qin: Well this will be good! Mike! Lets get him!

Mike Chilton: You got it!

Chris Taylor: Count me in honey!

Captain America: Me too!

They went at her and blasted her with intense powerful energy and smashed her down.

I fired waves of energy and separated Anti-Scalebreath from her. We scanned her and got Komodo Dragon DNA too. I banished Anti-Scalebreath to the black abyss!

Qin and Chris went over to her.

Qin: You are going back to the slammer!

Chris: That's right!

BANG! POINK!

I fired a tranquilizer dart and knocked her out.

Me: There.

Poromon got onto a slingshot.

Nico: FIRE!

Poromon fired and bashed him in his face!

Lisa Loud: Porygon use Discharge!

Porygon: YOU GOT IT!

He fired waves of lightning and blasted Sir Elton and electrocuted him!

Nico: Nice use of a Pokemon move!

Lisa Loud: Thank you.

Me: Here we go! Solgaleo, Sunsteel Strike! Lunala, Moongeist Beam!

Solgaleo: Lets bring the sun!

Lunala: And the Moon!

Solgaleo fired a blast of fire and light and Lunala formed into a Full Moon and blasted him with moonlight energy!

The blasts blasted him big time!

Horsea: Yay!

Me: HA! Watch this!

I had my device call out a Z-Bracelet and it had a Dark Gem on it!

I did some moves and Lunala flared up its power with Darkness!

Me: Lets go Lunala! MENACING MOONRAZE MAELSTROM!

She flew into the air and formed into a full moon and fired 6 powerful blue lasers and they all hit Sir Elton and a massive beam of energy fired and it slammed into him and exploded with unbelievable force and power!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM!

When the smoke cleared, Sir Elton was REALLY BADLY MANGLED UP AND BURNED INTENSELY!

Nico stood in absolute shock and amazement! I had used a Z-Move on him!

Horsea: Was that what I think it was?!

Nico: IT SURE WAS! IT WAS A Z-MOVE! THAT WAS INTENSELY POWERFUL!

Me: It sure was! Ash showed me all about how to do themm and it was really intense and awesome!

Nico: When all the Core members have all their mascots, that's what we should try out

Lincoln and the girls fired waves of energy and elements that took on the forms of sea creatures that slammed into Sir Elton Brandise.

Lincoln and his harem: And now, this is where your vengeance ends here and now, Sir Elton Brandise, along with your freedom! SEA CREATURE FINAL SMASH: RAGING SEA BLAST!

Lincoln and his harem final a massive barrage of Ki blasts at Sir Elton Brandise and exploded with incredible power as they hit him.

Dave Green: Time for the grand finale!

The Rockers played the final verse of the theme of Buffy The Vampire Slayer as we attack Sir Elton Brandise with absolute fury, and they played the final notes of the theme of Buffy The Vampire Slayer as Eli attacked Sir Elton

Brandise, same with me, Lincoln, and Nico, and finally, Roach slashed Sir Elton Brandise down the middle and they ended the theme with playing the final note with the church bell ringing and Sir Elton Brandise exploded.

CLANG!

Sir. Elton tried to punch Girder but he turned his skin into steel. As a result, Sir Elton cried out in pain as he hurt his hand.

HE WAS REALLY FEELING THAT! ALL THE BONES IN HIS HAND WERE REALLY STICKING OUT OF HIS HAND!

Me: THAT WAS STUPID!

Girder: (smirks and cracks knuckles) Cute. My turn!

KRABLANG!

He bashed him on his face and knocked him out!

Me: Nice one!

Then, Lincoln cuffed Sir Elton Brandise in handcuffs and tied him up in a rainbow energy straitjacket and he was thrown into a portal that led to his brand-new doorless windowless prison cell in the Super Maximum Solitary Confinement section in The Uranus Prison for Repeat Offenders and he was suspended on the wall with Neutronium Chains lined with rainbow energy. We cheered as we holstered our weapons and powered down, and we headed to the gym at Lynn's Table.

Roach: And that's that.

Nico: Yep, Tyler had his day against Jock, Shope had her day against Bookworm, and you had your day against Sir Elton Brandise, Roach.

Me: Now, only Kevin is left.

Lincoln: And it's no doubt against Wertz. Alright, now there's one last thing to do and one last loose end to tie up: Obscurio and The Dark Tribe.

We turned our attention to Obscurio and The Dark Tribe who tried to get out, but couldn't.

Obscurio: Curse you, Team Loud Phoenix Storm. When we get out of this, you will all be burned alive!

Lincoln blasted The Dark Tribe with rainbow, white, golden yellow, and blue energy blasts and elemental forces and fired Omega Beams at them as well.

When all is said and done, what did you even achieve through your heinous actions? You walk the path of a coward creeping your way through the dark, that's a lonely path, and it's one that will follow you into death. Obscurio and The Dark Tribe, may you suffer for all eternity with not a kindred soul to give you solace, it's time to put an end to this once and for all.

Lincoln, Violet Gutierrez, Super Brother, Nico, and I went after Obscurio and The Dark Tribe, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Obscurio and The Dark Tribe, and they exploded with incredible power as they hit them.

Then, we attacked them with powerful slashes from our massive greatswords leaving bleeding scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and wolf claw and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Janet Gutierrez did the same by firing purple, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and Lincoln, Janet Gutierrez, Super Brother, Nico, and I attacked them hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was really pissing Obscurio and The Dark Tribe off.

Suddenly, Lincoln's enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and four massive halos of rainbow energy with intricate designs formed behind him and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Obscurio and The Dark Tribe and we all found ourselves not only in Heaven, but also, in space.

Then, Lincoln charged and smashed his rainbow energy infused left fist into Obscurio and The Dark Tribe and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind them. Then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 950'11" massive, wide, double-edged gold blade of his massive greatsword.

RRGH!

And he also flexed his muscles even more which really aroused his harem even more, and at the same time, Magor and The Volcano Tribe members began growing weaker as all their powers were being sucked out of them one at a time and was pumped into Lincoln, and Obscurio and The Dark Tribe members roared in pain.

Then, when Lincoln was done and the stingers changed back, nothing was left of Obscurio and The Dark Tribe members, and Lincoln sucked out all of the remaining energy in Obscurio and The Dark Tribe members' souls and banished Obscurio to The Black Abyss and sent the other Obscurio and The Dark Tribe members to The M.O.E., and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a Alpha Male gorilla and he flexed his massive muscles as fire and elemental forces burst out of his massive biceps and massive muscles!

We cheered as we holstered our weapons and powered down and Violet Gutierrez's new body, clothes, weapons, jewelry, Third Eye, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long blue wolf tails, large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold star ring-shaped frame around it with embedded blue gems behind the gold halo with four large orbiting gold rings on each corner and four large Amaterasu's Heavenly Mirrors of The Four Holy Beasts with gold star ring-shaped frames around them with embedded blue gems behind the gold rings behind her head, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large blue and golden yellow planets orbiting around her legs, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 smaller blue and golden yellow planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized blue and golden yellow planets orbiting around her wrists and ankles, and enormous blue angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large blue angel wings underneath her enormous blue angel wings are permanent.

Violet Gutierrez: This where it ends for you, Obscurio and The Dark Tribe, and this is goodbye and good riddance. Thanks for helping me get rid of Obscurio, Lincoln. You too, guys.

Lincoln: (Smiles Warmly) You're welcome, Violet.

Me and Nico: Our pleasure, Violet.

Suddenly, Violet Gutierrez wrapped her arms around Lincoln's waist as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Violet Gutierrez's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Violet Gutierrez sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Lincoln: And that's it for Obscurio and The Dark Tribe.

Me: Obscurio got what he deserved, and the other Dark Tribe members will fit in quite well in The M.O.E. So, Lincoln, who's the next girl we're meeting on your next rescue tomorrow?

Suddenly, we saw the symbol of The Ice Barrier Frost Masters of Loyalty and Trishula, Zero Dragon of the Ice Barrier appear in the sky.

Lincoln: (GASPS) The symbol of The Ice Barrier and Trishula, Zero Dragon of the Ice Barrier!

Me: Who would fit that?

Amihan Frostine: That would be Aneira Frostine, Avatar and Gene-Slammer of Trishula, Zero Dragon of The Ice Barrier, and you guys are gonna like meeting her and this is also someone from the past of Roxy Drake, Aneira Frostine, Avatar and Gene-Slammer of Trishula, Zero Dragon of The Ice Barrier, is Lincoln's Guardian Angel from New York, she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Trishula, Zero Dragon of The Ice Barrier. She's the second-in-command of The Ice Barrier Frost Masters of Loyalty, a group of loyal girls who are the Avatars and Gene-Slammers of The Ice Barrier Duel Monsters and they're born with superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and their goal is to protect and defend Lincoln from his enemies, and they are the most loyal of Lincoln's Guardian Angels, and they would never ever betray Lincoln, his friends, and his family, nor their own, and they hate people who betray others for their own personal gain, and they've punished Lori, Lynn, Lola, Lisa, and Luan in the most fiercest way possible many times for their treacherous actions and murderous schemes against Lincoln. Aneira Frostine moved to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Trishula, Zero Dragon of The Ice Barrier, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Cryokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Trishula, Zero Dragon of The Ice Barrier, and Lincoln was already born with immortality and invincibility, and she also helped him grow and seriously bulk up in muscle mass and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really grow and bulk up even more in muscle mass and she also helped him grow in intelligence, power, and knowledge. Lincoln made her an ice greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lana, Alexis, and May a lot in using the powers of ice, and what many of us didn't know was that Aneira Frostine knew Roxy Drake in her world before it merged with our world because she was an old friend of hers, and she knew of what she went through: her discovery of her dad being the leader of The Big Claw Gang long ago when she was a child, and Aneira also saw what happened to Roxy's mom when she was killed by Claw Dane Drake in an argument and that she'd been digging into him. Plus, she'd also found out that Carla Claw was actually Carla Drake, Roxy's twin sister who wasn't dead, but was alive the whole time. Aneira shared that info with Roxy, and she was hit with that painful revelation, and Aneira has also dealt with Caleb before when he returned in 1996 and transformed along with going on a very murderous rampage when his demonic hate turned him into a demon from Hell.

WE GASPED!

Roxy Drake: I remember Aneira all too well, she really helped me out greatly, and not only did she chase down The Big Claw Gang many times, but she even drove Caleb away when he turned into that bloodcrazed demon from Hell.

Cage Blunt: I did remember feeling an ice cold presence in the precinct, but I had no idea she was also Guardian Angel of Lincoln's, and I can guess she...!

James Blunt: Knew we were vampires, we can keep some humans in the dark about our true selves, but if they're worthy, we can show them, but when it comes to those who have powers and have supernatural ties, they can see right through us.

Nico: I had no idea about that. But, wow!

Lincoln: But, I also had no idea she also drove Caleb away.

Jack Howard: That was back when he was that blood-crazed demon from Hell.

Silver Samurai: Another villain down.

Juggernaut: I could've knocked him out easily.

Evil Lyn: I'm sure you would've

Me: All that leaves is Kevin's day to shine soon.

Qin: Yep.

Aqueduct: Either way, another job well done.

Yenaldooshi: Where should we have dinner?

Nico: Plenty of places. Great job today everyone.

Me: Thanks.

Roach: (To the viewers) This was a fun adventure there.

Me: Yes it was!

We went to an awesome restaurant for burgers and went back home.

We returned home, and hours later, night fell on the city, and Lincoln's harem and Guardian Angels were heading to the hot springs in Lincoln's room.

Lily the Mermaid: We did it, we took down Sir Elton Brandise.

Anna Anyanova: Now, we're just one closer to the ultimate showdown with Wertz.

?: (Beastly Gruff Manlier Voice) That's for sure, and I'm gonna enjoy tearing his butt apart before we take him to trial and execute him.

Then, just as they were about to enter the room, they caught the scent of roses and a strong cologne in the air, and as they opened the door, there in the hot waters of the now expanded hot springs was Lincoln in the hot waters, but they also saw his towel was on the rack along with his orange speedo, and when his harem saw him, they had an atomic red blush on their cheeks and their noses gushed out blood.

Lincoln: (Seductive Beastly Gruff Manlier Voice)(Flexes his massive arms and his massive biceps bulged even more with more veins forming)(Smirks) Like what you see, ladies?

They could only nod, and they went up to Lincoln as they stripped off their clothes leaving them in their two-piece bikinis and they joined Lincoln and the hot water's minerals really did wonders for them. Then, they went to the massive expanding sauna, and the hot steam really did wonders in opening their pores.

Finally, they got out and the girls were on top of Lincoln as they kissed passionately.

Girl Jordan: (Rubs Lincoln's massive pecs)(Seductive Voice) My God, you're still the same intense kisser from long ago, and getting pumped full of Regina Fessterox's Perfect Gene-Slammer serum and Perfect God serum and Savage Serum along with her patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility and fertility growth serums and potions has already gotten you ready for another...passionate night. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Then, Lincoln wrapped his arms around Lily the Mermaid's waist and laid her on his bed with him on top of her and he kissed her passionately as he still had his arms around her

and she had her hand on his towel around his waist about to remove it and leave him in the nude with the rest of his harem joining in.

Lincoln: (Seductive Beastly Gruff Manlier Voice)(Smirks) You bet. Alright then, I hope you're ready, ladies. (Seductive Wolf Growl)

Lincoln used his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

For Lincoln's rescue tomorrow, Lincoln and his group and all of TLPS and The MOE are heading to Manhattan, New York, but this is gonna be one massive revelation when we discover another secret about our member, Caleb Maxwell. It turns out he, his mom, Marlene Maxwell, his two brothers, Tyler and Alexander Maxwell, and his younger sister, Allie Maxwell, and their relatives on his mom's side were not the only humans who were destined to be welcomed into the world of the vampires from the comic Nightshift. There are other humans from some of the major cities in The U.S. who were also welcomed into the world of the vampires, and they shared a common connection: just like Marlene Maxwell's grandparents, their grandparents had saved one of the vampire elders from the evil wrath of Marcus Maxwell's scumbag relatives, and were well-known for their compassion and determination to help others regardless of who they are and know when to spot evil when they see it.

For this rescue, we're heading to Manhattan to meet up with an ally of Lincoln's, his name is Trevor Andrews, and he possesses the same powers as Caleb Maxwell, but unlike with the dark events that left dark scars on Caleb, Trevor Andrews had a good life, but when he was 18 years old and in his final year in high school, Trevor Andrews almost got attacked by Drake Maxwell, Caleb's ex younger brother and absolute bloodthirsty thug, that was until Timothy Maddock saved him and drove Drake away. Then, he found out about Trevor Andrews and he knew Trevor's grandparents had saved one of the elders from an attack by Marcus Maxwell's parents back in 1949. The vampire soon told him about his family's connections with the vampires and of the dark story of Caleb Maxwell from his happy childhood to an early age to a fall into darkness because of the cruelty of Drake Maxwell which led to Caleb's murder at his hands on October 31st, 1985 and his resurrection thanks to Lincoln's Dark Side Eternal Purification in their world in 1993. Trevor Andrews then asked to do the blood exchange with Timothy Maddock which he agreed to, and Trevor Andrews had transformed in the same way Caleb did becoming a powerful force of dark justice even during the midst of Caleb's murderous spree of revenge.

We're gonna be meeting up with Trevor Andrews, but then, we're going to hunt down our next targets whom Trevor was also hunting: Nico, the deadly murderous female assassin from Dead Or Alive, A.K.I., the sadistic assassin and apprentice of F.A.N.G. and master of poison from Street Fighter 6, and F.A.N.G., the sadistic poisoner and assassin who once served M. Bison from Street Fighter 5, and we're gonna make sure they never kill again by giving them a taste of their own medicine and end them.

And we're going to meet Aneira Frostine, Avatar and Gene-Slammer of Trishula, Zero Dragon of The Ice Barrier, she's

Lincoln's Guardian Angel from New York, she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Trishula, Zero Dragon of The Ice Barrier. She's the second-in-command of The Ice Barrier Frost Masters of Loyalty, a group of loyal girls who are the Avatars and Gene-Slammers of The Ice Barrier Duel Monsters and they're born with superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and their goal is to protect and defend Lincoln from his enemies, and they are the most loyal of Lincoln's Guardian Angels, and they would never ever betray Lincoln, his friends, and his family, nor their own, and they hate people who betray others for their own personal gain, and they've punished Lori, Lynn, Lola, Lisa, and Luan in the most fiercest way possible many times for their treacherous actions and murderous schemes against Lincoln. Aneira Frostine moved to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Trishula, Zero Dragon of The Ice Barrier, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Cryokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Trishula, Zero Dragon of The Ice Barrier, and Lincoln was already born with immortality and invincibility, and she also helped him grow and seriously bulk up in muscle mass and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really grow and bulk up even more in muscle mass and she also helped him grow in intelligence, power, and knowledge. Lincoln made her an ice greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lana, Alexis, and May a lot in using the powers of ice, and what many of us didn't know was that Aneira Frostine knew Roxy Drake in her world before it merged with our world because she was an old friend of hers, and she knew of what she went through: her discovery of her dad being the leader of The Big Claw Gang long ago when she was a child, and Aneira also saw what happened to Roxy's mom when she was killed by Claw Dane Drake in an argument and that she'd been digging into him. Plus, she'd also found out that Carla Claw was actually Carla Drake, Roxy's twin sister who wasn't dead, but was alive the whole time. Aneira shared that info with Roxy, and she was hit with that painful revelation, and Aneira has also dealt with Caleb before when he returned in 1996 and transformed along with going on a very murderous rampage when his demonic hate turned him into a demon from Hell.

The next chapter is Baihumon's day to shine and we're going after Scar in the Pridelands and we're going to make that evil lion pay for his crimes.

See you all next time.

SOVEREIGN OF THE WEST VS EVIL LION

Baihumon of the West VS Scar the Evil

In the early morning hours of 12:00 AM, Lincoln was asleep along with his harem and kids, and he had a dream as it took him to a distant galaxy, and there he saw what he couldn't believe: he saw a planet of endless quicksilver, mercury, and water and protected by powerful omnipotent angels, the males who spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters, but they also had immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of quicksilver, mercury, and water times infinity, and the ability to grow even stronger, and they were given incredible godly powers and immense virility and male fertility, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to their planet where he would meet the males and when he'd arrive, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the males into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of quicksilver, mercury, and water times infinity, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb their planet and its core into his body and their planet's Sun into his body to preserve their legacy.

Lincoln woke up.

Lincoln: Holy moly, what on Earth Omega was that?!

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) No way, that world you saw, that was Mercuryaira, a planet of endless quicksilver, mercury, and water in The Forbidden Zone, and protected by powerful omnipotent angels known as The Mercuryairans, the males who spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters, but they also had immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of quicksilver, mercury, and water times infinity, and the ability to grow even stronger, and they were given incredible godly powers and immense virility and male fertility, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to their planet where he would meet the males and when he'd arrive, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the septillions of male Mercuryairans into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of quicksilver, mercury, and water times infinity, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb their planet and its core into his body and their planet's Sun into his body to preserve their legacy.

Lincoln: Whoa! A planet of endless quicksilver, mercury, and water! That's so awesome!

Lincoln got up and got dressed, and he left a note explaining it, and he headed to Steelaira.

Lincoln landed on Planet Mercuryaira, and it was everything he saw in his dream and his rainbow energy aura exploded as he grew stronger.

Lincoln: Whoa! So, this is Mercuryaira, it truly is an awesome planet.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) It's still as beautiful as ever.

?: (Strong Manly Voice)(Divine Heavenly Godly Voice) You have arrived, Lincoln Loud.

Suddenly, Lincoln saw a strong-looking man who was really tall at 950'11" with abnormally massive and powerful upper

and lower body muscles and twelve-pack abs, he was shirtless with a dark blue sun and moon on his chest, he has long dark blue hair going down to his shoulders, dark blue eyes, crimson red angel wings, he has on a grey loincloth, and black sandals, and this was someone Lincoln recognizes all too well.

Lincoln: (GASPS) Ethan Mercuryaira, King of The Mercuryairans of Planet Mercuryaira.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln, you know him?!

Lincoln: I do, he's the father of my Guardian Angel, Elenas Mercuryaira. (GASPS) Now, I remember, I've been here before to Mercuryaira eight years ago.

Then, all of the other septillions of trillions of male Mercuryairans came to Lincoln.

Ethan Mercuryaira: That's correct, you came here eight years ago when my daughter wanted to introduce me to you. (Smiles) You've grown that much stronger and taller, you're now as tall as me, and you're also even more muscular than all of us males, and it's no wonder my daughter couldn't even keep her hands off you as you grew into the man she and the others had helped you become.

Lincoln had an embarrassed blush on his cheeks and muzzle as Ethan Mercuryaira chuckled.

Lincoln: And there's something I need to tell you.

Ethan Mercuryaira: I know. You had the dream, it's time.

Lincoln: Yes, it is.

Suddenly, Ethan Mercuryaira chanted an ancient incantation and a magic circle appeared below Lincoln's feet and it glowed with incredible power.

Ethan Mercuryaira: Do not worry, we will always be with you, Lincoln, now and forever. Our legacy will be preserved within you.

Suddenly, Ethan Mercuryaira and the other septillions of trillions of male Mercuryairans embraced Lincoln, and one by one, they began entering his body and they merged with him as he absorbed them: mind, body, and soul, and that led to Lincoln suddenly gaining an infinitely astronomical massive power boost and he gained their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of quicksilver, mercury, and water times infinity, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The

Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! This feels incredible. RRGH!

When it was all done, Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces, animals, and mythological beasts and rainbow protective aura and holy white aura was raging like a really massive wildfire and he has a grey and dark blue aura with quicksilver surrounding him as he pounded his chest like a gorilla.

Lincoln: Whoa...! (GROWLS) This feels so incredible!

Suddenly, Lincoln flexes his massive muscles as his massive biceps bulged even more with veins forming and the image of tank turrets firing formed on his massive biceps and the image of cannons firing formed on his massive pecs.

Lincoln: (GROWLS) RRGH! Ooh yeah, this is so awesome! (WOLF ROAR)

Ethan Mercuryaira: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Letting the beast out, all the males of the Forbidden Zone planets including us do tend to

do that on many occasions to show our virile dominance which made the many females swoon over us.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln's grown that much bolder and confident thanks to his Guardian Angels, now there's one last thing for you to do, Lincoln.

Lincoln flew deeper and deeper into the planet, and he found it: the core of Mercuryaira, the inner and outer cores of the planet and the million other planets consisted primarily of iron and nickel and are extremely infernally hot with the temperature at more than 999,999,999,999,999,999,999,999,999,999 degrees Fahrenheit, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat.

Then, Lincoln flew into the core of Planet Mercuryaira, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core and the planet itself into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped

frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! Oh man, this feels even more incredible. RRGH!

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura and holy white aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space.

Then, he flew into Mercuryaira's massive Sun and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored

gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla and he was sweating even more.

Lincoln: Now, that was so incredible! (Flexes his massive arms and his massive biceps bulged even more with veins forming)(GROWLS) RRGH! (Smirks) My harem's going to be in for one awesome surprise along with the others.

Lincoln disappeared in a flash of light and came back to his room, and as soon as he did, his harem were up and they got his note along with sensing his sudden energy and power surges.

Lily the Mermaid: We got the note, and you explained everything. Plus, we also felt your sudden energy and power surges. (Smirks)(Rubs Lincoln's massive pecs) And you're even more insanely ripped than ever and full of even more infinite energy.

Lincoln: (Seductive Wolf Growl)

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him, but it suddenly became even stronger due to the powers of the Eroticairans of Planet Eroticaira he has and his primal urges went wild.

The noses of Lincoln's harem literally gushed out blood like a fountain, and they swarmed around him and they felt every last muscle in his body as he proceeded to do the bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure from their touches as they rubbed his massive pecs, biceps, forearms, legs, back, and twelve-pack abs.

Lincoln's Harem: (Swooning) So manly...!

Erosa Eroticaira: (Swooning) Oh my God, we never get tired of him doing bodybuilding poses and he's still such an absolute pro!

Suddenly, Lincoln pounced on his harem and he was on top of them and they were on his bed.

Lily the Mermaid: Whoa...! (Thinking) Now, he's really REALLY AROUSED!

Then, he kissed all of them passionately on the lips as they engaged in a hot make-out session, and when they were done making out, the girls had massive atomic red blushes on their faces, hearts in their eyes, and their noses were gushing out blood like fountains!

Girl Jordan: And that much more passionate and even more hotter than ever.

Suddenly, Lincoln's room glowed and expanded even more: his gym had expanded with more weight machines, equipment, and dumbbells, more libraries of spellbooks and volumes of histories from civilizations of ages and eons past were included along with the expansions of their merged castle, hot springs, massive extra-extra large never-ending expanding bathroom for him and his expanding harem, and massive extra-extra-extra large never-ending expanding bed for him and his expanding harem.

Anna Anyanova: That was the surprise you had planned for us. But, you're gonna have to explain it tomorrow.

Lincoln: I will. (Smirks Seductively) Now, then, where were we?

Lincoln and his harem had another intense and passionate lovemaking session, and they went back to sleep a few

hours later. Then, as morning came, Lincoln, his harem, and his kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

J.D. 2: And I felt your sudden power and energy surges last night, Lincoln, all of us did.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) I knew you'd be the first to react, J.D., let me explain.

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome!

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome!

J.D. 2: This was no ordinary planet. Lincoln, do you have a book about the world you went to?

Lincoln ran to his room and flew to the top of his massive vast collection of libraries and found the very book and brought it to J.D. 2.

J.D. 2: I knew it.

He opened the book, and we saw it: the planet Lincoln saw in his dream.

Me: Whoa! what is that place?

J.D. 2: This, J.D., is Mercuryaira, a planet of endless quicksilver, mercury, and water in The Forbidden Zone, and protected by powerful omnipotent angels known as The Mercuryairans, the males who spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters, but they also had immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of quicksilver, mercury, and water times infinity, and the ability to grow even stronger, and they were given incredible godly powers and immense virility and male fertility, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to their planet where he would meet the males and when he'd arrive, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the septillions of male Mercuryairans into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of quicksilver, mercury, and water times infinity, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb their planet and its core into his body and their planet's Sun into his body to preserve their legacy.

He finished and returned the book to Lincoln's room, but we were immediately stunned.

Me: WHOA! Now, you absorbed a planet of endless quicksilver, mercury, and water?! That's so awesome!

Lincoln formed a ball of quicksilver, mercury, and water and fired it at the jerks who immediately screamed in pain and vomited tons of gold, jewels, and other currencies as they got sick.

Nico: Nice!

Mega Liepard came into Baihumon's room and saw him as a ball of white light.

Mega Liepard: Morning Baihumon.

He formed.

Baihumon: Morning Mega Liepard.

Mega Liepard: It's time for breakfast.

He got up and went to the table.

Baihumon: Morning everyone.

Me: Morning Baihumon.

Baihumon: I'm excited for this one.

Me: We all are. Oh guys before we head out, I got a message from the Spirit of Harmony, we got to head to the Crystal Empire. It's time to erase all the Dark Magic in Equestria and we'll do that with our magic and declarations.

Nico: Okay.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his large gold halo and smaller halo with intricate designs made of light and The Sun and The Moon in it in the center and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Shere Khan, and he's on the Forest Swamp planet of Cypressswampaira.

Me: Oh crap, it's Shere Khan!

Lola: Yeah.

Arctiguana: This will be cool.

Nico: Arctiguana, I want to thank you, Ice Dragon, and your teams for coming.

Arctiguana: You're welcome Nico. This will be so fun.

Me: It sure will.

Grusha: I'm excited for this.

Me: What gym are you for Grusha?

Grusha: I am the Ice Gym Leader of Glaseado Mountain's Gym. It's fun.

Me: It sure is. What Pokemon do you have?

Grusha: Check it out.

He brought out a Frosmoth, Beartic, Altaria and Cetitan.

Me: Cool!

May: Your Pokemon are so awesome.

Lola: They sure are.

Nico: What's your Gym like?

Grusha: Well it's an ice themed gym. I used to be a snowboarder. But I lost that talent after injuring myself. I used to be the best. Until I did this.

He showed a HUGE SCAR on his head.

Me: OOH OUCH! How did you do that?

Grusha: I crashed into a tree head on. Gave me a concussion and made me unable to snowboard again.

Me: GEEZ! You're lucky you didn't get yourself killed!

Ash: No kidding!

Me: George hits trees head on all the time and he knows how that feels.

George: George do it all the time.

Me: Yep.

Nico: Do you ever wish you can do it again?

Grusha: Every single day.

Me: Oh man. Maybe we can help you get back into it little by little.

Grusha: I would like that.

Me: Awesome.

Nico: Yeah. Man yesterday was intense!

Me: Sir Elton Brandise is now back in prison where he belongs.

Nico: He sure is.

Me: And the score I have with him is settled.

Roach: That is for sure.

Me: Yep.

Nico: And J.D. that Z-Move you used was absolutely amazing!

Me: First time doing that but I thought it was awesome.

Poliwag: I want to do it too!

Nico: I plan to have all of us do it in the future once we all get mascots.

Me: Not sure who is left for getting mascots but this will be fun.

Lola: It sure will.

Varie: Yep.

Lola: That was amazing.

Ymir: Yep.

Me: Roach your Akuma was a REALLY Ruthless viking.

Nico: He didn't even talk!

Me: Because he was all ruthless and savage

Nico: I know.

Qin: He slashed Cheshire!

Nico: He damaged her mask too.

Me: Yeah and cut her face.

Nico: Yeah.

Cheshire: Yeah and that hurt!

Qin: But at least J.D.'s old enemy is back in prison.

Me: And I got to have a proper battle this time instead of a short one.

Qin: And you guys got to meet my enemy. My crazy evil jealous aunt.

Me: I had no idea your aunt had that many issues.

Nico: And the oldest evil Underground Girl.

Qin: Yep.

Nico: I remember meeting Cassandra years ago. She was REALLY radiating a malevolent aura and one of total insanity and mental instability.

Xenia: I can see why.

Poromon: She always was scary!

Poliwag: Yeah and she was a monster!

Me: Geez!

Qin: She deserves to be in prison.

Varie: Yeah!

Gira: What are Shere Khan's weaknesses?

Nico: Fire.

Me: And shotguns.

I brought lots of shotguns with us.

Qin: Perfect.

Ymir: Who is Shere Khan?

Me: A Bengal Tiger and he is a really ruthless tiger that hates man with a vengeance.

Baloo: And he is a dangerous jerk.

Mowgli: Yeah I humiliated him the first time.

Baihumon: He's perfect for the rescue today.

Me: And the Sovereign of the West is going to shine against him.

Qin: Yep.

But then my sword started glowing.

Me: My sword is reacting to something.

I unsheathed it. Then a beam of light blasted out of the blade and it formed a figure and it was a girl with blond hair and purple eyes and had rainbow angel wings and had the symbol of the Elements of Harmony on her forehead and arm as a cutie mark and had purple and blue clothes.

WE GASPED!

Me: WHOA! Who are you!?

Nico: Wow! This is new.

Elaine Williams: It is a pleasure to meet you O Chosen one of The Prophecy. I am Elaine Twilight Sparkle Williams, Descendant of Megan Williams and the Avatar and living embodiment of the Elements of Harmony and the Ultimate Goddess of Equestria and also the Protector and Spirit Guide of The Chosen One to bring about the prophecy.

WE GASPED!

Me: This is amazing!

Twilight Sparkle: How did you wind up in the Sword of Harmony?

Elaine Williams: I was resting in the blade for millennia and waiting for when the time came to fulfill the prophecy.

Me: That is amazing. We don't know how far away the Prophecy is but we think it's close.

Elaine Williams: Then you have my services o great chosen one.

Me: Thank you very much Elaine.

Lisa Loud: We have arrived at our destination!

Nico: Oh screen.

We saw that we were at a swamp forest planet.

Me: So that's Cypressswampaira. Cool!

We arrived on Cypressswampaira, and it was everything Lincoln said and his rainbow energy aura exploded as he grew stronger, same with all of us.

Me: Whoa! So, this is Cypressswampaira, this place is such an awesome Forest Swamp planet.

Nico: WOW! What a creepy place.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) I've heard of the stories of Cypressswampaira, and like many other planets that hadn't been invaded by The Infernairans, it's a place full of life.

Lincoln: And guarded by the warrior angels, The Cypressswampairans.

Laney: This place gives me the creeps.

May: I have a feeling this place is like... (TRIPS) WHOA!

SPLORF!

She fell face first into the mud of the swamp with a flop! She was drenched from head to toe in mud!

May: YUCK! OH THIS IS GROSS!

Nico: Knew you would hate this place.

May: It's as gross as Dagobah!

Me: Geez every time we go to a swamp planet you have the worst luck and fall face first into the mud.

May: You don't have to rub it in.

Qin: Sorry. Just stating the facts.

Lincoln held Rarity.

Lola: Boy this is a scary planet.

?: (Strong Manly Voice)(Divine Heavenly Godly Voice) You have arrived, Lincoln Loud.

Suddenly, Lincoln saw a strong-looking man who was really tall at 950'11" with abnormally massive and powerful upper and lower body muscles and twelve-pack abs, he was shirtless with a green sun and moon on his chest, he has long brown hair going down to his shoulders with green streaks, green eyes, massive green angel wings, he has on a green loincloth, and black sandals, and this was someone Lincoln recognizes all too well.

Lincoln: (GASPS) Caleb Cypressswampaira, King of The Cypressswampairans of Planet Cypressswampaira.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln, you know him?!

Lincoln: I do, he's the father of my Guardian Angel, Caryn Cypressswampaira, and I've also been here to Campfirairaiga eight years ago.

Then, all of the other septillions of male Cypressswampairans came to Lincoln.

Caleb Cypressswampaira: (Strong Manly Voice) That's correct, you came here eight years ago when my daughter wanted to introduce me to you. (Smiles) You've grown that much stronger and taller, you're just as tall as me, and you're also even more muscular than all of us males, and it's no wonder my daughter couldn't even keep her hands off you as you grew into the man they and the others had helped you become.

Lincoln had an embarrassed blush on his cheeks and muzzle as Caleb Campfirairaiga chuckled.

?: Oh man, Linky, you're here!

Suddenly, we saw a beautiful girl who was tall at 250'11" in height, she as the body of a goddess and large breasts, fair skin, long brown hair with green streaks, green eyes, she was dressed in a green two-piece bikini, she has massive green angel wings, and she has a nature greatsword in her right hand.

Lincoln: (GASPS) Caryn Cypressswampaira, Queen of The Cypressswampairans of Planet Cypressswampaira.

Me: You know her, Lincoln?

Lincoln: Indeed I do, J.D.

Anna Anyanova: And so do we, this is Caryn Cypressswampaira, Queen of the Cypressswampairans of Planet Cypressswampaira, she's Lincoln's Guardian Angel from Planet Cypressswampaira, a forest swamp planet inhabited by powerful warrior angels known as The Cypressswampairans, the males who'd spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters, but they also had vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense superhuman strength, regeneration, superhuman durability, immense virility, superhuman senses, superhuman speed, superhuman endurance, and immense omnipotent powers of swamps, swamp magic, nature, swamp animals, and all of the secrets and knowledge of the swamps, and the ability to grow stronger, and incredible godly powers, she's The Queen of The Cypressswampairans of Planet Cypressswampaira, and she's also far more powerful than her own people: in addition to being a natural born fighter and having vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense superhuman strength, regeneration, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, and immense omnipotent powers of swamps, swamp magic, nature, swamp animals, and all of the secrets and knowledge of the swamps, but she was also born with angel wings, vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense superhuman strength, regeneration, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, and immense omnipotent powers of swamps, swamp magic, nature, swamp animals, and all of the secrets and knowledge of the swamps, and the ability to grow stronger, and like with Almightairaira, her people drove off the Infernairans, and they had the dream: when The Reincarnation of Amaterasu was forever purified, the Cypressswampairans would send a message to him in a dream inviting him to Cypressswampaira where he would also meet The Cypressswampairans and when he'd arrived, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the septillions of trillions of male Cypressswampairans into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense superhuman strength, regeneration, superhuman durability, immense virility, superhuman senses, superhuman speed, superhuman endurance, and immense omnipotent powers of swamps, swamp magic, nature, swamp animals, and all of the secrets and knowledge of the swamps, and the ability to grow stronger, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb Cypressswampaira and its core into his body and Cypressswampaira's Sun into his body to preserve their legacy. Caryn Cypressswampaira came to Earth and Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the immense powers of immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense superhuman strength, regeneration, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of swamps, swamp magic, nature, swamp animals, and all of the secrets and knowledge of the swamps times infinity, and the ability to grow even stronger, and all the powers of her people, and over time, Lincoln gained even more immense superhuman strength, immense regeneration, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of swamps, swamp magic, nature, swamp animals, and all of the secrets and knowledge of the swamps times infinity, and the ability to grow even stronger, and all the powers of The Cypressswampairans times infinity, and he was already born with immortality and invincibility and his powers also grew infinite-times stronger, and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew when it came to fighting and she also gave him the power to grow even stronger, along with even more incredible powers from the deities her people worshipped along with infinite levels of virility and male fertility, but it made his already massive and godly superhuman strength even more massive than ever, and she knew that Lincoln had undergone the rite of The Reincarnation of Amaterasu absorbing the septillions of trillions of male Cypressswampairans gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense superhuman strength, regeneration, superhuman durability, immense virility, superhuman senses, superhuman speed, superhuman endurance, and immense omnipotent powers of swamps, swamp magic, nature, swamp animals, and all of the secrets and knowledge of the swamps, and the ability to grow stronger, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, Lincoln absorbing Cypressswampaira and its core and Cypressswampaira's Sun into his body to preserve their legacy. Lincoln made her an awesome greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's enemies with a blazing passion, and she swore to use the powers of Cypressswampaira to make them pay with their lives.

Lincoln: And there's something I need to tell you.

Caleb Cypressswampaira: I know. You had the vision, it's time.

Lincoln: Yes, it is.

Suddenly, Caleb Cypressswampaira chanted an ancient incantation and a magic circle appeared below Lincoln's feet and it glowed with incredible power.

Caleb Cypressswampaira: Do not worry, we will always be with you, Lincoln, now and forever. Our legacy will be preserved within you.

Suddenly, Caleb Cypressswampaira and the other septillions of male Cypressswampairans embraced Lincoln, and one by one, they began entering his body and they merged with him as he absorbed them: mind, body, and soul, and that led to Lincoln suddenly gaining an infinitely astronomical massive power boost and he gained their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense superhuman strength, regeneration, superhuman durability, immense virility, superhuman senses, superhuman speed, superhuman endurance, and immense omnipotent powers of swamps, swamp magic, nature, swamp animals, and all of the secrets and knowledge of the swamps times infinity, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire

coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! This feels incredible. RRGH!

When it was all done, Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces, animals, and mythological beasts and rainbow protective aura and holy white aura was raging like a really massive wildfire and he has a green aura with leaves and swamp plants surrounding him as he pounded his chest like a gorilla.

Lincoln: Whoa...! This feels so incredible!

Suddenly, Lincoln flexes his massive muscles as his massive biceps bulged even more with veins forming and the image of tank turrets firing formed and volcanoes erupting on his massive biceps and the image of cannons firing and volcanoes erupting formed on his massive pecs.

The noses of Lincoln's harem literally gushed out blood like a fountain, and they swarmed around him and they felt every last muscle in his body as he proceeded to do the bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure from their touches as they rubbed his massive pecs, biceps, forearms, legs, back, and twelve-pack abs.

Lincoln: (GROWLS) RRGH! Ooh yeah, this is so awesome! (WOLF ROAR)

Lincoln's Harem: (Swooning) So manly...!

Erosa Eroticaira: (Swooning) Oh my God, we never get tired of him doing bodybuilding poses and he's still such an absolute pro!

Caleb Cypressswampaira: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Letting the beast out, all the males of the Forbidden Zone planets including us do tend to do that on many occasions to show our virile dominance which made the many females swoon over us.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln's grown that much bolder and confident thanks to his Guardian Angels.

Nico: That's for certain, and the girls in his harem wind up getting driven wild and wind up getting aroused even more from every single act of manliness Lincoln displays.

Me: And all that's left is for him to absorb your planet and its core along with its Sun into his body, and wait, you also included immense virility and fertility as well? That means...!

Caryn Cypressswampaira: We knew Lincoln's quite the virile stud since he was born with hyperpuberty, and the genes of his parents and his own extremely high virility, fertility, testosterone, extreme levels of libido, and excessive sex drive, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes and constant years of training, he gained the powerful and massive body that all bodybuilders could only dream of: the body of all the male Gods and the ancient male warriors of ancient times and bodybuilders of history combined, and that along with his personality, gentleman nature, and noble heart, he'd attracted tons of girls, and every lovemaking session he has with his harem, his future wives winds up getting impregnated by him in less than a second, and it doesn't take long for the effects of pregnancy to kick in, which are much faster than ever.

Rita: We had no idea about it before. But, during Lincoln's check-ups with Dr. Feinstein, he did show us all of what you just told us.

Nico: Wow...!

Caryn Cypressswampaira: I know that shocked you all especially Regina's journal about Lincoln's health reports, but everything I told you is all true, and it's good to see you again, Lincoln, but wow, you've really grown a lot in height and muscle mass since last I saw you.

Suddenly, Lincoln pinned Caryn Cypressswampaira to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and

rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Caryn Cypressswampaira with green gems on the gold lightning bolts and green crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

He then helped her up and he kept her close to his body as she took the time to rub his massive muscles and massive hairy pecs.

But, then, Lincoln felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura exploded even more with power, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The

Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Eli: What's this?! Lincoln's power is rising even more like what happened.

Caryn Cypressswampaira: That's my special gift to him: Cypressswampaira's Blessing of Divine Swamp Nature Power Justice, and each of the Forbidden Zone Planet Queens have given him our individual blessing when he fed on our blood. (Still rubs Lincoln's massive pecs) And who could've guessed the 11-year-old boy I met long ago would grow up into a 950'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln let out a wild growl as he wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Caryn Cypressswampaira: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Shanan: Oh crud, I also forgot Cypressswampairans both males and females were extremely passionate when it came to sex and lovemaking.

Lily the Mermaid: Ooh boy.

Lincoln: That'll be for much later. Okay, guys, we're in for one intense battle, we're here on the planet of Cypressswampaira to help Vapor Trail, Angel Wings, Chrysalis, Daybreaker, and Radiant Hope unlock their Rainbow Power and hunt down and destroy Shere Khan.

Me: Shere Khan's been asking for this for a long time.

Nico: That's for sure. Now, we'll get rid of him once and for all.

We had all of TLPS and The M.O.E. with us.

Tyler heard a Pokémon cry

Tyler: Whoa look there!

We saw a Feraligatr!

Me: WHOA A Feraligatr!

Nico: Wow!

Feraligatr: This planet is scary!

Me: It sure is.

Tyler: Here.

He gave it apples.

Feraligatr: Oh thank you.

He ate them.

Tyler: Want to come with me?

Feraligatr: I would be honored.

Me: Awesome!

Poromon: YAY!

Poromon flew on top of his head.

Poromon: You are going to have some fun.

Me: He sure is.

But then...

CHOMP!

I GOT CHOMPED ON MY HEAD BY A VICTREEBEL!

Me: HEY! I'm not a chew toy!

Laney: WHOA! A Victreebel!

EVERYONE LAUGHED AT ME!

James: I feel your pain.

Me: Easy for you to say!

I got out.

Me: Man this must be one of Dark Gale's work. Now I know how you feel when your Victreebel did the same thing James.

James: You should see what Cacnea and Carnivine do to me.

Me: Oh boy.

But then we smelled something REALLY HORRIBLE!

(SEAL BARK)

Me: (SNIFFS) OH GOOD GOD! WHAT THE FUCK IS THAT HORRIBLE SMELL!? ED!?

Ed: Wasn't me!

Qin: I think it's that!

We saw a Grimer!

Me: WHOA! A Grimer!

Xenia: Stinky!

Me: Must be another of Dark Gale's work.

Sheena: That Grimer is Lola Lennos Mann and she is Lucy Mann's cousin and she is half Sludge Alien..

WE GASPED!

Lucy Mann: AWESOME! My cousin Lola is here!

Me: Wow! So she is half Lenopan! That is amazing!

Nico: I hope she isn't like anything like Camille's so-called parents.

Lucy Mann: No she isn't thankfully.

Me: That's good.

Sheena: And the Victreebel is a girl named Rhonda Rhododendron. She's half of Plantapocalypse's kind.

Me: WHOA! She's half Rhododendronian! That is cool!

Lucy Mann: Lets go help them!

Plantapocalypse: You got it!

We went over to them.

They saw us.

Me: Oh boy.

Victreebel fired a powerful solar beam blast!

I punched the blast and it hit the ground and exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOMMMMM!

Qin: WHOA!

Grimer fired sludge and we dodged it.

Me: YUCK! Okay then.

I snapped my fingers and they both reverted back.

Lola was a girl with purple hair and purple eyes and had purple angel wings and ahd Grimer on her forehead and she had a shit turd on her arm with a Lenopan on her arm as a cutie mark.

Rhonda had green hair and green eyes and had green angel wings and had Victreebel on her forehead and had a sequoia tree on her arm with Plantapocalypse on it as a cutie mark and she had a voluptuous body too.

We wrapped them in blankets and brought them over.

Me: There!

Lucy Mann: PSYCHE!

They woke up.

Lola Lennos: (Groans) What hit me?

Rhonda Rhododendron: I feel like I got hit by a bunch of Vilgax's cronies.

Lucy Mann: Are you okay guys?

Lola Lenno: (GASP) LUCY!

She and Lucy hugged.

Plantapocalypse: Just glad you're safe.

Rhonda Rhododndron: Same here.

Me: You both were turned into a Grimer and Victreebel by Dark Gale. And Rhonda you chomped on my head!

Rhonda Rhododendron: Oh man sorry.

Me: No worries but also James here knows what that was like as he had a Victreebel that did the same thing to him.

James: It's true.

Rhonda Rhododendron: I can see. I was battling an evil version of him! (Points to Michael Morningstar)

Michael Morningstar: You mean my evil self, Darkstar.

Me: Geez that must've been tough.

Lola Lennos: Yeah. I was battling Aunt Camille's Ex-Boyfriend!

Me: I remember how much trouble Camille's mom and dad and him caused too.

Shanan: It was because of terrible pains caused by the terrible feud the Plumbers and the Lenopans.

Ymir: Why were they fighting?

Shanan: Well it was called the Plumbers-Lenopan Feud. For many years and for reasons unknown there was a terrible Interstellar Feud of Hatfields & McCoys Calibur times 10 that raged on for a long time. The Plumbers of Earth and the Lenopans of the planet Lenos were really duking it out and tearing each other apart. But years ago their children on both sides Joel Tennyson of the Plumbers and Camille Mann of the Lenopans met and became close and eventually got married. It brought an end to generations of fighting.

Ymir: WHOA! That is intense.

Lola Lennos: Yeah that was an awful event.

Lucy Mann: Yeah it was.

Ben: Oh, I've fought him too.

Nico: I remember hearing about that.

Me: I don't know what lead up to that feud but it must not have been good.

Lola Lennos: No kidding.

Rarity: Lets get you some new clothes darlings.

The Fashion Brigade gave them new clothes. Lola's were purple and black and she had a slime sword. Rhonda's were green and she had a flower sword.

Rhonda Rhododendron: We look great.

Lola Lennos: I'll say.

Rei Miyamoto: HEY! Rhonda's breasts are as large as mine!? No fair!

Rhonda Rhododendron: Just have good looks.

Nico: The reason we're going after Shere Khan here? Scar is the one who got turned into a Heartless and has survived as a ghost.

Baihumon: Also it's fitting for my day to shine because I'm a tiger.

Nico: Yep.

Lincoln: (Sensed for Shere Khan) AHA! Gotcha, I just spotted Shere Khan, he's 20 yards away, but now, he's coming after us!

Caleb Maxwell: What the?! (GROWLS) Tyler, Alexander, Allie, come on! Let's tear that bitch apart!

Tyler Maxwell, Allie Maxwell, and Alexander Maxwell: TIME TO DIE, BITCHES!

They flew after them!

Lincoln: Oh God! Come on, we better stop them before they really unleash Hell on him!

Shere Khan: How dare you get in my way again, Team Loud Phoenix Storm! Now, I will have my revenge on all of you! (ROARS)

Lincoln: That's all your doing, Shere Khan, you've been nothing but an unforgiveable monster and Anti-Monitor bringing you back from the dead might be another worst mistake because you're just as treacherous as Scar who's no doubt been brought back from the dead as well. And now, I'm gonna show you who the true king of the jungle is by skinning you alive and turning you into a Tiger Skin Fur Rug! (WOLF ROAR)

Shere Khan: WHAT THE?!

Suddenly, Lincoln let out a growl as his deep sapphire blue eyes glowed and his pupils turned into slits and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, he attacked and slashed at him with his massive greatsword and gold-armored dragon claws on his finger tips and rainbow wolf claws on his finger tips and left bleeding scars on Shere Khan.

Shere Khan let out a roar and tried to attack Lincoln with his claws, but Lincoln countered with A REALLY STRONG PUNCH TO THE FACE THAT SENT SHERE KHAN FLYING INTO A TREE WHICH SPLIT IN HALF AND FELL ONTO SHERE KHAN!

OUR JAWS DROPPED!

CLANG!

LINCOLN CLOSED OUR JAWS USING TELEKINESIS!

Me: HOLY JUMPING NUCLEAR HOT PEPPERS!

Nico: OH! MY! GOD! JUST HOW...JUST HOW MUCH STRONGER IS LINCOLN GOING TO BECOME!? HE'S ALREADY IN THE SAME LEAGUE OF POWER AS ME, J.D., ELI, AND ALL OF US!

Anna Anyanova: Lincoln continues to get stronger to push past his limits like all of us, his love for all of us, his determination to see things through, that combined with his personality make him who he is.

Shere Khan got up, but he was beyond pissed!

Shere Khan: You...! YOU!

Me: Surprise stripes!

Shere Khan: (to Baihumon) I thought I would've beeen your main target.

NIco: Scar's more powerful!

Baihumon: Looks like we both thought the same thing. I may be a tiger but there's one thing I've always wanted to have settled.

Shere Khan: And that would be?

Baihumon: Which is better: The Tiger or The Lion. And the Tiger is the biggest cat in the world so that makes me better.

Scott, Mack, Danny Phantom, Jayden, Timmy, Spongebob, Cameron, Optimus, Raiden, and Kaiba used their rings and blasted Shere Khan all over.

Kevin Levin: At least she saved you.

Mevya: True.

Me: Also why are you attacking Mevya? Shouldn't you be attacking Mowgli? After all, remember what he did to you?

Mowgli: Yeah remember?

Shere Khan: Remember? How can I forget.

He remembered having a flaming branch tied to his tail and he ran off completely humiliated.

Shere Khan: I wanted a snack. But since you reminded me… (Leaps at Mowgli)

I grabbed him by his tail and threw him into a tree!

SMASH!

Me: Ah ah ah. Can't beat him the same way twice.

Nico: Not that you ever beat him to begin with!

Mevya: Also you wouldn't want to eat me! I smell and taste horrible!

Mevya went over to him.

Mevya: SMELLOGRAM!

LOUD BELCH!

He belched in his face!

Shere Khan really couldn't handle the stench!

Feraligatr charged at him and then..

CLANG!

CHOMPED ON HIS TAIL!

Shere Khan roared in agony.

But then a female tiger appeared.

Girl Tiger: Hey there big boy.

Shere Khan: (EARS TOOT LIKE A STEAMWHISTLE) Wow hello beautiful lady!

He went over to her and just as he was about to kiss her.

Girl Tiger: (In an all too familiar Voice) PSYCHE!

She changed back into Lucy Mann and she kicked him in his face and sent him crashing into a tree!

Me: That was genius!

Nico: I didn't think that would work!

Me: Me neither!

Lucy Mann: That was fun.

Me: He fell for it hook, line and stinker!

WE LAUGHED

Lola Lennos: We Lenopans are also crafty.

She formed her hand nto a powerful mallet and swung it and then...

KRABLANG!

HE BASHED HIM ON THE FACE WITH INTENSE FORCE!

Me: TAKE THAT!

Lola threw a fireball at him and it hit the ground and exploded!

KRABBBBBBOOOOOOOOOOMMM!

Lola: You really hate fire!

Lola Lennos and Lucy Mann: LENOPAN DOUBLE HAMMER BASHER!

They formed huge hammers and bashed him from both sides!

Liam and Rolf put on huge hammer hats!

Liam and Rolf: You must be punished.

Shere Khan: What are those?

Liam: The Hats of Discipline!

Rolf: Do you live in a cave!?

KRASMASH!

They smashed him with them and Shere Kkan was flatter than a pancake!

Eddy: Where'd Liam get a Hat of Discipline?!

Carmen: I convince Captain Rolf to make one for Liam too.

Rolf: Since Fiery Carmen Girl is married to Thunderice Liam Boy I taught him all my ways and culture too.

Horsea: Was that the only one you could make?

Rolf: Yes.

Carmen: I'll convince Captain Rolf to make more.

Horsea: Okay.

Me: Now watch this one. Ready Solgaleo?

Solgaleo: Always ready!

I flared up aura and Sun Symbol appeared with Solgaleo.

Me: LETS GO! SEARING SUNRAZE SMASH!

Solgaleo turned into a FIERCE FIREBALL COMET AND ROLLED AND HE HIT SHERE KHAN AND EXPLODED WITH THE FLAMING FORCE OF A MASSIVE SUPERNOVA!

Shere Khan was REALLY BADLY BURNED!

Nico was in awe!

Poliwag: Again, I want to try one!

Me: We'll have to figure out what they are.

Zarya Moonwolf: But I do know what my Lycanroc's move is.

Lycanroc: Lets do it!

Shere Khan got hit by the shot and was hit in the arm!

Ratchet went after Shere Khan, and he fired extremely powerful blasts of golden yellow and orange, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, bolts, fire, flames, phoenix fire, phoenix flames, lava, magma, missiles, lasers, Lombaxes, phoenixes, and angels, and they exploded with incredible power as they hit him. Then, he proceeded to slash at him with his pike, and then, he threw Fusion Grenades at him that exploded as they hit them, and he also got out his other weapons and blasted him all over the place, and he even grabbed Shere Khan by the neck with his left hand and threw him into a wall. Shere Khan got back out, but he was badly mangled and really enraged.

But, then, we saw the blood red skies caused by Caleb's malice turn back to normal, but that was due to Alexander

Michaelson, and then, the skies turn midnight blue.

Alexander Michaelson: I have had it with you.

Suddenly, something within Alexander Michaelson's head snapped as the crimes of Shere Khan from The Jungle Book flooded his mind and his midnight blue eyes turned neon midnight blue and he was surrounded by a black and midnight blue, white, golden yellow, and blue energy aura with stars, aura energy, white, golden yellow, and blue heavenly flames, black and midnight blue dark flames, darkness, dark magic, black magic, Satanic Magic, wolves, phoenixes, and angels, and as he angrily approached Shere Khan, he left black and midnight blue, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, black and midnight blue dark flames, darkness, dark magic, black magic, Satanic Magic, wolves, phoenixes, and angels with every step.

Alexander Michaelson: I can't believe you were this much of a man-hating monster, Shere Khan, even the Shere Khan from Cape Suzette from the world of TaleSpin is disgusted by you same with my sister. At least, he has more manners and is more dignified than the likes of you!

Me: WHOA!

Rebecca Michaelson: Oh crap...! My older brother's getting extremely pissed off! Soon, he's gonna explode!

SUDDENLY, ALEXANDER MICHAELSON STARTED GETTING SUPER PISSED OFF AS HIS ENERGY AURA FLARES UP EVEN MORE AND HIS ABNORMALLY MASSIVE AND POWERFUL UPPER BODY AND LOWER BODY MUSCLES STARTED TO BULGE OUT EVEN MORE AND GROW MUCH LARGER!

Alexander Michaelson: I thought the world was finally rid of you, but it looks like I was wrong. Anti-Monitor had the nerve to bring you back from the dead which was a huge mistake, same with when he brought Scar back from the dead as well..., I'VE HAD ENOUGH OF THE LIKES OF YOU TO LAST A DAMN ETERNITY! THIS TIME, I'M GONNA MAKE ABSOLUTELY SURE THAT YOU STAY DEAD ONCE AND FOR ALL, SHERE KHAN! YOU WILL DIE BY MY HAND! (WOLF ROAR)

WE GASPED IN HORROR: ALEXANDER'S RAGE HAS BEEN LET LOOSE YET AGAIN!

Rebecca Michaelson: Oh no...!

Anna Anyanova: This is it!

SUDDENLY, AN EXTREMELY MASSIVE AND INCREDIBLY POWERFUL RAINBOW FIRE EXPLOSION BLASTED OUT OF ALEXANDER MICHAELSON WITH INCREDIBLY DEVESTATING AND UNBELIEVABLE FORCE! THE EXPLOSIONS WERE SO INTENSELY POWERFUL THAT EVERYONE IN 900,000,000,000,000,000 UNIVERSES FELT IT AND THEN, IT FORMED INTO A MASSIVE JET OF RAINBOW FIRE AND IT FLEW OUT OF THE INFINITELY VAST WEB OF GALAXIES AND FORMED INTO A POWERFUL RAINBOW FIRE PHOENIX, RAINBOW FIRE ANGEL, AND RAINBOW FIRE WEREWOLFAIRAN, AND THEY CRIED INTENSELY WITH AMAZING POWER, AND THEN, THE RAINBOW FIRE PHOENIX, RAINBOW FIRE ANGEL, AND RAINBOW FIRE WEREWOLFAIRAN, WENT BACK TO EARTH AND ALEXANDER MICHAELSON GAINED AN INTENSELY POWERFUL AND SUPERCHARGED ASTRONOMICAL POWER BOOST!

Suddenly, Alexander Michaelson let out a growl as his abnormally massive and powerful upper and lower body muscles covered in warm-colored brown fur bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, his midnight blue eyes remained the same, but they now had a golden yellow circle around them, his fangs then grew longer and his rows of straight teeth remained the same, his massive black angel wings and many sets of black angel wings underneath remained the same, his long brown hair going down to his upper back became wilder, and he let out a loud howl!

Finally, Alexander Michaelson screamed like an infinite-times fucked-up madman and he let out a loud howl as his energy exploded and he was surrounded by a massive vortex of black and midnight blue, white, golden yellow, and blue energy with stars, aura energy, white, golden yellow, and blue heavenly flames, black and midnight blue dark flames, darkness, dark magic, black magic, and Satanic Magic surrounding the vortex, there are wolves, phoenixes, and angels flying around the vortex, and in the vortex is a dark blue phoenix with red eyes glaring at Shere Khan: the blood red eyes of eternal death, eternal damnation, and eternal judgement as we saw heavenly lights shining down on the vortex.

Suddenly, Lincoln was surrounded by an immense orange and yellow aura with flames surrounding her and with wolves surrounding him as The Sun shined even brighter and heavenly lights shined down from Heaven.

Eli: He's about to use the fire elemental variant of The Atavism of The White Wolf of Amaterasu!

Lincoln: (Speaking in Japanese) 夏の炎と天空の炎に呼びかけ、この忌まわしき悪を討ち滅ぼし、永遠の破滅の地へと送り届けよ！祝福された者たちの魂よ、蘇り、強大な狼の姿を取り、罪人たちに

Let the souls of the blessed rise and take the forms of mighty wolves that bring the damned their eternal punishment and send him to the darkness of the Underworld forever! Let my song bring forth the judgement of The Heavens and send this abomination to his eternal resting place!)

Lincoln sang a heavenly song and let out a howl as immense light shined down from the sky, The Sun, and from the Heavens and flames formed behind Lincoln and formed into red wolves with glowing yellow and orange markings on their paws that look like flames and they ran at Shere Khan and attacked him with fierce fury.

Then, I held out my left hand and fired 999 massive balls of fire at Shere Khan, and they collided and exploded as they hit him, and I also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16 and the immense powers of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more along with the immense divine powers of The Gods and Goddesses of The Ancient World.

Lincoln also attacked him with his massive greatsword, and he mixed up his attacks with left hand punches, kicks, tail swipes from his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails, and they were more brutal than ever, and he let his massive white wolf with massive white angel wings companion also attack him too with incredible fury and he fired intense white fire and elemental blasts at him and they exploded with fiery and intense power.

Then, Lincoln fired 999 massive balls of fire from his left hand and they orbited around Shere Khan and they collided

Finally, Lincoln formed a massive blue fireball in his left hand and he threw it down, and it sunk into the ground unleashing a storm of lightning bolts and raging blue fire, and...!

When we are all different

But one and the same

Like starlight and moonshine

We all have our place

We can't make a rainbow without all the colors

And we can't make a friendship without one another

'Cause there is nopony quite like you

So let your magic run wild

Let your magic run wild

If you could only see everything you could be

You would spend your whole life shinin'

Let your magic run wild

Let your magic run wild

(Now it's the time to light up the sky)

Let your magic run wild

(Now it's the time)

Look at the night sky, filled up with stars

Each one is perfect, just as they are

But they're brighter together, each leaving their mark

So beautifully different, all lighting the dark

'Cause nopony sparkles quite like you, ooh

So let your magic run wild (now it's the time to light up the sky)

Let your magic run wild (now it's the time)

If you could only see everything you could be

Lincoln, Nico, and I attacked him with two powerful energy slashes, and then...!

Lincoln, Nico, and I: NOW, DIE AND ROT IN HELL FOREVER, SHERE KHAN!

Lincoln, Nico, and I did one final powerful energy slash that hit Shere Khan hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Shere Khan was on his last legs and he was really really mangled.

Then, Lincoln ran at Shere Khan and grabbed him by the neck with his left hand, and he began sucking out Shere Khan's High Intelligence, Intimidation, Brute Strength, Extreme Combat Skills, Sharp Teeth and Claws which made Lincoln's sharp teeth and claws even sharper than ever, Very High Speed, Extreme Durability, Agility, Stealth, Keen Senses, Enhanced Smell, Enhanced Hearing, Hunting Skills, Dexterity, Cunning, Manipulation, Climbing Skills, and Immunity to Kaa's Hypnosis assimilated by his natural Immunity to all powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln skinned Shere Khan alive and turned him into a Tiger Skin Fur Rug and banished his evil spirit to The Black Abyss. We cheered wildly as we holstered our weapons and powered down, and Alexander Michaelson's new body, clothes, weapons, jewelry, Third Eye, large brown wolf ears, massive and long brown wolf tail, large gold halo and large Amaterasu's Heavenly Mirror of The

Nico: That should do it, Shere Khan is finally gone forever, and we also met your Guardian Angel, Lincoln.

Lincoln: You sure did. Now, there's one last thing to do.

Then, Lincoln flew into the core of Cypressswampaira, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core and the planet itself into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo, smaller halo with intricate designs made of light and The Sun and The Moon in it, and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting Amaterasu's Heavenly Mirrors of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips of his large brown wolf ears, and the rainbow tips and rainbow flame patterns and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! Oh man, this feels even more incredible. RRGH!

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura and holy white aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space.

Then, he flew into Cypressswampaira's massive Sun and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo, second smaller halo with intricate designs made of light and The Sun and The Moon in it, and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips of his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla and he was sweating even more.

Then, we were back on Earth Omega.

Lincoln: Now, that was so incredible! (Flexes his massive arms and his massive biceps bulged even more with veins forming)(GROWLS) RRGH!

The noses of Lincoln's harem literally gushed out blood like a fountain, and they swarmed around him and they felt every last muscle in his body as he proceeded to do the bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure from their touches as they rubbed his massive pecs, biceps, forearms, legs, back, and twelve-pack abs.

Lincoln's Harem: (Swooning) So manly...!

Erosa Eroticaira: (Swooning) Oh my God, we never get tired of him doing bodybuilding poses and he's still such an absolute pro!

Suddenly, Lincoln pounced on his harem and he was on top of them.

Lily the Mermaid: Whoa...! (Thinking) Now, he's really REALLY AROUSED!

Then, he kissed all of them passionately on the lips as they engaged in a hot make-out session, and when they were done making out, the girls had massive atomic red blushes on their faces, hearts in their eyes, and their noses were gushing out blood like fountains!

Girl Jordan: And that much more passionate and even more hotter than ever.

We laughed!

Luna: I can't even keep count of the many times that's happened to Lincoln! He also came home with his nose gushing out blood like a fountain along with getting covered in kisses and his tails wagging.

Nico: That's happened before? That must've been some intense make-out sessions Lincoln's had.

May: Just like ours, and it always ends with him engaging in one intense session of lovemaking and sex!

WHOOSH! CLANG!

Lynn almost whacked her in the head with a baseball bat.

Lynn: I thought I warned you not to say that!

May: YIPE!

Nico: Maybe you shouldn't say that out loud especially in front of Lynn who's the most physically aggressive of Lincoln's sisters.

Lincoln: Lynn, put the bat down, otherwise, you're gonna have problems with Caleb again.

Lynn did so.

Nico: His spirit's gone. But his body is still intact. Perfect.

Me: Yep.

We got his body and then turned him into a Tiger Skin rug!

Me: There! Oh sorry Fluttershy. Sorry you had to see us do that.

Fluttershy: Oh it's okay guys.

Nico: Nice job, Feraligatr.

Feraligatr: Shere Khan's tail was tasty.

Me: Yuck.

Feraligatr: But thanks. That was fun.

Meowth: I'm just glad it wasn't a Snubble that came and bit me.

Me: Huh?

Ash: Oh we meta Snubble that belonged to a woman named Madame Muchmoney and it would chomp on Meowth's tail.

Me: OUCH! That is silly.

Me: Well let them come. They will die just like him.

Nico: Oh Arctiguana, what do you like to do in your free time?

Arctiguana: Oh I'm in charge of a ski resort and make snow for the land every winter whenever it doesn't snow.

Me: That is cool!

Arctiguana: It sure is.

Ash: Oh J.D. can you help us with something?

Me: What is it?

He handed me the G.S. Ball.

Me: Hmm. The G.S. Ball.

Ash: We never opened it!

Me: I think I know why.

Nico: Really?

Me: I interrogated a man named Pryce, one of the Indigo League Elite Four and probed his mind and found out that he made this ball from the powers of Lugia and Ho-Oh. And he used it to capture the legendary Pokemon Celebi.

Ash: (GASP) That ball had Celebi in it!?

Me:: It sure does. Maybe I can use my Rainbow Power to open it.

Nico: It's worth a shot. Go for it.

Me: Here goes. (Fire swirled behind me) I am the Champion of Friendship and Protector of the Earth and loved by all. When my Cutie Mark Comes to life, Fire and Justice brings evil to a fall!

Rainbow Fire and energy swirled around me and then it went into the ball and then...

POP!

IT OPENED!

Nico: IT WORKED!

Out came the Legendary Celebi!

Celebi stretched and came and hugged me.

Me: WOW! Celebi you are pretty.

Roxy: I have a Celebi too

Me: Yep.

Roxy's Celebi: Looks like we have an awesome new friend.

Me: Yep.

Ash: No wonder the ball wouldn't open!

Misty: It was reinforced with magic! No wonder!

Brock: Wow that is amazing!

Nico: WOW! Well done J.D.

Me: No problem. Now we should put the GS Ball somewhere safe.

Nico: In our vault.

Me: Good idea. And I see why it's called that. Because the top part is gold and the bottom part is silver. Hence why it's called the Gold and Silver Ball.

Ash: That is cool.

Qin: Yep.

I closed the ball and pocketed it.

Celebi was really happy to be out of that ball.

Me: Wait till we tell Professor Oak about what we found out.

Nico: So Pryce wasn't really a bad guy.

Me: No but messing around with Time Travel is just as dangerous. We had to learn that the hard way remember?

Nico: Yeah we sure did didn't we?

Nicole: Yeah.

Nico: Now for the Anothers.

Lincoln: (Sensed The Anothers) Ah, and the Anothers are coming.

Eli: (Sensed them) Lincoln's right, the Anothers are coming, and one of them is Another Baihumon.

Baihumon: Another Me, that must be someone whom I'd known from long ago.

Lincoln: We'll have to see who it is.

Me: It must be the third member of the Students of the Sovereign.

Baihumon: And I have a good idea I know who it might be.

Me: Yep. So we got Another Ice Dragon (Kirby's Dream Land 2), Scarlet Glaciator, Snowflake Obsidian, Espio Man, Fantomius, Scarlet Stormy Weather and Leopard Seal (Pebble and The Penguin) and that means Arctiguana, Grusha, Cryogonal, Glaceon, Ducklett, Dragonair and Dewgong are up.

Qin: Yep.

Nico: There they are!

We saw Another Scarlet Glaciator, Snowflake Obsidian, Espio Man, Fantomius, Scarlet Stormy Weather and Leopard Seal (Pebble and The Penguin)!

Nico: (SLURPS) I would love to eat Scarlet Glaciator!

Me: Nico I think that Ice cream he's made with is made of blood!

YUCK!

Nico: YUCK! That would be gross!

Another Scarlet Glaciator: (In a girls voice) (SNEEZES) Oh man!

Me: Uh oh!

She reverted back and it was the gene-slammer of Evil HERO Bubonic and she was REALLY SICK AS HELL!

Nico: (GASP) Billie Bubonic!

She was dizzy and wobbly and was sick as hell!

Me and Nico caught her and brought her over!

Me: Boy you look like shit!

Nico: Yeah!

I put my hand on her head and she was really hot!

Me: GEEZ! You have a really hot fever!

Poromon: No kidding!

Varie looked at her.

Varie: She has an eternal case of the cold and flu.

Me: Geez she is really sick as hell.

Billie Bubonic: (COUGH) No kidding and I hate it.

Me: You're in no condition to talk or do anything. But I guess it comes with being the gene-slammer of Evil HERO Bubonic.

Eli: I sense that the rest of the Anothers are friendly.

Me: You just rest up.

Lincoln: Yeah.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Spring abundant holoél

She glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books and purified them.

Me: YEAH!

Nico: And now, we wait.

Me: Yep. (LOUD FART) Oops sorry.

Nico: What did you eat?

Me: Hmm... steak and eggs and a big bowl of chief Wiggum's spicy chili. (BURPS) Excuse me.

Nico: Geez. Can't get enough of the stuff, can you?

Me: Nope.

Qin: I can tell.

Billie Bubonic coughed and gagged and sneezed hard.

Billie Bubonic: (GAGGING AND COUGHING!)

Me: Oh man! We better finish up here and get Billie to her room so she can rest up.

Nico: Or we could just teleport her back to the Estate

Me: That works.

We did so.

Me: Whew. Oh look!

We saw Another Ice Dragon and Baihumon!

Me: WHOA! This will be cool.

But then I felt something burn me.

Me: OW! What the?

I saw a Volcanic Rat brushing up against my leg.

Me: Hey look.

I picked it up.

Me: A Volcanic Rat. Aren't you a cute little fella.

Another Ice Dragon: (In a girl's voice) That's my Volcanic Rat friend, Tephra.

She reverted back and it was the gene-slammer of Volcanic Rat.

Nico: Talia Pelee!

Talia Pelee: Good to see you Nico. And Tephra is very friendly too.

Me: He sure is cute.

May: And a hot one.

Nico: And your friend?

Another Baihumon: (In a girls voice) Looks like the fun has started.

Baihumon: Brynja Baihu! I had a feeling.

She reverted back and was a girl with white hair and blue eyes and had white cat ears and white and purple clothes and had purple angel wings and had a white tiger tail and she had Byakko the White Tiger of the West on her arm as a cutie mark and had Baihumon on her clothes and on her forehead and had a tiger sword in her hand and she had a white sovereign aura.

Brynja Baihu: It's good to see you again Master Baihumon.

Baihumon: I'm just glad you are safe.

Me: You must be the third member of the Students of the Sovereign.

Brynja Baihu: That's right and it's an honor to meet you all.

Me: Same here.

Kaito: (Gets out Go Onger gear) Did Swartz promise you anything?

Zocks: (Gets out Gekiranger gear) Because we can grant it instead.

They got weapons from said teams.

Talia Pelee: No he didn't. Because Tephra here crawled in his pants and made him burst into flames. He got what I call a Kilauea Hotbutt. We used that time to run.

WE LAUGHED!

Sakura Knudson: That explains why I found him on fire and we had to put him out.

Me: Geez! I can see why.

Qin: Yep.

Sougo: (gets out RPM Ridewatch) We have one more Sovereign Student left.

Geiz: (gets out Gekiranger Ridewatch) I think I know which one it is

Sougo got RPMRedArmor while Geiz got JungleFuryRedArmor.

Ebonwumon: (Irish Accent) That's me lads.

Me: 2 actually. If there is another one. Ebonwumon and then Huanglongmon.

Sougo: Oh I forgot about Huanglongmon. Maybe we can encounter that one on one of the Mascots funny shenanigans.

Brynja Baihu: That would be cool.

Me: Yep. Lets separate you girls first.

We did so.

Me: Lets dance.

Nico: (GETS OUT ICE DRAGON'S RIDEWATCH) ICE POWER!

May: (GETS OUT SNOWFLAKE OBSIDIAN'S RIDEWATCH) CRYSTAL POWER!

Universe 666 May: (GETS OUT ESPIO MAN'S RIDEWATCH) PSYCHIC POWER!

Maria (GETS OUT SCARLET STORMY WEATHER'S RIDEWATCH) RAIN OF BLOOD!

Grusha: (GETS OUT SCARLET GLACIATOR'S RIDEWATCH) ICE CREAM OF BLOOD!

They used the powers of Ice Dragon (Kirby's Dream Land 2), Scarlet Glaciator, Snowflake Obsidian, Espio Man, Fantomius, Scarlet Stormy Weather and Leopard Seal (Pebble and The Penguin) and blasted them all over the place.

Me: Take that!

Poromon: YEAH!

Then Rajang, Chameleon Bot, Lightning Angler, Denki Gamma, Totem (Mega Man) and Wheel Totem (Mega Man) came.

Me: WHOA!

Nico: Nice team Rajang!

Rajang: Thanks Nico!

Me: ELECTRIFYING! And Chameleon Bot it's awesome you are in this team.

Chameleon Bot turned into General Deathgiller!

Eli: WHOA! General Deathgiller from the Goggle-V series!

Me: That was back in 1982!

Chameleon Bot (as Deathgiller): See how dangerous I can be outside a Xiaolin Showdown?

Me: You sure can!

Jack Spicer: I built you really well with amazing skill.

Chameleon Bot: You sure did.

?: That is awesome!

Out came Elemental HERO Voltic!

Me: Whoa! Elemental HERO Voltic! Electrifying!

Jaden: Sweet!

Elemental HERO Voltic: (In a girls voice) Lets make this shocking!

Nico: Vierra Voltic! Wow!

She reverted back.

Vierra Voltic: Good to see you Nico. I got this. VOLTIC THUNDER!

She fired a massive blast of lightning and blasted the Anothers and they exploded! I caught the Ridewatches and purified them.

Me: They that!

Nico: Nice job!

Vierra Voltic: That was fun!

Me: It sure was!

Grusha: Do you have a good memory of Nico?

Vierra Voltic: Believe it or not my favorite memory is when me and Nico were watching Pokemon, and we laughed our heads off when Misty called Jessie old and she was REALLY

PISSED! It was during the time they were at Evolution Mountain. (To Jessie) Isn't that right you old hag!?

Jessie: (Enraged) WHAT!? DID YOU JUST CALL ME!? (GROWLS IN FURY AND RAGE) (ROARS AND BREATHES OUT FIRE!)

Meowth: (SCREAMS) JESSIE JUST EVOLVED INTO A FLAREON!

Poliwag: You shouldn't have said that!

Vierra Voltic: You think I'm scared of her Poliwag?

Poliwag: I guess not.

Jessie went at her.

POW!

Vierra punched her in the face with a lightning covered fist and then...

ZZZZZZZZZZAAAAAAAAAAAAAAAAAAAAAAAAAPPPPPPPPP!

JESSIE SCREAMED IN PAIN AS SHE WAS ELECTROCUTED WITH OVER 100,000,000,000 VOLTS OF ELECTRICITY!

Ed: ZAPPITY ZAP ZAP!

She was burned to a crisp!

Me: That had to hurt! But some habits die hard.

Nico: Too true.

Nico and Vierra hugged.

Nico: I've missed you.

Vierra Voltic: Same here.

Me: That was a nice punch though.

Vierra Voltic: Thanks.

We went back home.

Manhattan, New York, and not only is Lincoln going to rescue the nine girls here, but we're in for one massive revelation when we discover another secret about Caleb Maxwell. It turns out he, his mom, Marlene Maxwell, his two brothers, Tyler and Alexander Maxwell, and his younger sister, Allie Maxwell, and their relatives on his mom's side weren't the only humans who were destined to be welcomed into the world of the vampires from the comic Nightshift. There are other humans from some of the major cities in The U.S. who were also welcomed into the world of the vampires, and they shared a common connection: just like Marlene Maxwell's grandparents, their grandparents had saved one of the vampire elders from the evil wrath of Marcus Maxwell's scumbag relatives, and were well-known for their compassion and determination to help others regardless of who they are and know when to spot evil when they see it.

For this rescue, we're heading to Manhattan to meet up with an ally of Lincoln's, his name is Trevor Andrews, and he possesses the same powers as Caleb Maxwell, but unlike with the dark events that left dark scars on Caleb, Trevor Andrews had a good life, but when he was 18 years old and in his final year in high school, Trevor Andrews almost got attacked by Drake Maxwell, Caleb's ex younger brother and absolute bloodthirsty thug, that was until Timothy Maddock saved him and drove Drake away. Then, he found out about Trevor Andrews and he knew Trevor's grandparents had saved one of the elders from an attack by Marcus Maxwell's parents back in 1949. The vampire soon told him about his family's connections with the vampires and of the dark story of Caleb Maxwell from his happy childhood to an early age to a fall into darkness because of the cruelty of Drake Maxwell which led to Caleb's murder at his hands on October 31st, 1985 and his resurrection thanks to Lincoln's Dark Side Eternal Purification in their world in 1993. Trevor

Andrews then asked to do the blood exchange with Timothy Maddock which he agreed to, and Trevor Andrews had transformed in the same way Caleb did becoming a powerful force of dark justice even during the midst of Caleb's murderous spree of revenge.

We're gonna be meeting up with Trevor Andrews, but then, we're going to hunt down our next targets whom Trevor was also hunting: Nico, the deadly murderous female assassin from Dead Or Alive, A.K.I., the sadistic assassin and apprentice of F.A.N.G. and master of poison from Street Fighter 6, and F.A.N.G., the sadistic poisoner and assassin who once served M. Bison from Street Fighter 5, and we're gonna make sure they never kill again by giving them a taste of their own medicine and end them.

We had all of TLPS and The M.O.E. with us.

Lincoln: Ah, we're here in Manhattan, New York, and I know what we're going to do here, not only am I going to rescue the nine girls here, but something tells me we're going to be in for a massive revelation, and it has to do with Caleb Maxwell.

But, then, we saw the mark on his right arm: it's a black vampiric cross, the same as Caleb's mark and on his friends.

Amihan Frostine: Trevor Andrews, I knew it had to be you.

Me: You know him, and that means, Lincoln also knows him too.

Lincoln: That's right.

Amihan Frostine: Yes, that's also true as well, this is Trevor Andrews, he's an ally of Lincoln and all of us, and he has all the same powers as Caleb Maxwell before and after his transformation, but unlike with the dark events that left dark scars on Caleb, Trevor Andrews had a good life, but when he was 18 years old and in his final year in high school, Trevor Andrews almost got attacked by Drake Maxwell, Caleb's ex younger brother and absolute bloodthirsty thug, that was until Timothy Maddock saved him and drove Drake away.

Michael: Then, when Trevor Andrews introduced himself, Timothy's mind flashed back to the day he met Trevor's grandparents who saved one of the vampire elders from an attack by Marcus Maxwell's parents back in 1949, three years after Caleb's grandparents on his mother's side saved one of the vampire elders from an attack by Marcus Maxwell's parents.

Timothy Maddock: After Drake was driven away, I saw the mark on his right arm, and he saw who I really was, and I told Trevor about his family's connections with the vampires and the dark story of Caleb Maxwell from his happy childhood to an early age to a fall into darkness because of the cruelty of Drake Maxwell which led to Caleb Maxwell's murder at his hands on October 31st, 1985 and his resurrection thanks to Lincoln's Dark Side Eternal Purification in our world in 1993. Trevor Andrews then asked to do the blood exchange with me which I agreed to, and Trevor Andrews transformed in the same way Caleb did becoming a powerful force of dark justice even during the midst of Caleb's murderous spree of revenge.

Super Brother: I had no idea there were others like Caleb who are part of the world of the vampires of your world, Timothy.

Trevor Andrews: Only on rare occasions do a few chosen humans join.

Michael: But, only on rare occasions do we come across a few humans who showed compassion not only for their fellow humans, but also, for vampires as well.

Trevor Andrews: Right. Anyways, now that you guys are here, we got a problem.

Trevor Andrews took out three photos of two women and one man, but when we saw them, Lincoln's future wives and Nicole knew them all too well.

Ayane: The blue-haired woman, that's Nico!

Nicole: From Dead or Alive, oh man, she's bad news! She's a deadly murderous female assassin.

Nico: We may share the same name, but you're right, she's bad news especially if she's a deadly murderous cold-blooded assassin.

Juri Han: The second woman is A.K.I., she's a sadistic and crazed assassin and an apprentice of F.A.N.G.

Nicole: Making her a master of poison, and speaking of poison, I can't believe F.A.N.G. is back for more.

Lincoln: Well, I've had enough of all three of them. Time we gave them a taste of their own medicine.

Arctiguana: Then, we'd better get going if we want to catch those three killers.

Nicole: Those three are dead when we catch them.

We got a move on, and there we found Nico, the deadly murderous female assassin from Dead Or Alive, A.K.I., the sadistic assassin and apprentice of F.A.N.G. and master of poison from Street Fighter 6, and F.A.N.G., the sadistic poisoner and assassin who once served M. Bison from Street Fighter 5, and they were poisoning people already and laughing at their suffering.

Lincoln: Filthy animals, I've had enough of them.

Suddenly, Lincoln fired blasts of glowing healing water which hit the poisoned people and purged the poison from their bodies, and they hit Nico, A.K.I., and F.A.N.G., and washed off all the poison they coated their hands in and destroyed it.

Eli: Whoa! What was that?

Lincoln: That was also from the time I traveled back 2,000 years ago to Ancient Greece. After I took down The Sirens, I was suddenly brought to the sacred springs and rivers, and I was then pulled into its waters, and then, I was then forced to lie down as my body stayed buoyant above the water. But, then, I felt the water flooding my body and cleansing me of the stress and darkness brought on by the cruelty I had to endure because of Dark Chase Young's schemes. Then, I felt a divine power flood my body as well and it showed me of what I was destined to become: a powerful true immortal, a true God among men, and a great hero fighting against evil.

Nicole: I remembered in history class that sacred springs and rivers throughout Ancient Greece were revered as sources of divine power, and are associated with healing, prophecy, and religious rituals, and the waters were often linked to specific Gods and mythological tales and have played a crucial role in everyday life and the ancient Greeks' spiritual practices.

Lori: That's why we felt you were more lighter and more powerful than ever after you came back.

Lincoln: And it's not just that, but I'd also been to other sacred springs around the world, and I also gained glowing healing water powers and my purification powers were greatly enhanced infinite-fold along with my other powers eight years ago.

Luna: We'll talk about that later. Right now, we got three assassins to deal with.

We landed, and we saw how pissed off Nico, A.K.I., and F.A.N.G. were.

Nico (Dead Or Alive): How dare you get in our way, Team Loud Phoenix Storm! You will die for this!

Let's get them!

Lincoln, Super Brother and his harem and sisters and team, Robin Hood, Alexander Avalon, Ricky, Rufus, Margie, Sherlock Hound, Skippy the Bush Kangaroo, Red Savarin, Rayman, Juniper Lee, Von Lycaon, and Sly Cooper went after the assassins, and they fired extremely powerful blasts of rainbow, green, royal blue, royal red, royal green, black and blood red, red and yellow, purple and red, magenta and pink, white and black, blue, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, nature, leaves, darkness, dark magic, black magic, Satanic Magic, fire, flames, lightning, snow, ice, snowflakes, ice crystals, kangaroos, wolves, witches, ogres, raccoons, devil hounds, demons, devils, owls, foxes, phoenixes, and angels, and they exploded with incredible power as they hit them. Then, Von Lycaon and Skippy the Bush Kangaroo punched them hard with their gauntlets and kicked them with their greaves and they got hit hard, and Red Savarin slashed at them with his massive greatsword and shot them with bullets and stun blasts and Sly Cooper whacked them hard with his new cane, same with Alexander Avalon, Ricky, Rufus, and Margie when they hit them on the head with a swing of their staffs.

Then, Skippy balanced himself on his tail and delivered a hard kick to the assassins, and they screamed in agonizing pain.

Lincoln continued smashing the assassins hard with his extremely massive godly superhuman strength, and they're no match due to Lincoln's extremely incredible godly superhuman speed and reflexes overpowering them and he even attacked them using the immense power and abilities of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more and the immense divine powers of The Ancient Gods and Goddesses, and we did the same as well.

Varie: UNREAL! Our speed and reflexes are still even faster than ever!

May: We can't keep track of our own movements and we're even more stronger than ever! Look at how we're continuing to smash them all over the place!

Qin: The assassins don't stand a chance due to Lincoln's rapid evolving and extremely incredible godly superhuman speed and reflexes overpowering them, now they're at the mercy of The True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid Angel of Gotham Royal York.

Luna: Along with J.D., Nico, Ymir, Camie, and Eli and all of us.

Then, Lincoln fired blasts of elements and energy at the assassins and they got beaten up real good and they were mangled!

Then, Andre Lupescu shot at the assassins, then Andre Lupescu slashed at them with his massive greatsword, same with Abaddon Aeternus doing the same thing to them.

Lincoln: That's true, and not only did we gain a new member for the team, but we got rid of those three murderers once and for all.

?: Aw, I missed out on the fight.

Then, we saw a beautiful girl who was tall at 250'11" in height, she has the body of a goddess and large breasts, long marine blue hair with marine blue flower in her hair, blue eyes, massive blue angel wings, she has The Ice Barrier Frost Masters of Loyalty symbol on her right arm and the pendant on her necklace, The Ice Barrier Crest on her forehead, and Trishula, Zero Dragon of The Ice Barrier on her ice blue skirt, marine blue short-sleeved blouse, ice blue sleeveless midriff top with Trishula, Zero Dragon of The Ice Barrier on it, marine blue bridal gloves, marine blue stockings, marine blue knee-high boots with butterfly buckles, long white sleeveless trenchcoat with stars, snow, ice, snowflakes, ice crystals, phoenixes, and angels on the coattails, and on the back is Trishula, Zero Dragon of The Ice Barrier, and she has an ice greatsword, and with her are the nine girls.

Lincoln: (GASPS) Aneira Frostine, Avatar and Gene-Slammer of Trishula, Zero Dragon of The Ice Barrier.

Aneira Frostine: That's right, and I got the girls away from those heartless murderers, and I even threw an icicle at their legs.

Roxy Drake: Classic move, you did that when you threw that icicle at Caleb when he went insane.

Lincoln: And used it on Flip when he tried to kill us again, honestly, it should've frozen Flip into an ice statue forever. (To Aneira Frostine) And it's so good to see you again, Aneira.

Aneira Frostine: You too, Lincoln, it's been eight years since we last met, but wow, you've really grown that much.

Suddenly, Aneira Frostine had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Aneira Frostine was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent)(Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Aneira Frostine: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Aneira Frostine's waist and hugged her, and Aneira Frostine was very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head,

999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, thick brown goatee on his chin, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you two since you were seventeen, and as you can see, I really grew a lot since then.

Aneira Frostine: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, perhaps even bigger and stronger, you've really grown a lot from the cute eleven-year-old little boy into a 950'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath your enormous white angel wings, that's so awesome, and the large brown wolf ears on your head and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame

around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same true immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Anna Anyanova: And so do we, this is Aneira Frostine, Avatar and Gene-Slammer of Trishula, Zero Dragon of The Ice Barrier, she's Lincoln's Guardian Angel from New York, she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Trishula, Zero Dragon of The Ice Barrier. She's the second-in-command of The Ice Barrier

Frost Masters of Loyalty, a group of loyal girls who are the Avatars and Gene-Slammers of The Ice Barrier Duel Monsters and they're born with superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and their goal is to protect and defend Lincoln from his enemies, and they are the most loyal of Lincoln's Guardian Angels, and they would never ever betray Lincoln, his friends, and his family, nor their own, and they hate people who betray others for their own personal gain, and they've punished Lori, Lynn, Lola, Lisa, and Luan in the most fiercest way possible many times for their treacherous actions and murderous schemes against Lincoln. Aneira Frostine moved to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Trishula, Zero Dragon of The Ice Barrier, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Cryokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Trishula, Zero Dragon of The Ice Barrier, and Lincoln was already born with immortality and invincibility, and she also helped him grow and seriously bulk up in muscle mass and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really grow and bulk up even more in muscle mass and she also helped him grow in intelligence, power, and knowledge. Lincoln made her an ice greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lana, Alexis, and May a lot in using the powers of ice, and what many of us didn't know was that Aneira Frostine knew Roxy Drake in her world before it merged with our world because she was an old friend of hers, and she knew of what she went through: her discovery of her dad being the leader of The Big Claw Gang long ago when she was a child, and Aneira also saw what happened to Roxy's mom when she was killed by Claw Dane Drake in an argument and that she'd been digging into him. Plus, she'd also found out that Carla Claw was actually Carla Drake, Roxy's twin sister who wasn't dead, but was alive the whole time. Aneira shared that info with Roxy, and she was hit with that painful revelation, and Aneira has also dealt with Caleb before when he returned in 1996 and transformed along with going on a very murderous rampage when his demonic hate turned him into a demon from Hell.

Me: I was surprised finding out that you're friends with Roxy Drake and how you helped her with the situation with the investigation into Claw Dane Drake and Carla Claw also known as Carla Drake.

Aneira Frostine: That's right, and from what I heard from informants, Claw Dane Drake did repent for the death of your mom, Roxy, and I'd also dealt with Caleb when he turned into that demon from Hell when he gave into that hatred in 1996.

Lincoln: That was due to Dark Sebastian's insanity, and Mad Cat Max beat him down and when the sun rose, he was freed from that curse, and James Blunt severed the final toxic ties to his heart and his nightmares finally came to a permanent end, and now that you're here, Aneira.

Lincoln with his massive muscular arms still wrapped around Aneira Frostine's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and

rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Aneira Frostine: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Aneira Frostine with marine blue gems on the gold lightning bolts and marine blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and a rainbow Thunderbird wedding ring on her left pinkie.

Aneira Frostine: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Aneira Frostine.

Aneira Frostine had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Aneira Frostine's waist, and he leaned down to her face and kissed her on the lips, and with Aneira Frostine's hands still on his massive hairy pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Aneira Frostine had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Aneira Frostine: (In Heaven) My God. And Lincoln, tell the guys to run to their rooms, the nine girls I rescued are...!

Red Savarin and Travis Tackett: GUYS, YOU KNOW THE SIGNAL! MOVE!

We ran into our rooms leaving Lincoln, Nicole, and his harem, then they went up to the nine girls, and when Lincoln saw them, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the nine girls are Aisha, Sif, Claudia, and Barbara from Romancing SaGa and Mai Otonashi, Rina Godai, Sayuri Ichinose, Nozomi Mitaka, and Nanase Nikaidou from Turkey!

Lincoln: Oh whoa, it's Aisha, Sif, Claudia, and Barbara from Romancing SaGa and Mai Otonashi, Rina Godai, Sayuri Ichinose, Nozomi Mitaka, and Nanase Nikaidou from Turkey!

Nicole: Uh oh, Red and Travis were right telling the guys to run. These girls are really cute.

Lincoln: And they're easy targets of those who'd want to hurt them and kill them, which I'm not going to allow not unless they want to be put in a coma. Are you girls okay?

Aisha: Yes, we're okay thanks to you.

Then, when Aisha and the other eight girls saw who it was that saved them from Nico from Dead Or Alive, A.K.I. from Street Fighter 6, and F.A.N.G. from Street Fighter 5, their faces turned atomic red and their noses gushed out blood upon seeing the 950'11" tall, handsome heartthrob hulking wolfman with abnormally massive and powerful upper and lower body muscles covered in warm brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle with beard stubble on his jawline and thick brown goatee on his chin, long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long rainbow hair, large brown wolf ears with rainbow markings and rainbow flame patterns on top of his head and large gold halo with embedded gems shaped like The Elements of Harmony and below the gem shaped like The Element of The Magic of Friendship is a gem shaped like The Crystal Heart and a ring of hands made of gold around it with colored gems in the palms and around the ring of hands made of gold is a ring of fire with spikes made of gold resembling The Sun with four gold wolf heads: two on the left and right and two on top and the bottom in the center behind his head and second smaller halo with intricate designs and The Sun and The Moon in it and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with a wolf howling at The Sun and Moon surrounded by images of gods and beasts from Chinese and Japanese myth on the reflective side and on the back of the large mirror is The Black Tortoise of The North, The Vermillion Bird of The South, The Azure Dragon of The East, and The White Tiger of The West accompanied by The Qilin, The Fenghuang, Yinglong, and The Spirit Turtle surrounding a Yin-Yang symbol with gold sun ring-shaped frame around the mirror and embedded colored gems behind the large gold halo and four large orbiting gold rings on each corner with embedded gems shaped like The Elements of Harmony and below the gems shaped like The Element of The Magic of Friendship are four gems shaped like The Crystal Heart and four rings of hands made of gold with colored gems in the palms around them and around the rings of hands made of gold are four rings of fire with spikes made of gold resembling The Sun with four gold wolf heads: two on the left and right and two on top and the bottom and four large orbiting Amaterasu's Heavenly

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally

massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Sif: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, nine Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Aisha, Sif, Claudia, Barbara, Mai Otonashi, Rina Godai, Sayuri Ichinose, Nozomi Mitaka, and Nanase Nikaidou with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: That was one brutal and bloody battle we had.

May: And we killed those three cold-blooded killers from the pasts of some of the members of the team.

Lincoln: They tried to cause havoc once more, but my surprise dealt them a nasty blow.

?: Using glowing water attacks from when you went to the sacred springs in Ancient Greece after you took down The Sirens, I knew you were going to use that.

Suddenly, we saw a beautiful girl who was tall at 250'11" in height, she has the body of a goddess and large breasts, tanned skin, long dark blue hair, dark blue eyes, silver colored angel wings, she has a silver greatsword in her right hand, and she has on a silver-colored two-piece bikini.

Lincoln: (GASPS) Elenas Mercuryaira, Queen of The Mercuryairans of Planet Mercuryaira.

Nico: No way, the only Mercuryairan that only you know, Lincoln.

Lincoln: That's right.

Anna Anyanova: And we also know her too, this is Elenas Mercuryaira, Queen of The Mercuryairans of Planet Mercuryaira, she's Lincoln's Guardian Angel from Planet Mercuryaira, a planet of endless quicksilver, mercury, and water inhabited by powerful warrior angels known as The Mercuryairans, the males who'd spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters, but they also had vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense superhuman strength, regeneration, superhuman durability, immense virility, superhuman senses, superhuman speed, superhuman endurance, and immense omnipotent powers of quicksilver, mercury, and water, she's The Queen of The Mercuryairans of Planet Mercuryaira, and she's also far more powerful than her own people: in addition to being a natural born fighter and having vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense superhuman strength, regeneration, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of quicksilver, mercury, and water times infinity, and the ability to grow even stronger, but she was also born with angel wings, vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense superhuman strength, regeneration, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of quicksilver, mercury, and water times infinity, and like with Almightairaira, her people drove off the Infernairans, and they had the dream: when The Reincarnation of Amaterasu was forever purified, the Mercuryairans would send a message to him in a dream inviting him to Mercuryaira where he would also meet The Mercuryairans and when he'd arrived, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the septillions of trillions of male Mercuryairans into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense superhuman strength, regeneration, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of quicksilver, mercury, and water times infinity, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb Mercuryaira and its core into his body and Mercuryaira's Sun into his body to preserve their legacy. Elenas Mercuryaira came to Earth and Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the immense powers of immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense superhuman strength, regeneration, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of quicksilver, mercury, and water times infinity, and the ability to grow even stronger, and all the powers of her people, and over time, Lincoln gained even more immense superhuman strength, immense regeneration, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of mercury, quicksilver, and water times infinity, and the ability to grow even stronger, and the ability to grow even stronger, and all the powers of

The Mercuryairans times infinity, and he was already born with immortality and invincibility and his powers also grew infinite-times stronger, and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew when it came to fighting and she also gave him the power to grow even stronger, along with even more incredible powers from the deities her people worshipped along with infinite levels of virility and male fertility, but it made his already massive and godly superhuman strength even more massive than ever, and she knew that Lincoln had undergone the rite of The Reincarnation of Amaterasu absorbing the septillions of trillions of male Steelairans gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense superhuman strength, immense regeneration, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of quicksilver, mercury, and water times infinity, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, Lincoln absorbing Mercuryaira and its core and Mercuryaira's Sun into his body to preserve their legacy. Lincoln made her an awesome greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's enemies with a blazing passion, and she swore to end their lives by injecting liquid quicksilver into them causing them to die horribly from mercury poisoning.

Me: That's incredible.

Elenas Mercuryaira: Thanks, and I know last night, Lincoln had undergone the rite of absorbing the septillions of trillions of male Mercuryairans along with my father into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of mercury, quicksilver, and water times infinity, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally absorbing Mercuryaira and its core and Mercuryaira's Sun into his body to preserve their legacy.

Arpina Infernaira: That's right.

Me: Wait, you also included immense virility and fertility as well? That means...!

Elenas Mercuryaira: We knew Lincoln's quite the virile stud since he was born with hyperpuberty, and the genes of his parents and his own extremely high virility, fertility, testosterone, extreme levels of libido, and excessive sex drive, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes and constant years of training, he gained the powerful and massive body that all bodybuilders could only dream of: the body of all the male Gods and the ancient male warriors of ancient times and bodybuilders of history combined, and that along with his personality, gentleman nature, and noble heart, he'd attracted tons of girls, and every lovemaking session he has with his harem, his future wives winds up getting impregnated by him in less than a second, and it doesn't take long for the effects of pregnancy to kick in, which are much faster than ever.

Rita: We had no idea about it before. But, during Lincoln's check-ups with Dr. Feinstein, he did show us all of what you just told us.

Nico: Wow...!

Elenas Mercuryaira: I know that shocked you all especially Regina's journal about Lincoln's health reports, but everything I told you is all true, and it's good to see you again, Lincoln, but wow, you've really grown a lot in height and muscle mass since last I saw you.

Suddenly, Lincoln pinned Elenas Mercuryaira to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,9

99,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Elenas Mercuryaira with dark blue gems on the gold lightning bolts and dark blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up as he sat on the couch and he kept her close to his body as she took the time to rub his massive hairy pecs, twelve-pack abs and his massive muscles.

But, then, Lincoln felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura exploded even more with power, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Eli: What's this?! Lincoln's power is rising even more.

Elenas Mercuryaira: That's my special gift to him: Mercuryaira's Blessing of Divine Quicksilver Water Power Justice, and each Forbidden Zone Planet Queen have given him our individual blessing when he fed on our blood. (Still rubs Lincoln's massive pecs) And who could've guessed the 11-year-old boy I met long ago would grow up into a 950'11" extremely tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs with enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln let out a wild growl as he wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Elenas Mercuryaira: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Shanan: Oh crud, I also forgot Mercuryairans both males and females are extremely passionate when it came to sex and lovemaking.

Lily the Mermaid: Ooh boy.

After Lincoln and all of us killed Nico, the deadly murderous female assassin from Dead Or Alive, A.K.I., the sadistic assassin and apprentice of F.A.N.G. and master of poison from Street Fighter 6, and F.A.N.G., the sadistic poisoner and assassin who once served M. Bison from Street Fighter 5 and sent them to The Black Abyss forever, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well and we were really sweating up a storm, and when Aneira Frostine saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and he was sweating up a storm, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Aneira Frostine: My God, I was right that Lincoln's really grown into a 950'11" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 999 septillion-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend

us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Aneira, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Aneira Frostine: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Aneira Frostine: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,0

And when Super Brother's harem saw Super Brother doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and he was sweating up a storm, they had an atomic red blush on their faces, hearts in their eyes, and their noses were really gushing out blood.

And when Nico's harem saw Nico doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous yellow angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large yellow angel wings underneath his enormous yellow angel wings and he was sweating up a storm, they had an atomic red blush on their faces, hearts in their eyes, and their noses were really gushing out blood.

Suddenly, a bright light descended on Earth Omega, and as the light faded, we saw the world where Setsuna, Shiki, and Tamaki has merged with Earth Omega.

Setsuna: Oh wow, our world, it's merged with Earth Omega.

Lincoln: Incredible.

Me: But, we haven't gone to your world before.

Nico: That's true, but either way, it's good that your world has merged with ours.

Tamaki: This is true, however, we have to be aware this is also another sign of what's going to happen in the future.

Eli: You think another evil from the past is going to return?

Maria: With what we've been dealing with, that's got to be the case.

May: Whoever we face, we'll be ready for them.

Nico: That's for sure.

We got a shower, and then, Lincoln, Tock, Vernal, and Bo are heading to Emerald Coast, and joining them are the rest of his harem.

Lincoln snapped his fingers, and the 950'11", handsome and extremely muscular wolfman had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Tock, Vernal, and Bo and the rest of Lincoln's harem were dressed in colored two-piece bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Tock, Vernal, and Bo had feelings for Lincoln, and Lincoln also had feelings for them too, and he saved them from a group of musclebound thugs and he sucked out all of their muscle mass, virility, testosterone, strength, and energy which killed them all.

Vernal: Wow, we're here in Emerald Coast, it's so beautiful.

Lincoln: You said it, Vernal, and it's perfect for our first date. Shall we?

Lincoln, Tock, Vernal, and Bo and the rest of his harem dived into the waters and they began swimming and they also saw the marine life living there, and then, they came back to the beach, and Tock, Vernal, and Bo, and the rest of his harem also gave Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, Lincoln did the same thing giving Tock, Vernal, and Bo and the rest of his harem a deep tissue massage, and when he was done with that, they were relaxed Then, they had an awesome game of volleyball, and they went to a workout area Lincoln created, and Tock, Vernal, and Bo and the rest of Lincoln's harem got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift massive 999 Septillion ton-lb barbells Lincoln summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his extremely massive muscles.

Lily the Mermaid: (Swooning) My God, Linky's still such a handsome and manly wolfman hunk.

Suddenly, they saw Carcharoth and The Shade of the Wolf coming after them.

Anna Anyanova: Oh no, Carcharoth and The Shade of the Wolf.

Lincoln: What the?! I got them.

Lincoln went after Carcharoth and The Shade of the Wolf and he morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of Carcharoth and The Shade of the Wolf and he began absorbing them and he assimilated Carcharoth's Brute strength, and his Teeth and Claws were assimilated and made Lincoln's canine fangs and claws sharper than ever, and The Shade of the Wolf's Cryokinesis, Giant Size, Necromancy, Regeneration, Speed, Superhuman Strength, and Superhuman Durability, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH!

Then, when Lincoln was done and the stingers changed back, Lincoln's rainbow, white, golden yellow, and blue energy aura flared up even more with elements around him and Lincoln sucked out the last of Carcharoth and The Shade of the Wolf's energy and they were sent to The Black Abyss, and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a Alpha Male gorilla and fire exploded out of his massive biceps and muscles and he generated wind gusts from his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and cooled down his harem.

Then, they had some lunch, and then, as the sun was about to set, Lincoln went up to Tock, Vernal, and Bo and the rest of his harem and he hugged them in his abnormally massive and powerful muscular arms, and Tock, Vernal, and Bo and the rest of his harem placed their hands on Lincoln's massive hairy pecs, but Lincoln wasn't done.

Then, Tock, Vernal, and Bo and the rest of his harem were lying down on a massive beach towel with Lincoln on top of Tock, Vernal, and Bo and the rest of his harem.

And then, Lincoln shared a passionate and romantic kiss with Tock, Vernal, and Bo and the rest of his harem and Lincoln slowly sank his fangs into their right trapeziuses and he began feeding on the blood of Tock, Vernal, and Bo and the rest of his harem, and Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln and I slowly unlatched our fangs from the right trapeziuses of our harems as they healed and the puncture marks sealed up, and we also kissed where we bit them. We came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Nico: (Whistles) Wow, it looks like you really had a good time at Emerald Coast, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Tock, Vernal, and Bo with colored gems on the gold lightning bolt links and colored crystal links and jade beads from their Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with three white and gold accented Elemental Thunderbird Chokers of Eternal Love appearing on their necks and three rainbow Thunderbird wedding rings on their left pinkies.

Lily the Mermaid: And now, Tock, Vernal, and Bo are in your harem, Linky.

Tock, Vernal, and Bo showed the marks on their right trapeziuses Lincoln made.

Jenna: We had trouble though.

Lincoln: Unfortunately, we did. Carcharoth and The Shade of the Wolf came after us!

EVERYONE GASPED!

Nico: Oh shit!

Lincoln: Don't worry, I used my Cell stingers and absorbed them and assimilated all of their powers and abilities, and I sucked out the last of their energy and sent them to The Black Abyss.

Me: Smart move.

Lily the Mermaid: But, our date went smoothly, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted massive 999 septillion ton-lb barbells he summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999,999,999,999,999,9

99,999,999,999 massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his enormous angel wings had spread out and they generated a cool breeze cooling us down and fire and wind exploded from his massive biceps and muscles.

Serena Logan: Lincoln really got that confident and bold, we really made him into a really strong and powerful manly wolfman.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know, we made a clone of that mutant.

Lincoln: That's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells to get his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings even stronger than ever, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and

999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his enormous white angel wings.

Same with Super Brother doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells to get his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings even stronger than ever, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his enormous white angel wings.

Lincoln: We don't have long before our next mission starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift an extremely mountain-sized massive 999-septillion ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

Me: Yep.

Lillie: I agree too.

Snowy agreed too.

Ymir: Yep and Lillie your Alolan Vulpix is really cute.

Lillie: Her name is Snowy and I hatched her from when she was an egg.

Me: It's true.

The mascots were heading out.

Lillie: Have fun as security.

Poromon: We will.

Me: Mind if I come with?

Poromon: Sure.

Me: Awesome!

Nico: Go get them.

We were off.

We arrived at Wayne Tech Industries.

Me: If I know the Jokerz, they will go after Bruce since he is the Joker's archnemesis before we killed him.

Poromon: I have that same feeling too.

Baihumon: Let's eat snacks while we're here

Me: Good idea.

I pulled out some fish ball dumplings.

Me: These were made by James.

I ate some and then...

THERE WAS A MASSIVE EXPLOSION OF FIRE FROM ME!

THEY WERE SO SPICY THAT THEY SUPERCHARGED MY FIRE AND HEAT!

Me: HOLY COW!

Poromon: What was on that!?

Me: James and Jessie must've put some of their nuclear inferno sauces on the dumplings. But man that is good.

Poromon: WOW! That is lethal!

Me: Yep.

Junkheap: I think we're about to have visitors

We saw a BUNCH OF JOKERZ!

Me: We got company!

They came up to us.

Me: Well look who it is. It's the fucked up clown wannabes.

Jokerz 1: You will pay for killing our boss!

Me: Well your boss got what he deserved.

POW!

I punched him and knocked his entire head off with intense force and killed him and blood squirted out of him in a fountain!

Poliwag: YUCK!

Wreck Gar: Let's get ready to rumble!

They went at us and I slashed numerous JOKERZ and blood, guts and organs splashed all over the place.

They threw pies at us and I caught them all and threw them back and they hit the Jokerz faces and then...

KRASPLAT!

THEIR HEADS EXPLODED! SPLATTERING BLOOD AND GUTS AND BRAIN MATTER ALL OVER THE PLACE!

Back at the estate everyone was watching TV

Reporter: WE INTERRUPT THIS PROGRAM TO BRING YOU THIS URGENT REPORT!

Katherine Mulligan: This is Katherine Mulligan reporting to you live from outside Wayne Tech Industries and J.D., The Mascots, Baihumon and two of the transformers are battling a bunch of the Jokerz. As you can see its quite a bloodbath and a furious fight.

They saw blood and guts and inards and more blasting out.

Nico: GEEZ!

May: Man they are really letting them have it!

Lillie: Wow no kidding!

Xenia: They sure are handling it really well.

The mascots drank lots of bottles and got drunk.

Me: Well, cue the shenanigans

Poromon and the mascots were drunk.

Mascots: (Singing) (SLURRED SPEECH) NOBODY KNOWS! (LOUD FART AND HIC) HOW DRY (HIC) I AM! NOBODY KNOWS! (LOUD FART AND HIC) HOW DRY (HIC) I AM! NOBODY KNOWS! (LOUD FART AND HIC) HOW DRY (HIC) I AM!

Me: That was funny.

Poromon: (Drunk) Oh look who it is! (POW!)

He punched a bunch of Jokerz.

Poliwag then slapped them all over with his tail!

WHAP! WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP!

Jokerz: HEY!

Poliwag: (DRUNK) COME HERE YOU SON OF A BITCH!

WHAP! WHAP WHAP WHAP WHAP WHAP WHAP!

Poliwag: (CRYING) WHY DO YOU ALWAYS CLOSE YOUR EYES WHEN YOU MAKE LOVE! (CRYING)

Horsea then squirted ink into their mouths!

Horsea: (Drunk) HAVE A DRINK (HIC) BUB!

They spit it out and gagged and coughed!

Jokerz Girl: (SPITS) OH YUCK!

Manaphy then kicked the Jokerz in their crotches!

DING! DING DING DING DING DING!

Jokerz: (SINGING IN OPERA NOTE)

Manaphy: (Drunk) YEAH SING YOU BUTTKISSING BUTTHEADS!

Jokerz: (SQUEAKING LIKE A CHIPMUNK!) THAT REALLY HURT!

We WINCED FROM THAT!

But then...

LOUD NASTY HORRIBLE AND GROSS FART!

THEY FARTED IN THE JOKERZ FACES!

Jokerz: (COUGHING AND GAGGING) OH SICK!

Horsea looked at the Jokerz.

Jokerz: Uh oh.

Horsea: Take this you Team Rocket jerks!

Horsea fired a bubblebeam blast and it hit them and exploded all over.

Poromon: Time for me to drive my car!

Junkheap: I'm sorry, what?!

He got in Junkheap!

Poromon: (Singing) I like driving in my car. (FART FART FART FART FART FART FART!) It's no kind of jaguar! (FART FART FART FART FART FART FART!)

The Jokerz really were going to feel that!

Nico and everyone watched on TV what was going on!

Nico: Now that's funny!

Qin: Boy they sure are doing great! Think we should help them out?

Nico: Sure!

They all went out to help us.

Back at Wayne Tech Industries, we were really tearing all the Jokerz apart.

I punched one of them in his face and kicked him down.

Everyone came.

Me: Hey guys!

Only one Jokerz member was left.

Sheila: Mind if I kill this last one?

Me: Go for it Sheila.

Sheila: Lets show this jerk some Z power, Moltres!

Moltres: You got it!

The Jokerz member tried to run!

Sheila: Lets do it! UNLEASH ULTIMATE PHOENIX FIRE! WILDFIRE PHOENIX INFERNO!

Moltres flared up an intensely powerful fire and turned into an intensely powerful fiery phoenix and flew at the last member really fast and incinerated him with intense and powerful heat and fire and he was destroyed!

Moltres came back.

Me: WHOA! That was intensely powerful and hot!

Xenia: WOW! Well done!

Sheila: Thanks!

Nico: WOW! We're using Z-Moves all across the board!

Qin: YEAH!

I reverted the mascots back.

Poromon: Do we get paid?

Me: Lets clean up all this carnage and gore first.

We did so.

Me: WHEW! There.

Batman: Well done guys!

He gave the mascots huge amounts of money.

Poromon: Thanks Bruce.

Laney: NOW We've seen the last of fuckfaced clowns, the Jokerz.

Nico: Well said. And well done guys!

Me: Bruce I hope we didn't hurt the tower too much.

Batman: No you didn't.

Me: Good.

But then...

GEIGER COUNTER CLICKS!

Me: Uh oh! We got Gamma Radiation!

Qin: Oh boy!

Xenia: I hope we didn't unearth veins of radioactive material.

Nico: Should be here somewhere

Lola: Wait look!

We saw an Incineroar and a Cyndaquil!

Me: WHOA! An Incineroar and a Cyndaquil!

Camie: Wow!

Nico: Where did they come from and also those two Pokemon are not intensely radioactive.

Me: It must be some of Dark Gale's work.

Sheena: And those two are Sonya Prypiatos and her little sister Natalia. They are both half Prypiatosian-B!

WE GASPED!

Me: WHOA! Half of NRG and P'andor's kind!

Qin: Atomic power!

Me: Yep!

NRG: (Russian Accent) This is going to be intensely radioactive everyone!

Nico: Two this time?!

Me: Yeah! And they are too hot to handle! Lets go!

Me and NRG went over to them.

NRG: Easy comrades! You'll be fine.

Cyndaquil used Flamethrower on Horsea but she put her clone in front of her

Weiss's Cyndaquil fired a blast of fire and blasted the fire away.

Weiss's Cyndaquil: Back off!

Nico: YEAH!

Incineroar fired an Ember at me and I absorbed it.

Me: My turn!

I snapped my fingers and they reverted abck.

They were girls with red hair and red eyes and had fire angel wings and had Incineroar and Cyndaquil on their forehead. Sonya's cutie mark was the Volcano Badge with a nuclear explosion and P'andor on her arm and Natalia had a Heat Badge with a Nuclear Explosion and NRG on her arm.

We wrapped them in blankets and the radiation vanished as quickly as it appeared.

We brought them over to us.

They both woke up to see Horsea's smiling face.

Sonya Prypiatos: (Russian Accent) (Groans) Huh a Horsea?

Natalia groaned too.

Horsea: You attacked my clone!

Me: Are you two okay?

Sonya Prypiatos: Yes we'll be fine.

Me: You both were turned into an Incineroar and a Cyndaquil by Dark Gale.

Sonya Prypiatos: Oh man! I was battling Ssserpent on the planet Terradino. He was causing trouble to the Vaxasaurians.

Kimiko: That is crazy.

Me: And what about you Natalia?

Sonya Prypiatos: Oh Natalia doesn't speak English yet. She is too young to be in the plumbers.

Me: Oh. (Speaking in Russian) Ты, должно быть, очень гордишься своей сестрой за то, как далеко она продвинулась в деле сантехников, а также за все добро, которое она сделала по всей вселенной.(You must be really proud of your sister for how far she has come in the Plumbers as well as for all the good she did all over the universe.)

Natalia Prypiatos: (Speaking in Russian) Я очень горжусь своей сестрой и хочу пойти по ее стопам. (I am very proud of my sister and I want to follow in my footsteps like her.)

Sonya Prypiatos: She wants to be just like me.

NRG: That is some strong bonds there.

Rarity: Lets get you some new clothes darlings.

The Fashion brigade gave them red clothes and fire swords.

Sonya Prypiatos: We look great.

Me: You sure do.

We went back home.

We were watching TV

Solar Man: I hope you guys had fun

Poromon: Oh we did! It was awesome!

Me: It sure was.

Lola: Yeah!

Nico: I guess this counts as Jeri's second day since she's part of the Lion Guard

Jeri Katou: It sure does.

Qin: That is cool!

Lola: Yep.

Kion: That is for sure.

Camie: You got that right.

Nico: I got a feeling that Zira and Nuka will be there too.

Qin: If that's the case then we'll kill Scar and his family.

Lola: Especially for all the crimes he did to the Pridelands.

Qin: Yep.

Xenia: This will be cool

Nico: You think Simba already assembled all the animals of the Pride Lands for this?

Me: If he did we're going to be ready for his.

Xenia: That's right!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of

his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo and second smaller halo of light in the center and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo that's behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Scar, he's come back from the dead, and he, Zira, and Nuka along with the Outsiders are planning to launch a massive attack on The Pride Lands to get revenge on Simba and all of us! When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: WHAT THE?! OH HELL NO! SCAR, YOU BASTARD!

Eli: Scar's on the move!

Lincoln: Yep, now the battle for The Pride Lands is on.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: it's Scar, he's come back from the dead, and he, Zira, and Nuka along with the Outsiders are planning to launch a massive attack on The Pride Lands to get revenge on Simba and all of us!

EVERYONE GASPED! INCLUDING SIMBA, MUFASA, TIMON, PUMBAA, NALA, KIARA, KOVU, THE LION GUARD, SORA, DONALD, GOOFY, AND THE KEYBLADERS!

Baihumon: So, that's who I'm facing for my day today.

Simba: I knew Scar would return along with Zira and Nuka. Now, we can finally bring an end to Scar for good.

But, then, Lincoln got another vision, and it isn't good: it appears Aurelius Frostine, the evil, cold-blooded, cruel, heartless, remorseless, monstrous, malicious, sadistic, two-faced, twisted bastard and the evil older brother of The Frostine Sisters has been sending armies of monsters to attack us and Scar, Zira, Nuka, and the Outsiders in his attempt to get revenge on Lincoln for killing Aodhan Vulcania and to bring death and destruction to the entire world.

Lincoln: Aurelius Frostine, you heartless piece of trash!

Amihan Frostine: I can't believe him, that piece of trash! That's it, he's dead!

Lincoln: Hold on, Amihan. We'll deal with him on my rescue tomorrow, the best thing we can do is drive him out of The

Pride Lands by killing his monsters, and I'd recognize those monsters from Re:Monster.

Me: So, if you, Nico, and I were to devour them...!

Lincoln: We'd wind up getting the same powers Rou has.

Nico: That'd be more than enough to piss that cold-blooded heartless bastard off and send him running away like the coward that he is. Alright, guys, time to get to The Pride Lands, this is where we put an end to Scar once and for all.

Lincoln: Scar has lived for too long, this is where we put an end to the curse on Kovu's life and bring an end to the coward of The Pride Lands once and for all.

The previous group came

Roxy Rocket: Can me, Multiple Man, Titanium Man, Madame Masque, Spymaster, Silver Samurai, Juggernaut, Evil Lyn, Aqueduct and Yenaldooshi go with you guys?

Nico: Yes you all can come with.

Xenia: This is gonna be awesome.

Me: Yep. (LOUD FART) Oops sorry.

Lola: No worries.

June: Nico, which Gene Slammer do you think you'll meet next?

Nico: Hmm. Elemental HERO Ocean next.

Me: Water power.

Qin: Nice.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo and second smaller halo of light in the center and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo that's behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figures were in the vision: it was Helios, the leader of The Air Tribe, along with Devilfenix, Magic Crow, Dragon, Mindsallower, Darkness, Hawk Silent, Whirlwing, Mystic Moth, Iron Beak, Dragon, Cruelsoul, Magic Owl, and Fenision, and they've come to destroy us. When we saw it, we knew it meant trouble!

Lincoln: Oh man!

Me: Lincoln, don't tell me! That was...!

Lincoln: Helios, the leader of The Air Tribe, along with Devilfenix, Magic Crow, Dragon, Mindsallower, Darkness, Hawk Silent, Whirlwing, Mystic Moth, Iron Beak, Dragon, Cruelsoul, Magic Owl, and Fenision, and they've come to destroy us.

Tammy Gutierrez: Lincoln, I hope you absorb all of them!

Lincoln: I will, Tammy. I'm going to absorb all of them, and banish Helios to The Black Abyss and send the others to The MOE.

Nico: This is gonna get really intense. Alright, team, now let's go, it's time to get to The Pride Lands and get rid of Scar, Zira, and Nuka forever.

Lincoln: The battle to save The Pride Lands is finally on, and once we put an end to the curse on Kovu's life and the nightmare for good, you're next, Helios and The Air Tribe.

Tammy Gutierrez: You made a huge mistake coming after us, Helios, now you and The Air Tribe are going to pay for all your crimes!

Lincoln put up a powerful rainbow energy field around The World Tree Estate and we headed to The Pride Lands to finally get rid of Scar, Zira, and Nuka forever along with The Outsiders and end the curse on Kovu's life, and once we get done with him, Tammy Gutierrez and Lincoln are going to take down Helios and The Air Tribe and Lincoln's going to absorb them all.

We were off to the Pridelands

We arrived.

Jeri Katou: We're here.

Me: Good to be in the Pridelands.

Baihumon: This is going to be the ultimate decisive battle with Tigers VS Lions.

Me: Fitting for you Baihumon as Sovereign of the West.

Baihumon: That is true.

Madame Masque: Let's call Stratos

Me: Good idea.

We did so.

Stratos: I'm ready for this.

Me: Awesome!

Simba: I'm glad to be home again.

Bunga: Samehere.

Ymir: Wait I don't know who Scar is.

Me: Oh right you don't know. Well he's Mufasa's and Simba's powerhungry uncle and one of the most evil lions ever.

Jeri Katou: And he is the ultimate enemy of the Pridelands and the Circle of Life.

We went over Scar, Zira and Nuka's history and it was not good. When it was done everyone was shocked and absolutely horrified!

Ymir: WHAT A MONSTER!

Naomi Necroshade: I remember watching the movies for The Lion King and Scar and Zira are monsters.

Lola: Yeah no kidding!

Edward: That's nothing. You should've seen when Sora visited here

Me: This whole place was a desolate wasteland because of Scar letting the Hyenas take over.

Sora: Yeah it's true.

Me: And during the final battle, a powerful lightning strike caused the Pridelands to become a raging inferno.

Nico: Yep. Also we didn't have the usual battles here during the 20 Days of Darkness because we were too busy killing Hyenas left and right.

Me: I remember that. That was nuts. The Hyenas weren't going to give us a chance to have our usual battles.

Qin: Because there was just so many of them.

Nico: Yep.

Multiple Man: Let me clone an army

Multiple Man made over 50,000 clones.

Me: Perfect.

Pumbaa: And you guys should have seen what Lana did with me and Timon.

Lana: I ate all their bugs and had a great contest.

Hymeno turned green around the gills.

Helga Sinclair: Edward was referring to Scar turning into a Heartless.

Me: I know but we just wanted to tell you what Scar did first before that.

Helga Sinclair: Oh right.

Ymir: WHOA! What did Scar look like as that?

Me: He looked like a black lion with blue fire paws.

Twilight Sparkle: That was frightening!

Ymir: Scary!

Me: I know.

I showed a hologram of it and it was scary.

Ymir: HOLY COW!

Jeri Katou: I know! It gave me really bad nightmares seeing that.

Me: That is bad.

Gira: There are an awful lot of lions here.

Juggernaut: The movie is called Lion King for a reason

Baihumon: And it's to show the good of the Circle of Life through the good king of the jungle.

Simba: Yep and it was my destiny to become king.

Baihumon: Because the Lion is the King of the Jungle.

Me: Yep. And the King of the Jungle.

Baihumon: And I am the King of the West. The Digimon Sovereign are known as the Kings of the Digital World. The difference between us and a king? There is no difference. We have have the same level of Royalty and Power.

Brynja Baihu: That's right. And we as the Students of the Sovereign are their Ambassadors for Earth.

Me: Wow! That is huge royal connections.

Nico: It sure is.

Baihumon: I agree there.

Nico: (to Baihumon) Maybe after today, you can get into the Lion Guard

Baihumon: I don't think I would qualify. With the level of power I possess, I would easily be a one man army. I can destroy many things with my power and I am a good king that protects my kingdom.

Nico: That is a good point.

Qin: Wait look at that!

We saw a HUGE FLOATING FORTRESS! And it had a white aura around it.

Me: HOLY COW! Look at the size of that fortress!

Lincoln: Wait that's not just a floating fortress, That's Baihumon's Akuma, MetallicaByakkomon! The Hypothetical Akuma of Baihumon and a master of metal, gears and tigers and more and also he is a GINORMOUS FLOATING FORTRESS and he is equipped with a MASSIVE Arsenal of weapons that are as powerful as all the worlds arsenal of weapons and more combined times 100,000,000,000,000. He is also a Dark Sovereign and a terrifying force of destruction. He is The Dark Sovereign of the West! He also has the power to destroy entire planets! He is one of The Dark Sovereigns of Doom! They are 5 Akuma Digimon of the Sovereigns.

WE GASPED!

He showed us a sketch of it and he looked like a HUGE FORTRESS with many kinds of weapons and had a tiger head and a white aura!

Me: WOW! He looks like a huge fully loaded war machine!

Wood Man: Wait. Where is it going?

I pulled out my binoculars.

Me: Hmm..

I looked and saw it heading at MILLIONS OF MEN coming at it! But they were the remnants of Teams Rocket, Aqua, Magma, Flare, Galactic, Plasma and Skull!

Me: HOLY CRUD! Those are the remnants of all of the Pokemon Villain teams we destroyed!

Nico: There's millions of them!

Me: Those are all the members that went into hiding! We've been trying to find them ever since we destroyed the major Pokemon Teams.

Nico: Lets watch what he's going to do.

We watched.

MetallicaByakkomon: (Echoing) GENOCIDAL ANNIHILATOR BARRAGE!

HE FIRED NUMEROUS MASSIVE ENERGY AND LASER BLASTS AND THEY HIT ALL OF THOSE MEMBERS ALL AT ONCE AND OBLITERATED THEM ALL IN ONE MASSIVE ONSLAUGHT OF POWERFUL EXPLOSIONS AND WAVES OF FIRE!

Me: HOLY SHIT! WHAT POWER!

Nico: WOW! They didn't last even a second against his power!

Aqueduct: That can't be all of them

I did a scan.

We found a grunt girl from each team still alive but injured bad.

Me: There's some survivors! But all their Pokeballs are there too. We'll take those as the spoils of war!

Nico: Good.

We teleported and grabbed all the Grunt girls.

We arrested them and Varie had them all healed up.

Me: I think you killed all of them.

MetallicaByakkomon: I was wondering when you would all show up.

Me: You're quite an amazing fortress Baihumon!

MetallicaByakkomon: Yep I sure am.

Me: We already encountered a clone of you on one of Lincoln's rescues and battled Azulongmon and Zhuqiaomon's Akumas. You are the 3rd one we met.

MetallicaByakkomon: I can see that.

Yenaldooshi: Baihumon? Is that you?

Me: I think it's already confirmed it is.

MetallicaByakkomon: He's right and feel free to do what you will to those Pokemon and the grunt girls.

Me: Thanks. The Grunt Girls will go into the M.O.E. And their Pokemon will best suit us.

MetallicaByakkomon: Good call there.

Stratos: You need to calm down

MetallicaByakkomon: I'm afraid I can't. The only way you can is if you beat me.

Me: All right then. (Echoing) BLAZING HELIX!

I fired a massive fire helix chain from my wings and Stratos fired a massive wind blast and blasted him all over.

MetallicaByakkomon: My turn! (ECHOING) LASER BURST BARRAGE!

He fired numerous laser blasts and we deflected the blasts back.

We fired energy blasts and with a thunderous crash it smashed into the ground!

We beamed him to the M.O.E.

Me: That did it.

Simba: Before we head out, I want to say one thing.

Sour Sweet: What's that?

Simba: Humans. Lions. And other species. All of us gathered today are here for one thing. To protect the Pride Lands. We're not just an army. We're a team. (smiles) And whatever happens, it has been an honor to fight alongside you all.

Me: That is for sure Simba.

Jeri Katou: And we're with you all.

Qin: That is for sure.

Baihumon: Now we need to end the terror of Scar for good.

Me: And he's in the outlands. Scar, Zira and Nuka are in for it big time.

Nico: Lets go get them.

Evil Lyn: That was actually a good speech

Me: It sure was.

Nico: Lets go guys.

Lincoln: Alright, everyone, gather around.

Lincoln pulled up a hologram of The Pride Lands, and he zoomed in on our target.

Lincoln: Now, as we already figured out, our main target is Scar, along with Zira and Nuka along with The Outsiders, but if that wasn't enough, Aurelius Frostine, the evil, cold-blooded, cruel, heartless, remorseless, monstrous, malicious, sadistic, two-faced, twisted bastard and the evil older brother of The Frostine Sisters has been sending armies of monsters from Re:Monster to attack us and Scar, Zira, Nuka, and the Outsiders in his attempt to get revenge on me for killing Aodhan Vulcania and to bring death and destruction to the entire world.

Lincoln: That's right. Now, then.

Suddenly, Lincoln's deep sapphire eyes turned crimson red and his pupils turned into slits, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the

Lincoln let out an extremely massive and savage roar as he pounded his chest like an Alpha Male Gorilla.

Me: Uh oh! Lincoln's gone Savage again!

Nico: Uh oh...!

Lincoln: (Beastly Gruff Manlier Voice) That's right, Scar, Zira, and Nuka are gonna pay along with that little shithead, Aurelius Frostine.

Me: WHOA! THAT LUNATIC REALLY WANTS US DEAD!

Nico: THAT GUY'S REALLY LOST IT! COME ON! LET'S GET THEM!

Lincoln: (Beastly Gruff Manlier Voice) Let's get them!

We went at the monsters, and we proceeded to kill them and rip them apart, and we proceeded to eat them and absorb them into our bodies. IT WAS TOTAL CARNAGE!

Kevin: Whoa, cool!

Jonny: Close your eyes, Plank!

Jimmy: Holy mackerel!

Sarah: Ewww!

Rolf: Ha-ha!

When we were done, our muzzles and bodies were covered in blood, and we let out three beastly roars that echoed throughout The Pride Lands.

Lincoln: (Beastly Gruff Manlier Voice) Ah, now that was good.

Suddenly, Lincoln's abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips of his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed, and a massive aura of rainbow, white, golden yellow, and blue fire surround his rainbow protective aura and holy white aura, and he'd gained a massively astronomical power boost and gained the powers, abilities, and blessings of the monsters of Re:Monster.

WE SUDDENLY LET OUT THE MOST BEASTLY AND ANIMALISTIC ROARS EVER AS THEY ECHOED THROUGHOUT THE PRIDE LANDS, AND LINCOLN, NICO, AND I POUNDED OUR CHESTS LIKE THREE ALPHA MALE GORILLAS AND WE REALLY FLEXED OUR MASSIVE MUSCLES REAL HARD!

Me: (Beastly Gruff Manlier Voice) WHOA! OH MAN! I FEEL EVEN MORE POWERFUL THAN EVER!

Nico: (Beastly Gruff Manlier Voice) Same here!

Lincoln: (Beastly Gruff Manlier Voice) I feel like wanting to rip apart the meanest and nastiest villains in existence times infinity! (Smirks) But, we got our uninvited guest to deal with. GET OUT HERE RIGHT NOW, AURELIUS FROSTINE!

Lincoln, Nico, and I fired a massive energy blast at a nearby rock quarry, and it exposed Aurelius Frostine, he was a marine-blue haired version of Aodhan Vulcania, but his clothes were marine blue, and he had pure evil and hatred in his blue eyes.

Amihan Frostine: I should've known you'd show up here.

Aneira Frostine: I thought we drove you guys out long ago, but it looks like you refused to stay quiet. Now, you're gonna pay, Aurelius!

Aurelius Frostine: FUCK YOU, BITCHES! DIE!

Aurelius Frostine driven mad by hatred and madness charged at us, but then, Lincoln, Nico, and I took a deep breath, and then...!

MASSIVE AND SAVAGE WOLF ROARS!

WE LET OUT THE MOST SAVAGE AND MASSIVE WOLF ROARS EVER AND THE FORCE OF THAT SENT AURELIUS FROSTINE FLYING OUT OF HERE! SERVES HIM RIGHT!

Lincoln: (Beastly Gruff Manlier Voice) And don't let us catch you here again, jackass! Or I swear I'm gonna make you know what real pain is!

Nico: (Beastly Gruff Manlier Voice) We'll deal with that jackass tomorrow.

We heard an angry roar and we spotted Scar, Zira, and Nuka along with the outcast lions.

Me: (Beastly Gruff Manlier Voice)(Smirks) He's right, let's go pay "His Royal Lowlife" a visit.

Timon and Pumbaa snickered.

Lincoln put up an angelic barrier, so that Sir Elton Brandise couldn't escape.

Suddenly, the spirits of the animals of the Pride Lands appeared and they attacked Scar, Zira, and Nuka with fury along with sudden blasts of red, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, elemental forces, magic, mythical beasts, phoenixes, and angels from Alexander Avalon. Then, the spirits converged and a massive explosion erupted as a Thunderbird Screech, Dragon Roar, Wolf Howl, Tiger Roar, and Phoenix Cry was heard, and we appeared and that pissed off them even more.

Me: Hello Scar!

Scar: YOU! How dare you all show up yet again! Now, I will destroy you all and I will finally kill you at long last, Simba! THE PRIDE LANDS WILL BE MINE!

Zira: This land will belong to Scar!

With that, Simba and Scar roared as their respective lion armies charged at each other.

Silver Samurai: Well, that's one way to start a battle!

Me: CHARGE!

WE WENT AT THE LIONS AND SLASHED AND MANGLED AND KILLED THE LIONS OF ZIRA AND SCAR!

Pam: Have some of this!

Snowy formed a massive hill of ice and charged up a massive and intensely powerful energy beam and she fired a huge blast of ice and it hit all the bad lions and froze them in huge ice blocks and they grew intensely huge ice crystals and shattered into dust!

Me: WHOA! That was cold!

Xenia: AWESOME!

Ymir: WOW! That was intense!

Titanium Man: This should kill most of them!

Lillie: Thanks!

Baihumon: Now you face the power of a Sovereign! And another thing, you were never the king!

Mufasa: That's right Scar. You are nothing but a traitor.

Nuka: Why you?!

Eli: You brought all this on yourselves! All because of your petty jealousy and powerlust!

Me: YEAH!

Nico: Zira your own stupidity is what lead you to your death anyway! You would never listen to reason and that is what lead us to killing you!

Mega Liepard charged at them and slashed them all over!

I fired waves of energy and blasted them all over.

They concentrated and reigned in the powers of Cyndaquil, Incineroar, Victreebel and Grimer and they transformed and blasted Scar, Zira and Nuka all over and blasted them big time!

Me: (Imitating Scar) (To the Laughing Hyena Trio) Kill him!

They went at Scar and chased after him.

Nico: I don't think they're alone.

NUMEROUS HYENAS CAME OUT!

Me: Deja-vu huh Scar? Now you got all the hyenas that once followed you, now with us! And like we have already known, a hyena's belly is NEVER Full!

Lincoln, Nico, and I fired webs from our fingertips and wrapped the Outcast lions in web cocoons and everyone saw energy being visibly sucked out of the cocooned Outcast Lions and went into us and we grew even stronger.

THEN...!

Lincoln, Nico, and I attacked Scar, Zira, and Nuka with a last and powerful downward swing of our massive greatswords and that caused a massive explosion to erupt and the chains broke and Scar, Zira, and Nuka were on their last legs as Lincoln, Nico, and I landed in front of the team, and it also exposed Helios and The Air Tribe, our secondary target who was then put into suspended animation until later.

Time to pay, Scar, Zira, and Nuka!

Lola: Yeah!

Me: (Imitating Scar) (To the Laughing Hyena Trio) Kill him!

They went at Scar and chased after him.

Nico: I don't think they're alone.

NUMEROUS HYENAS CAME OUT!

Me: Deja-vu huh Scar? Now you got all the hyenas that once followed you, now with us! And like we have already known, a hyena's belly is NEVER Full!

Nico: NO. IT AIN'T!

We blasted him all over the place.

Me: Also Scar we know you have another one of our enemies with you.

Scar: Why what do you mean?

Me: Don't play dumb! Come on out!

Out came a woman with black hair and blue eyes and had a black blue jumpsuit!

Lucy Ravenluna: (GASP) Samantha Sewall!

Samantha Sewall: I WILL BURN YOU WITCH!

Me: You know her Lucy?

Lucy Ravenluna: Yes I do. Her name is Samantha Sewall and she is the descendant of Samuel Sewall.

WE GASPED!

Me: Wait I remember reading about him. He was one of the judges during the Salem Witch Trials back in 1692.

Lucy Ravenluna: That's right.

Shannon: And he is also one of the judges back then that nearly got my ancestors the Sanderson Sisters!

Me: GEEZ!

Poromon: Those were years ago!

Me: 332 years actually. Talk about bad bloodties.

Nico: No kidding.

Qin: Yeah.

Samantha Sewall: Well time to burn!

She had her eyes glow and she turned into a black version of Hydra!

Anti-Hydra: I AM ANTI-HYDRA!

Me: WHOA MAN!

Lucy Ravenluna: I am not going to lt you per persecute witches anymore! That was back in the 17th Century! This is the 21st Century!

Shannon: I'll help you Lucy!

Elyon: Me too!

Harry Potter: (British Accent) I'll help too!

They fired waves of light and magic and blasted Anti-Hydra all over!

Harry: Stupefy!

He fired a magic blast and knocked her unconscious.

I fired a beam of energy and separated Anti-Hydra from her and we scanned her and banished her to the Black Abyss.

Lucy Ravenluna: I may not be part of Hogwarts but I know their spells. RIDDIKULUS!

She fired a wave of magic and Samantha was dressed in a baby outfit!

WE LAUGHED HYSTERICALLY!

Irwin: Ready for your bottle ya big baby?

And then...

KRABLAM!

They punched her and knocked her out!

Me: Nice!

Nico: Who out of the 3 do you consider a sibling?

Lucy Ravendark: I got close to Shannon because she is a witch like me.

Shannon: And we have bloodties from Salem.

Me: Good reason.

I blasted Scar.

Me: Yeah!

Then Major Disaster, Doctor Octopus, Count Vertigo, Sportsmaster, Comic Book Guy, Snake, Speed Demon, Pied Piper, Femme Fatale and Iron Lung came.

Nico: Major Disaster, Doctor Octopus, Count Vertigo, Sportsmaster, Comic Book Guy, Snake, Speed Demon, Pied Piper, Femme Fatale and Iron Lung.

Scar: Why if it isn't...

KRABLAM!

They blasted and bashed Scar, Zira and Nuka and knocked them out.

Me: At least he didn't order you guys around.

Major Disaster: True.

Me: Good.

Doctor Octopusr: You guys killed a lot of lions.

Count Vertigo: But Scar will be on your wall.

Me: Yep.

Sportsmaster: You can fell free to decide Nuka and Zira's fates

Me: I plan to have them as a rug and a pelt.

Sportsmaster: Nice.

Comic Book Guy: (to Nico) We heard you fought Shere Khan.

Nico: We sure did.

Tyler: I will do that.

---

Major Disaster was first.

Major Disaster (to Tyler): Nico's rescue was on Cypressswampaira. He faced Shere Khan and turned him into a Tiger Skin Rug.

Tyler: We sure did and it was really awesome and fun! What was fitting about it is that Mowgli faced Shere Khan the first time in a swamp like that with Buzzie, Flaps, Ziggy, and Dizzy and that was awesome. We blasted him with fire and shotguns.

Crush Crawfish: Boy we sure did and it was intense!

Kagero: You got that right! But you should have felt the massive surge of energy at the Crystal Empire earlier.

Twilight Sparkle: We supercharged the Crystal Heart with the magic we know and it enveloped the world and destroyed all the Dark Magic of Grogar and Opaline. It made Opaline weaker and we heard her roar in fury.

Stellar Sparkle: HOLY COW was she infuriated!

Harmony Sparkle: That means she is going to be in for a really powerful world of hurt when the prophecy comes. Also it made Earth Omega into the newest hub of a galactic Team Loud Phoenix Storm federation called the Earth Omega Celestial Union. It's really cool!

Major Disaster: WOW! Now you guys have a new ultra powerful Interstellar faction like in Star Trek! How awesome is that!

Harmony Sparkle: It sure is amazing. And we also met the defender of the chosen one. Her name is Elaine Twilight Sparkle Williams. She's the descendant of Megan Williams and also the Avatar and living embodiment of the Elements of Harmony and the Ultimate Goddess of Equestria and also the Protector and Spirit Guide of The Chosen One to bring about the prophecy. The one that will defend the Chosen

One, J.D. Knudson who was chosen to fulfill the prophecy involving the resurrection of Twilight Sparkle.

Major Disaster: WOW! So she came to help J.D. out. That means the Prophecy is fast approaching.

Starshine Sparkle: It sure is.

Spyro: We don't know when it will be though.

Major Disaster: WOW! That is so awesome! What did you guys do with Shere Khan's pelt?

Spyro: We gave it to Nico and he put it in front of his bed as a tiger skin rug.

Major Disaster: Good idea. Lets do it!

Tyler used Major Disaster's ring and they fired wave of energy and lightning and magic and smashed them down.

Sunset Shimmer: That is cool though. But Ed was accused of the stench she had as a Grimer. But that was not the funniest thing we saw.

Iron Maiden: What was it?

Sunset Shimmer: We also met a Victreebel gene-slammer too.

Iron Maiden: A Victreebel too!? Whoa! Did that that one chew on James's head too?

Lincoln and his harem: Now, for the grand finale! We have had it up to hear with you, Scar! This is where you and your family disappear forever and the darkness you cast on The Pride Lands fades away forever! JUNGLE ANIMAL FINAL SMASH: JUNGLE PRIDE RAMPAGE!

Lincoln and his harem summoned jungle animals to attack Scar, Zira, and Nuka, and they were really messed up.

Stratos had them get hit all over the place

The Rockers played the final verse of the theme of Buffy The Vampire Slayer as we attack Scar, Zira, and Nuka, and they played the final notes of the theme of Buffy The Vampire Slayer as Eli attacked Scar, Zira, and Nuka, same with me, Lincoln, and Nico, and finally, Baihumon, Simba, Mufasa, Nala, Kovu, Kiara, Timon, Pumbaa, and The Lion Guard slashed Scar, Zira, and Nuka down the middle and they ended the theme with playing the final note with the church bell ringing and Scar, Zira, and Nuka exploded as they were turned into a lion fur rug and lion fur pelts, and the spirits of Scar, Zira, and Nuka were banished to The Black Abyss forever, and the darkness had lifted forever.

We cheered as we holstered our weapons and powered down.

Baihumon: And that's the end of Scar forever!

Nico: That's right, and the darkness he casted on The Pride Lands has lifted forever.

Me: Now, a new dawn of peace has come to The Pride Lands.

When all is said and done, what did you even achieve through your heinous actions? You walk the path of a coward creeping your way through the dark, that's a lonely path, and it's one that will follow you into death. Helios and The Air Tribe, may you suffer for all eternity with not a kindred soul to give you solace, it's time to put an end to this once and for all.

Then, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and stabbed them into the chests of Helios and The Air Tribe and he began absorbing them and he assimilated Helios' Aerokinesis, Superhuman Strength, High-Level Intelligence, Immortality, Wind Blasts, Durability, Flight, and Agility, and the rest of The Air Tribe's Aerokinesis, Superhuman Strength, High-Level Intelligence, Immortality, Wind Blasts, Durability, Flight, and Agility, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

And he also flexed his muscles even more which really aroused his harem even more, and at the same time, Magor and The Volcano Tribe members began growing weaker as all their powers were being sucked out of them one at a time and was pumped into Lincoln, and Helios and The Air Tribe members roared in pain.

Then, when Lincoln was done and the stingers changed back, nothing was left of Helios and The Air Tribe members, and Lincoln sucked out all of the remaining energy in Helios and The Air Tribe members' souls and banished Helios to The Black Abyss and sent the other Air Tribe members to The M.O.E., and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a Alpha Male gorilla and he flexed his massive muscles as fire and elemental forces burst out of his massive biceps and massive muscles!

We cheered as we holstered our weapons and powered down and Tammy Gutierrez's new body, clothes, weapons, jewelry, Third Eye, 999,999,999,999,999,999,999,999,999,999,999,999,999,9

Tammy Gutierrez: This where it ends for you, Helios and The Air Tribe, and this is goodbye and good riddance. Thanks for helping me get rid of Helios, Lincoln. You too, guys.

Lincoln: (Smiles Warmly) You're welcome, Tammy.

Me and Nico: Our pleasure, Tammy.

Suddenly, Tammy Gutierrez wrapped her arms around Lincoln's waist as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Tammy Gutierrez's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Tammy Gutierrez sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Lincoln: And that's it for Helios and The Air Tribe.

Me: Helios got what he deserved, and the other Air Tribe members will fit in quite well in The M.O.E. So, Lincoln, who's the next girl we're meeting on your next rescue tomorrow?

Suddenly, we saw the symbol of The Ice Barrier Frost Masters of Loyalty and Gungnir, Dragon of the Ice Barrier appear in the sky.

Lincoln: (GASPS) The symbol of The Ice Barrier and Gungnir, Dragon of the Ice Barrier!

Me: Who would fit that?

Amihan Frostine: That would be Blanche Frostine, Avatar and Gene-Slammer of Gungnir, Dragon of the Ice Barrier, and you guys are gonna like meeting her and this is also someone from the past of Carter Kenrick, Blanche Frostine, Avatar and Gene-Slammer of Gungnir, Dragon of the Ice Barrier, is Lincoln's Guardian Angel from New York, she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Gungnir, Dragon of The Ice Barrier. She's The Ice Dragon Master of The Ice Barrier Frost Masters of Loyalty, a group of loyal girls who are the Avatars and Gene-Slammers of The Ice Barrier Duel Monsters and they're born with superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and their goal is to protect and defend Lincoln from his enemies, and they are the most loyal of Lincoln's Guardian Angels, and they would never ever betray Lincoln, his friends, and his family, nor their own, and they hate people who betray others for their own personal gain, and they've punished Lori, Lynn, Lola, Lisa, and Luan in the most fiercest way possible many times for their treacherous actions and murderous schemes against Lincoln. Blanche Frostine moved to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Gungnir, Dragon of The Ice Barrier, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Cryokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Gungnir, Dragon of The Ice Barrier, and Lincoln was already born with immortality and invincibility, and she also helped him grow and seriously bulk up in muscle mass and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really grow and bulk up even more in muscle mass and she also helped him grow in intelligence, power, and knowledge. Lincoln made her an ice greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lana, Alexis, and May a lot in using the powers of ice, and what many of us didn't know was that Blanche Frostine knew Carter Kenrick in his world before it merged with our world because he was an old friend of hers, and she knew of Carter's family being part of the underworld, and of Carter taking a different path in law enforcement, and she had also dealt with Caleb Maxwell before when he returned in 1996 and transformed along with going on a very murderous rampage when his demonic hate turned him into a demon from Hell.

WE GASPED!

Carter Kenrick: I remember Blanche all too well, she'd met my family before in the past, and she drove Caleb away when he turned into that bloodcrazed demon from Hell.

Cage Blunt: I did remember feeling an ice cold presence right where Caleb was, but I had no idea she was also a Guardian Angel of Lincoln's, and I can guess she...!

James Blunt: Knew we were vampires, we can keep some humans in the dark about our true selves, but if they're worthy, we can show them, but when it comes to those who have powers and have supernatural ties, they can see right through us.

Nico: I had no idea about that. But, wow!

Lincoln: But, I also had no idea she also drove Caleb away.

Jack Howard: That was back when he was that blood-crazed demon from Hell.

Snake: Looks like we got some pelts to bring home.

Speed Demon: And Scar's reign is at an end.

Me: Good riddance.

Pied Piper: With no way he's coming back.

Qin: Yep.

Simba: I want to thank you guys for this. Without you, Scar's reign of terror wouldn't have ended

Femme Fatale: It was nothing, Simba.

Me:Aww it was nothing.

Iron Lung: But we know how you're closing this out.

Simba and the other lions of Pride Rock then roared

Jeri Katou and the lions with us roared!

Baihumon roared too.

LION ROARING!

We stopped later.

Nico: Great job today everyone.

Me: So awesome.

Jeri Katou: (To the viewers) This was epic and so fun!

Me: It sure was.

We returned home and went to Lynn's table for a fun meal.

We returned home, and hours later, night fell on the city, and Lincoln's harem and Guardian Angels were heading to the hot springs in Lincoln's room.

Lily the Mermaid: We did it, we finally got rid of scar.

Anna Anyanova: And we also got rid of Zira and Nuka as well, and we drove off Aurelius Frostine.

?: (Beastly Gruff Manlier Voice) That's for sure, and I'm gonna enjoy tearing his butt apart when we get after him tomorrow.

Then, just as they were about to enter the room, they caught the scent of roses and a strong cologne in the air, and as they opened the door, there in the hot waters of the now expanded hot springs was Lincoln in the hot waters, but they also saw his towel was on the rack along with his orange speedo, and when his harem saw him, they had an atomic red blush on their cheeks and their noses gushed out blood.

Lincoln: (Seductive Beastly Gruff Manlier Voice)(Flexes his massive arms and his massive biceps bulged even more with more veins forming)(Smirks) Like what you see, ladies?

They could only nod, and they went up to Lincoln as they stripped off their clothes leaving them in their two-piece bikinis and they joined Lincoln and the hot water's minerals really did wonders for them. Then, they went to the massive expanding sauna, and the hot steam really did wonders in opening their pores.

Finally, they got out and the girls were on top of Lincoln as they kissed passionately.

Girl Jordan: (Rubs Lincoln's massive pecs)(Seductive Voice) My God, you're still the same intense kisser from long ago, and getting pumped full of Regina Fessterox's Perfect Gene-Slammer serum and Perfect God serum and Savage Serum along with her patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility and fertility growth serums and potions has already gotten you ready for another...passionate night. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Then, Lincoln wrapped his arms around Lily the Mermaid's waist and laid her on his bed with him on top of her and he kissed her passionately as he still had his arms around her

and she had her hand on his towel around his waist about to remove it and leave him in the nude with the rest of his harem joining in.

Lincoln: (Seductive Beastly Gruff Manlier Voice)(Smirks) You bet. Alright then, I hope you're ready, ladies. (Seductive Wolf Growl)

Lincoln used his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

THE END

Another awesome chapter done.

Now we've seen the last of Scar and his evil family.

SOVEREIGN OF THE NORTH VS SPACE CLONES

THIS IS AN INTERSTELLAR BATTLE WITH THE SOVEREIGN OF THE NORTH AND SPACE CLONES

In the early morning hours of 12:00 AM, Lincoln was asleep along with his harem and kids, and he had a dream as it took him to a distant galaxy, and there he saw what he couldn't believe: he saw a planet of endless bronze and light and protected by powerful omnipotent angels, the males who spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters, but they also had immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of bronze and light times infinity, and the ability to grow even stronger, and they were given incredible godly powers and immense virility and male fertility, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to their planet where he would meet the males and when he'd arrive, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the males into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of bronze and light times infinity, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb their planet and its core into his body and their planet's Sun into his body to preserve their legacy.

Lincoln woke up.

Lincoln: Holy moly, what on Earth Omega was that?!

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) No way, that world you saw, that was Bronzeaira, a planet of endless bronze and light in The Forbidden Zone, and protected by powerful omnipotent angels known as The Bronzeairans, the males who spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters, but they also had immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of bronze and light times infinity, and the ability to grow even stronger, and they were given incredible godly powers and immense virility and male fertility, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to their planet where he would meet the males and when he'd arrive, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the males into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of bronze and light times infinity, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb their planet and its core into his body and their planet's Sun into his body to preserve their legacy.

Lincoln: Whoa! A planet of endless bronze and light! That's so awesome!

?: (Strong Manly Voice)(Divine Heavenly Godly Voice) Actually, we have something that we need to tell you, Lincoln Loud.

Lincoln got up and got dressed, and he went outside, and then, he was met by a strong-looking man who was really tall at 950'11" with abnormally massive and powerful upper and lower body muscles and twelve-pack abs, he was shirtless with a bronze sun and moon on his chest, he has long dark brown hair going down to his shoulders, yellow eyes, white angel wings, he has on a brown loincloth, and black sandals, and this was someone Lincoln recognizes all too well.

Lincoln: (GASPS) Bryan Bronzeaira, King of The Bronzeairans of Planet Bronzeaira.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln, you know him?!

Lincoln: I do, he's the father of my Guardian Angel, Brittney Bronzeaira. (GASPS) Now, I remember, I've been here before to Bronzeaira eight years ago.

Then, all of the other septillions of trillions of male Bronzeairans came to Lincoln.

Bryan Bronzeaira: That's correct, you came here eight years ago when my daughter wanted to introduce me to you. (Smiles) You've grown that much stronger and taller, you're now as tall as me, and you're also even more muscular than all of us males, and it's no wonder my daughter couldn't even keep her hands off you as you grew into the man she and the others had helped you become.

Lincoln had an embarrassed blush on his cheeks and muzzle as Bryan Bronzeaira chuckled.

Lincoln: And there's something I need to tell you.

Bryan Bronzeaira: I know. You had the dream. But, first, we got trouble, apparently, clones of Atomic Betty have been sighted on Bronzeaira, and they're causing havoc.

Lincoln: What?! But, Betty told us they were good, why are they acting evil?

Bryan Bronzeaira: We saw someone there who poisoned them with darkness, he looked like Nico, but he had a pitch black aura of pure absolute evil.

Lincoln knew who that was!

Lincoln: (GASPS) Universe 666 Nico, he's the one who made them evil?! That miserable two-faced heartless snake! I hope you kicked him off of Bronzeaira.

Bryan Bronzeaira: Yes, we did, but he swore revenge and unleashed the clones of Atomic Betty to destroy our planet, but we had them put in bronze prisons, you need to free them.

Lincoln: And we will. I got to tell the others about this.

Bryan Bronzeaira: We will do so when you wake up, now then.

Suddenly, Bryan Bronzeaira chanted an ancient incantation and a magic circle appeared below Lincoln's feet and it glowed with incredible power.

Bryan Bronzeaira: Do not worry, we will always be with you, Lincoln, now and forever. Our legacy will be preserved within you.

Suddenly, Bryan Bronzeaira and the other septillions of trillions of male Bronzeairans embraced Lincoln, and one by one, they began entering his body and they merged with him as he absorbed them: mind, body, and soul, and that led to Lincoln suddenly gaining an infinitely astronomical massive power boost and he gained their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of bronze and light times infinity, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! This feels incredible. RRGH!

When it was all done, Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces, animals, and mythological beasts and rainbow protective aura and holy white aura was raging like a really massive wildfire and he has a bronze aura with bronze coins surrounding him as he pounded his chest like a gorilla.

Lincoln: Whoa...! (GROWLS) This feels so incredible!

Suddenly, Lincoln flexes his massive muscles as his massive biceps bulged even more with veins forming and the image of tank turrets firing formed on his massive biceps and the image of cannons firing formed on his massive pecs.

Lincoln: (GROWLS) RRGH! Ooh yeah, this is so awesome! (WOLF ROAR)

Bryan Bronzeaira: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Letting the beast out, all the males of the Forbidden Zone planets including us do tend to do that on many occasions to show our virile dominance which made the many females swoon over us.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln's grown that much bolder and confident thanks to his Guardian Angels.

Lincoln disappeared in a flash of light and came back to his room, and as soon as he did, his harem were up and they got his note along with sensing his sudden energy and power surges.

Lily the Mermaid: We got the note, and you explained everything. Plus, we also felt your sudden energy and power surges. (Smirks)(Rubs Lincoln's massive pecs) And you're even more insanely ripped than ever and full of even more infinite energy.

Lincoln: (Seductive Wolf Growl)

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-

times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him, but it suddenly became even stronger due to the powers of the Eroticairans of Planet Eroticaira he has and his primal urges went wild.

The noses of Lincoln's harem literally gushed out blood like a fountain, and they swarmed around him and they felt every last muscle in his body as he proceeded to do the bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure from their touches as they rubbed his massive pecs, biceps, forearms, legs, back, and twelve-pack abs.

Lincoln's Harem: (Swooning) So manly...!

Erosa Eroticaira: (Swooning) Oh my God, we never get tired of him doing bodybuilding poses and he's still such an absolute pro!

Suddenly, Lincoln pounced on his harem and he was on top of them and they were on his bed.

Lily the Mermaid: Whoa...! (Thinking) Now, he's really REALLY AROUSED!

Then, he kissed all of them passionately on the lips as they engaged in a hot make-out session, and when they were done making out, the girls had massive atomic red blushes on their faces, hearts in their eyes, and their noses were gushing out blood like fountains!

Girl Jordan: And that much more passionate and even more hotter than ever.

Suddenly, Lincoln's room glowed and expanded even more: his gym had expanded with more weight machines, equipment, and dumbbells, more libraries of spellbooks and volumes of histories from civilizations of ages and eons past were included along with the expansions of their merged castle, hot springs, massive extra-extra large never-ending expanding bathroom for him and his expanding harem, and massive extra-extra-extra large never-ending expanding bed for him and his expanding harem.

Anna Anyanova: That was the surprise you had planned for us. But, you're gonna have to explain it tomorrow.

Lincoln: I will. (Smirks Seductively) Now, then, where were we?

Lincoln and his harem had another intense and passionate lovemaking session, and they went back to sleep a few hours later. Then, as morning came, Lincoln, his harem, and his kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

J.D. 2: And I felt your sudden power and energy surges last night, Lincoln, all of us did.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) I knew you'd be the first to react,

J.D., let me explain.

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome!

J.D. 2: This was no ordinary planet. Lincoln, do you have a book about the world you went to?

Lincoln ran to his room and flew to the top of his massive vast collection of libraries and found the very book and brought it to J.D. 2.

J.D. 2: I knew it.

He opened the book, and we saw it: the planet Lincoln saw in his dream.

Me: Whoa! what is that place?

J.D. 2: This, J.D., is Bronzeaira, a planet of endless bronze and light in The Forbidden Zone, and protected by powerful omnipotent angels known as The Bronzeairans, the males who spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters, but they also had immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of bronze and light times infinity, and the ability to grow even stronger, and they were given incredible godly powers and immense virility and male fertility, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to their planet where he would meet the males and when he'd arrive, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the males into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of bronze and light times infinity, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb their planet and its core into his body and their planet's Sun into his body to preserve their legacy.

He finished and returned the book to Lincoln's room, but we were immediately stunned.

Me: WHOA! But, why didn't you absorb Bronzeaira and it's core and its Sun last night?

Lincoln: That's what I want to tell you.

Lincoln told us of what happened last night, and when he was done, we were pissed off! UNIVERSE 666 NICO, YOU JUST CROSSED ANOUTHER FUCKING LINE!

Nico: THAT HEARTLESS, TWO-FACED, DESTRUCTIVE, OMNICIDAL FUCKING SNAKE FROM HELL!

Universe 666 Me and Prime Universe Me: THAT DISHONORABLE FUCKED-UP PILE OF GARBAGE!

Universe 666 Lincoln: I cannot believe he did that! That absolute scum of the Earth!

Eli: Well, now we know what we're doing for our main mission today.

Lincoln: That's right.

Golem came to Ebonwumon's room and he was a giant tree. Ebonwumon's room was a jungle full of life.

Golem: Ebonwumon it's time to wake up.

Ebonwumon moved and came out and he had his green aura flared up.

Ebonwumon: {First Head} (Irish Accent) Oh why'd you have to wake me Mr. Wakeyrouser Mon! I was having the nicest dream! Oh good morning Golem. {Second Head} It must be time for breakfast. We'll be right down.

Golem: Awesome.

Ebonwumon went to the table with Golem.

Me: Morning Ebonwumon.

Ebonwumon: {First Head} Oh good morning lads. {Second Head} We're really excited for this one.

Me: I can tell.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and

999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his large gold halo and smaller halo with intricate designs made of light and The Sun and The Moon in it in the center and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Atomic Betty's archnemesis, Maximus IQ, he's back from the dead and he's on the planet Hoth, and he has a Wampa with him.

Betty: What the? Maximus IQ's back?!

Nico: Yep, and he has a Wampa with him.

Lincoln: Uh oh, a Wampa is a carnivorous, semi-sentient white-furred primitive species of mammals that's native to Hoth, we'll send it to The M.O.E., but as for Maximus IQ, he's going to jail.

Nico: Specifically The Null Void.

Suddenly, Lincoln felt a sharp pain on his even more wider and even more muscular back, and then, his enormous white angel wings with orange, golden yellow, and aurora tips on the now enormous 999,999'11" white feathers with a very massive wingspan of 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999'0" grew larger for his body and his now 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings with colored tips underneath his massive white angel wings with various incredible wingspans also grew much larger and the shoulder blades of his massive white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his massive white angel wings still have eyes with rainbow irises along with white fur on the shoulder blades.

Me: WHOA!

Nico: Damn, that really felt good. This is due to what we did to Aurelius Frostine's army of monsters yesterday. (Flexes his massive arms and biceps bulged out even more with veins forming)(GROWLS) This is so awesome!

Me: I'm gonna enjoy beating the shit out of Maximus IQ.

Ymir: Man it's really cold!

Me: Well it's an ice planet.

Camie: Yep.

Lola: Sure is chilly.

Xenia: Yep.

Shocksquatch: Sure is perfect for me too.

Nico: Shocksquatch, I want to thank you, Rajang And your teams for coming

Shocksquatch: No problem Nico. This will be awesome and fun.

Vierra Voltic: Sure is cold.

Jessie: Better than being hot.

Vierra Voltic: Funny, someone as old as you should be used to this kind of weather but if you keep complaining like that you'll get wrinkles!

BURN!

JESSIE WAS INFURIATED!

Jessie: NO ONE CALLS ME OLD! HOW DARE YOU!?

Elesa: That was funny!

Me: It sure was.

Camie: Yep.

Nico: Yep.

Elesa: I agree there. Also Nico, your friend Vierra has a lot of guts saying that to Team Rocket.

Nico: Yep. Her favorite target to roast is Team Rocket.

She showed a tattoo on her arm and it was the no sign over the R for Team Rocket.

Vierra Voltic: I am known as the Queen of Roasting.

Manaphy: You should roast Butch and Cassidy they would love getting roasted by you.

Vierra Voltic: (LAUGHS) You're on Manaphy. Fudge and Sassidy are more of my favorite targets too next to Jessie and James.

Me: I got to see this later.

Ash: Elesa, How are things at the gym?

Elesa: Oh Nimbasa Gym is always busy and fun. But all our pokemon are doing great too.

Qin: Awesome.

Elesa: My Emolga and Zebstrika are all doing great. We have many more pokemon too.

Me: Cool.

Gira: You like to do fashion, right?

Elesa: I sure do. I love showing off in awesome clothes.

Leni: I got some totes amazing outfits for you.

Rarity: Oh me too darling.

Me: Yep.

Elesa: I love it too.

Me: Cool.

Qin: Yeah.

Horsea: Good to know.

Me: Yep.

Jeri Katou: But yesterday was so amazing.

Me: It sure was! Now the Pridelands are forever free of Scar's evil shadow.

Nico: And the darkness of his family.

Xenia: Good riddance.

Me: Mufasa, Simba and their families are now forever free.

Poromon: I liked the roar at the end

Me: Me too.

Qin: So awesome.

Jeri Katou: That was cool.

Lola: It sure was.

Nico: His spirit is gone. But the body was still intact

Me: And now it's a lion skin rug on my floor.

Varie: Adds a nice touch.

Qin: It sure does.

Eli: I agree there.

My Celebi agreed there.

Nico: Even Celebi likes it no doubt.

Me: Yep.

Baihumon: And that day showed that even the tiger is just as superior as the lion.

Me: Both equal in rank and power.

Baihumon: That is for sure. And man my Akuma packed a wallop!

Qin: No kidding! That was an amazing fortress.

Baihumon: I looked awesome like that. Also it wiped out all the remaining Villain Team Remnants in hiding.

Me: Except for grunt girls from each of them.

Skyla: But I have a feeling we'll see more of Team Plasma soon

Me: On your day to shine no doubt Skyla.

N: I'll tell them to stand down if we do.

Me: You technically are still the leader of the team N.

N: Yep that's true.

Nico: Unlike Ghetsis.

N: That is probably who we'll face on Skyla's day.

Skyla: But we'll be ready for him.

Me: Yep.

Nico: By the way J.D. how did Professor Oak react when he heard you opened the G.S. Ball?

Me: He was really shocked out of his skin!

At Professor Oak's Lab, I told Professor Oak everything.

Professor Oak:WWWWWHAAAAAAAAAAAAAAAATTTTTT!?

The screen shook from that revelation!

Professor Oak: You seriously opened it!? How!?

Me: I found out that the G.S. Ball was made with the powers of Ho-Oh and Lugia and their power was what made it so difficult to open. I interrogated the Indigo League Elite 4 member Pryce and he told me how he made it. It was to capture the legendary Time Travel Pokemon, Celebi. He made it to control its power and travel back in time and save a family of Lapras he knew all those years ago.

Professor Oak: Oh wow! That is amazing.

Me: Yep. And I opened it by using my magic and my Rainbow Power. The ball was heavily reinforced with magic and it took incredibly powerful magic to open it.

Tracey: That is incredible! No wonder they had so much trouble opening it.

Professor Oak: Wow! And you solved a massively huge enigma not even Kurt, myself or any of my colleagues could figure out.

Me: That is for sure.

Professor Oak: Well done to you.

FLASHBACK ENDS

Me: That's how he felt.

Nico: Wow! That is amazing how you figured it out.

Deadpool: That is because we didn't figure it out because the G.S. Ball was discontinued long ago in the anime of Pokemon.

Jamesdean5842: He's right on that. After a few episodes with it, it was totally scrapped and left in a total cliffhanger. The wanted to focus on Celebi in the 4th movie of Pokemon.

Nico: That sucks.

Poromon: We actually didn't know that

Poliwag: Yeah!

Nico: That sucks.

Me: Yeah no kidding.

Nico: Well done though J.D. You managed to figure out a secret that baffled even the great scientists of pokemon.

Me: I don't want to brag. But yeah.

Maria: Echo Base sure is busy.

Me: I know.

Luke Skywalker: So many memories here.

Me: Including the Battle of Hoth.

Eli: I'll never forget that. That was intense.

Camie: It sure was.

Nico: Didn't you fight a Wampa here?

Luke Skywalker: I sure did. I was going after what I thought was a meteor that crashed in the mountains.

Me: That was actually an imperial probe.

Luke Skywalker: Yeah it was. I was caught off guard and caught by a Wampa.

Me: I remember seeing that in the movie. That Wampa was a nasty piece of work. Also they act in every way like a Yeti and a Polar Bear here.

Nico: It is not like Cookie Monster

Me: That is silly.

Poromon: Yeah no kidding! Whoever heard of a Wampa eating cookies? No offense to the Cookie Monster.

Xenia: Yeah.

Camie: That is funny.

Ymir: Hey look.

We saw a Tauntaun.

Me: That's a Tauntaun.

Ymir: Cute guy aren't they?

Me: Yep and they are used like horses here on Hoth.

Ymir: They look like Kangaroos.

Me: Except they don't hop like them. They run. But they are cool.

Horsea: They sure are.

Me: Yep. And Vierra don't intimidate Jessie. She is not with Team Rocket anymore.

Vierra Voltic: I know that. I just like to roast Team Rocket because it's funny.

Me: Oh.

Vierra Voltic: Jessie better behave herself around me or I'm going to chop her hair like that Scyther did and give her a REALLY NASTY Crewcut.

JESSIE GASPED IN SHOCK AND RAGE!

Jessie imagined herself with her hair cut into a terrible crewcut.

Jessie: THAT'S MY WORST NIGHTMARE!

Horsea: Geez!

Vierra Voltic: Well it's better than being bald and having a big ugly nose.

BURN!

Patrick: Like Squidward.

Squidward: HEY!

Jessie fainted.

FWOMP!

Lincoln: Okay, guys, we're in for one intense battle, we're here on the planet of Hoth to help Bulk Biceps unlock his Rainbow Power and take down Maximus IQ and send him to The Null Void and send the Wampa to The M.O.E.

Me: We're gonna make Maximus IQ regret returning from the dead.

Nico: That overgrown hairball's gonna pay for what he's done.

We had all of TLPS and The M.O.E. with us.

Eli: Those two, I don't understand why they have to be violent, and Caleb's back to being violent.

Tracer heard a Pokémon cry

Tracer: (British Accent) Wow that is a powerful call.

Me: Look up there!

We saw a Sentret on a hill standing on its tail and calling.

Me: Cool a Sentret!

Ash: It's calling out for something.

I flew out to see.

Me: I see it! He's calling out to warn us about Maximus and the Wampa coming.

Sentret: That's right. They are out there about 2,000 yards north.

Me: Good eyes.

Tracer: Good job. Here.

She gave it an apple.

Sentret: Thank you very much,

Tracer: Want to come with me love?

Sentret: I would be honored.

Me: Awesome.

Ash: We found a bunch of Sentret when we had to stop Team Rocket's Arbotank from wreaking havoc.

Me: Did you really? Wow.

Nico: The Wampa won't be a problem

Me: Nope.

But then something was coming at us in the ice.

Me: Uh oh!

We jumped away and bursting out of the ice was an ARBOK!

We landed and it landed in front of us.

Me: HOLY COW! An Arbok!

Jessie: Like the one I have!

Nico: It survived here in cold weather?!

Me: Even though Arbok is a snake Pokemon it can live in any kind of condition. It must be one of Dark Gale's work.

Sheena: It is! This is a girl named Callia Copperhead. She is a hybrid of a snake alien that Ben faced.

Ben: That's Ssserpent!

Me: She's half Serpenterran! That is cool!

Vypra: It sure is.

Kimiko: Lets go help her. Ssserpent is my archenemy.

Me: Okay.

We went over to her.

Kimiko: Okay now lets talk about this.

I pulled out a Snake Charming Flute.

She used Wrap on Horsea but she put her clone in front of her

But just as she was about to do so...

FLUTE PLAYING!

I played the snake charming flute.

It charmed the Arbok.

Nico: Wow! That was cool!

Ash: I wonder why I didn't think of that?

Misty: Probably because you didn't know how to play one.

I snapped my fingers and she reverted back and was a girl with purple hair and purple eyes and purple angel wings and had Arbok on her forehead and had a cobra attacking the Kobra symbol with Ssserpent on her arm as a cutie mark.

We wrapped her in a blanket and brought her inside.

Me: We better warm her up.

We did so by making a fire and some hot cocoa.

Nico: Where did you learn how to use a Snake Charming flute?

Me: I learned how to do it when I was over in Calcutta many years ago.

Nico: Cool.

She woke up to see Horsea's smiling face.

Callia Copperhead: (Groans) Huh? A Horsea?

Horsea: You hit my clone!

Callia Copperhead: Oh man so... (SHIVERING) Man it's really cold! Where am I?

Me: You're on the ice planet of Hoth. It's really cold.

We gave her hot cocoa.

Callia Copperhead: Oh thanks.

Me: You're welcome. Also you were turned into an Arbok by Dark Gale.

Callia Copperhead: Oh man! I Was in pursuit of Ssserpent as he was hitting a meat packing plant. He loves steaks.

Me: I can tell.

Kimiko: Ssserpent is my archenemy in the M.O.E. Long story on that.

Callia Copperhead: I can tell. And wait Jessie isn't Arbok your Pokemon?

Jessie: It sure is and he is cool.

Me: Yep no kidding.

Nico: Ssserpent likes steaks? I didn't know that

Callia Copperhead: Yeah he has a really big taste for beef.

Me: I see. Wait. That's the symbol of Kobra on your cutie mark.

Callia Copperhead: Oh yeah. I am part of a Plumber secret group called Anti-Venom. We have one big goal and that is to destroy the evil organization Kobra. You know who they are right?

Me: Yeah we do. We killed all of them.

Callia Copperhead: Good. Our group is like a splinter cell group for the Plumbers. We use highly advanced cutting edge technology and ultra powerful weapons and combat skills to combat our enemies to protect the city.

Me: That is amazing.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her new purple clothes and a darkness sword.

Callia Copperhead: I look great.

Nico: You sure do.

Me: Yep

Nico: Now to find our targets.

Lincoln: (Sensed for Maximus IQ) AHA! Gotcha, I found Maximus IQ and the Wampa.

Me: I think Sentret already beat you to it Lincoln.

Then, he attacked and slashed at him with his massive greatsword and gold-armored dragon claws on his finger tips and rainbow wolf claws on his finger tips and left bleeding scars on Maximus IQ.

Maximus IQ tried to attack Lincoln with his claws, but Lincoln countered with A REALLY STRONG PUNCH TO THE FACE THAT SENT HIM FLYING INTO A SNOW MOUNTAIN WHICH SPLIT IN HALF AND FELL ONTO MAXIMUS IQ!

OUR JAWS DROPPED!

CLANG!

LINCOLN CLOSED OUR JAWS USING TELEKINESIS!

Me: HOLY JUMPING NUCLEAR HOT PEPPERS!

Nico: OH! MY! GOD! JUST HOW...JUST HOW MUCH STRONGER IS LINCOLN GOING TO BECOME!? HE'S ALREADY IN THE SAME LEAGUE OF POWER AS ME, J.D., ELI, AND ALL OF US!

Anna Anyanova: Lincoln continues to get stronger to push past his limits like all of us, his love for all of us, his determination to see things through, that combined with his personality make him who he is.

Maximus IQ got up, but he was beyond pissed!

Maximus IQ: You...! YOU!

We landed and I punched him in his face.

Me: Funny and I thought cats like you hate the cold!

Maximus IQ: It's funny that you think I'm alone.

Me: Oh we weren't thinking that. Thanks to our friend Sentret we saw you and your Wampa friend coming.

Nico: And they say you're very smart. Well guess what catface, we're smarter.

Qin: YEAH!

Me: And another thing...

LASER POINTER MAGISWORD!

I fired a laser beam and a red dot was on the ground and he played around with it.

Me: See that red dot? What is that?

Nico laughed hysterically!

The Wampa appeared.

It roared.

Qin: WHOA!

Vierra Voltic: Nasty!

Poromon: (Echoing) LIGHTNING JAVELIN!

Poromon fired a blast of lightning and electrocuted it.

Sentret charged at them And bashed them both with a powerful headbutt!

Tyler Nevarro, Scarlet, Courtney, Lightning, Whitney, Fiona, Jaden, TD Gwen, Alexis and Liam Blasted them both with the powers of their rings.

Qin: Take that!

Xenia: YEAH!

The Wampa grabbed Poromon and slammed him to the ground many times.

But Hulk was faster and grabbed the Wampa and he let go of Poromon and the Hulk smashed and pulveried the creature.

SMASH SMASH SMASH SMASH SMASH!

He was really smashed into pulp.

The Wampa grabbed Horsea and slammed her into the ground multiple times.

But she slipped out of the Wampa's hand and blasted his eyes with ink.

Horsea: Take that you walking ball of fur!

I punched Maximus in his face and Betty kicked him in his face too.

Maximus: Even if you defeat me, I still have a nasty surprise in store!

Me: Oh really? Please humor us.

Maximus: Betty you remember those clones of you?

Atomic Betty: Yes I do. Why?

Maximus: I think you can figure it out from there…

Eli: He knows something! I can sense it.

Me: I feel it.

Nico: Whatever it is, we'll take care of it easily!

Callia Copperhead: Lets bring some snake power!

Kimiko: You got it!

Callia and Kimiko: FIRESNAKE VENOM BLAST!

They fired waves of fire and energy and it formed into a snake of fire and it blasted him with fire.

Nico: Ssserpent is unavailable right now.

Me: But his archenemy is available.

Time to pay!

Suddenly, Lincoln was surrounded by an immense orange and yellow aura with flames surrounding her and with wolves surrounding him as The Sun shined even brighter and heavenly lights shined down from Heaven.

Eli: He's about to use the fire elemental variant of The Atavism of The White Wolf of Amaterasu!

Lincoln: (Speaking in Japanese) 夏の炎と天空の炎に呼びかけ、この忌まわしき悪を討ち滅ぼし、永遠の破滅の地へと送り届けよ！祝福された者たちの魂よ、蘇り、强大な狼の姿を取り、罪人たちに永遠の罰を与え、冥界の闇へと永遠に堕ちさせよ！ 我が歌に天の審判を授け、この忌まわしき悪を永遠の安息の地へと送り届けよ！ (Translation: I call upon the flames of Summer and The Heavens to bring down this terrible abomination of evil and send him to his place of eternal damnation! Let the souls of the blessed rise and take the forms of mighty wolves that bring the damned their eternal punishment and send him to the darkness of the Underworld forever! Let my song bring forth the judgement of The Heavens and send this abomination to his eternal resting place!)

Lincoln sang a heavenly song and let out a howl as immense light shined down from the sky, The Sun, and from the Heavens and flames formed behind Lincoln and formed into red wolves with glowing yellow and orange markings on their paws that look like flames and they ran at Maximus IQ and attacked him with fierce fury.

Then, I held out my left hand and fired 999 massive balls of fire at Maximus IQ, and they collided and exploded as they hit him, and I also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16 and the immense powers of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more along with the immense divine powers of The Gods and Goddesses of The Ancient World.

Finally, I formed a massive blue fireball in my left hand and I threw it down, and then, it sunk into the ground unleashing a storm of lightning bolts and raging fire, and...!

Alexander Maxwell and Tyler Maxwell: TIME TO DIE, ASSHOLE!

Alexander Maxwell and Tyler Maxwell charged at Maximus IQ, and they fired extremely powerful blasts of black and crimson red, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, Divine Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, hellfire, vampire bats, phoenixes, and angels at him, and Tyler Maxwell also attacked him with swings of his massive spear and he even shot at them with his machine guns, while Alexander Maxwell slashed at him with his massive greatsword and shot at him with his guns.

Then, Maximus IQ got pissed off and charged at Alexander Maxwell and Tyler Maxwell to tear them apart, but before he got close...!

Caleb Maxwell: DON'T YOU FUCKING DARE LAY YOUR DIRTY HANDS ON MY BROTHERS!

CALEB MAXWELL GOT IN FRONT OF HIS TWO BROTHERS AND PUSHED AWAY MAXIMUS IQ, AND HE CHARGED AT HIM WITH HIS MASSIVE GREATSWORD IN HAND, AND...!

Caleb Maxwell: DIE, MAXIMUS IQ!

CALEB MAXWELL DEALT A MASSIVE HARD SLASH TO MAXIMUS IQ'S CHEST AND HE WAS REALLY BLEEDING OUT HARD!

Eli: Oh no!

Cage Blunt: (Smirks) He's back! The Dark Angel of Bloody Vengeance is back!

THEN, CALEB MAXWELL PROCEEDED TO ATTACK MAXIMUS IQ BY SLASHING AT HIM WITH HIS MASSIVE GREATSWORD LEAVING BLEEDING AND NASTY SCARS ON HIS BODY, AND HE EVEN SHOT HIM ALL OVER THE PLACE, AND BLOOD WAS BEING SPILLED ALL OVER THE PLACE!

We all have our place

We can't make a rainbow without all the colors

And we can't make a friendship without one another

'Cause there is nopony quite like you

So let your magic run wild

Let your magic run wild

If you could only see everything you could be

You would spend your whole life shinin'

Let your magic run wild

Let your magic run wild

(Now it's the time to light up the sky)

Let your magic run wild

(Now it's the time)

Look at the night sky, filled up with stars

Each one is perfect, just as they are

But they're brighter together, each leaving their mark

So beautifully different, all lighting the dark

'Cause nopony sparkles quite like you, ooh

So let your magic run wild (now it's the time to light up the sky)

Let your magic run wild (now it's the time)

If you could only see everything you could be

You would spend your whole life shinin'

And Ed Cowart finished by dropping a giant piano on Maximus IQ.

Ed Cowart: My favorite key! B Flat.

WE WERE ON OUR BUTTS LAUGHING HYSTERICALLY AT WHAT ED COWART DID!

Then, we were about to attack him, but then...!

Maximus IQ: Wait, wait! Don't kill me! Let me help you with something!

We powered down, but we kept ourselves on guard.

Nico: About what?

Maximus IQ: Look, it's about the clones of Atomic Betty, she may have created them, but someone made them evil. They wrecked my lair, and I saw the person, he (pointed at Nico) looks exactly like you, but he was absolutely evil, he was completely twisted in the head! He was out to destroy every last trace of life in existence!

Me: We already know about Universe 666 Nico and what he's capable of.

Maximus IQ: It's not just that, I saw someone else with him, he had ice in his veins and he terrified even me! He said he wanted revenge on Lincoln and his Guardian Angels and made an alliance with him along with several others.

Amihan Frostine: That was Aurelius Frostine!

Lincoln: And those others he spoke about, one of them was Aodhan Vulcania before he came to us, along with Abaddon Kendrick, the older brother of Zarya Kendrick and member of the Steelswarm Subjugation Coalition and those others, they're none other than the older brothers of the other groups of Guardian Angels: The Gusto Wind Masters of Patience, The Constellar Star Masters of Grace, and The Gishki Maelstrom Tides of Purity. (Sensed it with The Force) He's telling the truth.

Sebastian Mendez: Yes he's telling the truth. I sense it.

Eli: (Sensed it with The Force) Lincoln and Sebastian are right, we both sensed it with The Force.

Nico: So, those pieces of shit have allied with that two-faced snake. Guess they found out about what you did to Aodhan Vulcania, Lincoln, and what you're gonna do to Aurelius Frostine.

Me: We'll be sure to send them one big "Screw You" to those pieces of shit when you kill Aurelius Frostine, Lincoln. (To Maximus IQ) I suppose we should thank you for telling us about what we're going to face today and who was to blame for it.

But, then, we handcuffed Maximus IQ.

Me: But, that doesn't change the fact that you caused so much chaos in your schemes to take over the galaxy.

Maximus IQ, you are hereby sentenced to The Null Void for eternity.

Albedo: And as a final act of mercy, you'll be put in my old cell.

Maximus IQ: Oh...cat litter...!

We grabbed him and sent him into the portal that led to The Null Void and into Albedo's old cell.

Maximus IQ: (Sniffs) Oh, what the?! It smells like chili cheese fries!

We closed the portal, holstered our weapons, and came back home to Earth Omega.

Nico: Well, that was one awesome battle and rescue.

Me: We sent the Wampa to The M.O.E. and sent Maximus IQ to The Null Void.

Betty: But, now we got to deal with those clones of me and I can't believe Universe 666 Nico made them evil.

Lincoln: I'm gonna make sure I purify them after we take them down, and I'm gonna make sure that I send out a very threatening message to the piles of garbage who've allied with that snake.

Amihan Frostine: Aurelius needs to die, there's no doubt about it.

Adara Vulcania: Aodhan already paid the price for his crimes, and now, we also got Zarya Kendrick's equally heartless older brother to deal with along with the other bastards to get rid of.

Me: Just how many enemies do you and your Guardian Angels have, Lincoln? They're just as many and numerous as my old enemies and Nico's.

Nico: He's right, we've had a lot of old enemies from the past, but you? What kinds of sick bastards try to kill an innocent kid?!

Lincoln: Obviously, sickos who have an uncontrollable penchant for blood and destruction.

Lori: Dark Chase Young has already paid the price for his crimes along with the majority of your most hated enemies, Lincoln.

Luna: However, more of your old enemies rise again to take their place, but they wind up meeting the same end.

Lincoln: Yep, and that's death.

Me: Yep.

Nico: Maybe one day, he'll be Masters of Evil material

Me: Maybe.

Albedo: Nice to know that my old cell smells like chili fries.

Me: Lets get back home.

We arrived back on Earth Omega and it was warm.

Me: Ahh...

We took off our coats and warmed up.

Qin: Much better.

Callia Copperhead: Good to be back home.

Albedo: Now I'm hungry for Chili fries.

Me: Me too.

Ben: Same here.

I made us some.

James: Put something special on yours J.D.

Me: Cool.

We got to eating.

Me: Mmm!

Then a volcano erupted in the background.

Then my fire aura exploded out!

Me: WHOA!

James: Our Team Rocket hot sauces.

Me: Nice!

Nico: GEEZ!

I ate mine.

Albedo: Love all these.

Nico: Nice job, Sentret

Sentret: Thanks. It was fun.

Poromon: Want some beer?

Sentret: Oh no thanks. I only eat chili fries.

I gave him some.

Sentret: Thanks. (Eating)

Me: A Pokemon that loves Chili Fries. Cool.

Albedo: Nice.

Poliwag does puppy eyes.

Poliwag: Pwetty pwease?

Nico: Poliwag that's enough.

Sentret: Nice try though.

Nico: Anyone have plans later?

Me: Me and the mascots are going on patrol later.

Qin: Cool.

Lola: Awesome.

Nico: Oh Shocksquatch, what do you like to do. in your free time?

Shocksquatch: I work at the power plant and fix the power generators.

Me: Cool!

Nico: Good job there.

Shocksquatch: It sure is.

Qin: Cool.

Me: Yap.

Nico: Now for the Anothers.

Lincoln: (Sensed The Anothers) Ah, and the Anothers are coming.

Eli: (Sensed them) Lincoln's right, the Anothers are coming, and one of them is Another Ebonwumon.

Ebonwumon: (Irish Accent) Aye, it sounds like someone whom I'd known from long ago.

Lincoln: We'll have to see who it is.

Me: Yep.

Jessie: Before we face them I could go for some food.

Vierra Voltic: Keep it up and you'll get fat like a sumo wrestler!

BURN!

Nico: This isn't gonna end well.

Jessie: (GROWLS IN RAGE AND FURY WITH INTENSE FLAMES!) I WILL SHOW YOU FAT!

She went at her and Vierra punched Jessie with a powerful lightning fist and electrocuted her!

ZZZZZZZZZZAAAAAAAAAAAAAAAAAAAAAPPPPPPPPP!

KRABBBBBBBOOOOOOOOMMMM!

It exploded and sent her flying high into the air!

Jessie: I'M BLASTING OFF AGAIN!

TING!

Me: WHOA! Hope she doesn't crash in the desert.

TING!

SHE SCREAMED AND FELL RIGHT INTO THE LAKE!

KRASPLASH!

She really felt that!

Me: Boy just herself this time. Usually it's all of Team Rocket.

Nico: Yeah.

Jessie: (Dazed) Hey mommy where is my ice cream sandwich?

Me: Funny.

Nico: I hope this doesn't happen every day.

Me: It's still funny. Almost as funny as giving Crackhouse Minnie and Goofy their just desserts.

Qin: Yeah.

Nico: True. Now who do we have?

Me: Well Shocksquatch, Elesa, Zapdos, Pikachu, Chinchou and Elekid are up and we're facing Another Rajang, Chameleon Bot, Lightning Angler, Denki Gamma, Totem (Mega Man) and Wheel Totem (Mega Man).

Lola: Electrifying.

Me: Yep.

Nico: There they are!

We saw Another Chameleon Bot, Lightning Angler, Denki Gamma, Totem (Mega Man) and Wheel Totem (Mega Man)!

Me: This will be intense!

Lola: Yep!

Another Lightning Angler: (In a girls voice) It sure will be fun!

They reverted back and it was the gene-slammer of Evil HERO Infernal Princess!

Nico: Irena Inferna!

Irena Inferna: Good to see you Nico.

Nico: You too. Irena is my friend from school. And she is known for having a fiery temper. Also she likes roasting Team Magma.

Vierra Voltic: I remember that. Good to see you again Irena.

Irena Inferna: You too Vierra. You roasting Jessie?

Vierra Voltic: I sure am and as you can see she is getting REALLY pissed every time and loses.

Irena Inferna: I can see that.

Me: Boy I can tell there are a few of Nico's friends that hate all the Pokemon Villain teams.

Irena Inferna: Yep there sure are.

Me: By the way are the rest of the Anothers friendly or hostile?

Irena Inferna: Friendly and awesome.

Me: Cool cool.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

She glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books and purified them.

Me: YEAH!

Nico: And now, we wait.

Me: Yep. (LOUD FART) Oops sorry.

Nico: What did you eat?

Me: Chili on the chili fries. Sorry.

Nico: No worries.

Maria: Time for backup! (TURNS DIAL) ICE DRAGON FORCE!

She summoned Ice Dragon (Kirby's Dream Land 2), Scarlet Glaciator, Snowflake Obsidian, Espio Man, Fantomius, Scarlet Stormy Weather and Leopard Seal (Pebble and The Penguin)!

Lola: YEAH!

Poromon flew on top of Nico head

May: You know I've been thinking. I wonder if the Jetman monsters are aliens and can be scanned with the Omnitrix?

Qin: Hmm.

Nico: Good question.

Me: Like Dimensional beast Takoyaki Jigen

Nico: We'll have to test that out

Me: That is a good theory. Oh look!

We saw Another Rajang and Another Ebonwumon!

Me: WHOA! This is gonna be intense. (Sniffs) WHOA! I smell something Spicy and good!

Nico: Who are you two?

Another Rajang reverted back and it was the gene-slammer of Noodle Mask of Ghost Peppers And she had a huge big bowl of nuclear spicy ramen in her hand.

Nico: Nadia Naga Jolokia!

Nadia Naga Jolokia: Good to see you Nico and J.D. I hope you are hungry.

Me: Oh boy thank you.

She gave the ramen to me. It was glowing red hot and the spice in it was intense!

I ate it and it was UNBELIEVABLY SPICY!

IT WAS SO POWERFUL AND SPICY AND MY FIRE AURA EXPLODED OUT WITH INTENSE FORCE!

Me: WHOA! That is good stuff.

Nadia Naga Jolokia: It's my Armageddon Nuclear Doomsday ramen. It's the spiciest ever ramen in the world and made with the hottest ever hot sauces you made J.D. I use all your hot sauces in my cooking.

Me: WOW! I'm honored and glad you like using them.

I ate the ramen down and it was good.

Me: Ahh. (BURPS FIRE IN NICO'S FACE!) Oops. Sorry.

Nico: No problem.

Boruto: Boy Uncle J.D. sure loves his spicy food like me.

Me: You know me too well kiddo.

Nico: And your friend?

Another Ebonwumon: (Irish Accent) Someone who loves good Shepherd's pie lads as much as spicy food.

Ebonwumon: {First Head} We know that voice lads! {Second head} We sure do.

She reverted back and it was a girl with green hair and green eyes and had black and green clothes and green wings and had Ebonwumon on her forehead and on her arm was Genbu the Black Tortoise of the North and she had a nature staff.

Ebonwumon: Niamh Ebonwu! Great to see you lass.

Niamh Ebonwu: Same here master Ebonwumon. Glad you doing okay.

Ebonwumon: {Second Head} Boy we are happy to see you safe. {First Head} Still trying to make her the life of the party Mr. ExcitedMcEager!

Niamh laughed.

Me: Ebonwumon's arguments with his heads are funny. But you must be the 4th member of the Students of the Sovereigns.

Niamh Ebonwu: I sure am lad. I learned all about the powers of nature.

Me: That is cool.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Nadia Naga Jolokia: No he didn't. I gave him some of my ramen and he got nasty spicy mouth from it.

Sakura Knudson: That explains why his mouth was like a flamethrower and he burned everything.

Me: Potent!

Nadia Naga Jolokia: Yep. And we used that time to run.

Me: Nice.

Zocks and Kaito: ZENKAIJU GEAR!

They donned their Zenkaiju armor!

Me: COOL! Lets separate you girls first.

We did so.

Me: Lets dance.

Nico: (GETS OUT RAJANG'S RIDEWATCH) LIGHTNING POWER!

Elesa: (Gets out Chameleon Bot's ridewatch) I am the master of disguise! (TURNS INTO THE YELLOW KING OHGER)

May: (Gets out Lightning Angler's ridewatch) LIGHTNING POWER!

Universe 666 May: (Gets out Denki Gamma's ridewatch) SHOCKING!

Maria: (Gets out Totem's ridewatch) SPIRIT POWER!

They used the powers of Rajang, Chameleon Bot, Lightning Angler, Denki Gamma, Totem (Mega Man) and Wheel Totem (Mega Man) And blasted the Anothers down.

Poromon: YEAH!

Nico: Take that!

Then Number 47: Nightmare Shark, Galeos, Sea Snake Monger, Mermabot, Aquawind, Drain Damage and Louise came.

Me: WHOA!

Nico: Nice team Nightmare Shark!

Number 47: Nightmare Shark: Thanks Nico!

Eli: Sea Snake Monger! I remember you! You were used as a guard to protect a Black Magma site near a tiny, forgotten village where they were trying to access a magma plume.

Sea Snake Monger: That's right Eli. Good memory.

Me: You're one of the Sun Vulcan monsters from 1981! Wow!

Sea Snake Monster: Yep.

Eli: WOW! Wait Mermabot! I remember you! You're one of the Kikaider monsters!

Mermabot: That's right! Good eye Eli.

Eli: Thanks.

Me: Boy lots of monsters from Japan we don't know about.

Nico: Got that right!

Me: Yep.

?: That is cool!

Elemental HERO Ocean came!

Me: WHOA! Elemental HERO Ocean!

Elemental HERO Ocean: (In a girls voice) This is gonna be awesome.

Nico: Oceania Ocean! Wow!

She reverted back.

Oceania Ocean: Good to see you again Nico.

Irena Inferna: If it isn't Aqua Hater Oceania!

Oceania Ocean: Good to see you too Irena! I got this. OCEAN MAELSTROM TRIDENT BLAST!

She fired a massive blast of water from her trident and blasted the Anothers and I caught the ridewatches and purified them.

Me: YEAH!

Nico: Nice job!

Oceania Ocean: Thanks!

Nico: Oceania is called that because she loves roasting all the members of Team Aqua.

Oceania Ocean: It's true.

Me: That's fitting. Irena Infernia for Magma and fire and Oceania for Aqua and water.

Oceania Ocean: Yep that's right.

Nico: Yep.

Elesa: Do you have any good memories of Nico?

Oceania Ocean: Yep I sure do. Nico remember our slumber parties we had at your house?

Nico: I sure do.

Oceania Ocean: Me, Irena and Vierra and our friends loved those and we loved watching Pokemon and bashing and roasting the Villain teams. It was so awesome and funny.

Me: Sounds like you guys all had fun with those and Vierra showed us her magic by roasting and bashing Jessie. See?

I pointed to her laying down in the lake in a shocked stupor.

Oceania Ocean: (LAUGHS) That is funny!

Me: Yep.

Nico: It sure is.

Nico hugged Oceania.

Nico: I missed you.

Oceania Ocean: Same here.

I picked up Jessie and we went back to the estate.

We had all of TLPS and The M.O.E. with us.

Lincoln: Whoa, we're here in the world of Toukiden, and I know what we're going to do here, not only am I going to rescue the eighteen girls here, but we're going to meet Ōka and the Slayers, and we're going to be slaying hordes of Oni and freeing the souls of those they have devoured, and then, we're going to destroy Aurelius Frostine, the older brother of The Frostine Sisters, and he like Aodhan Vulcania is an evil cold-blooded, cruel, heartless, remorseless, monstrous, malicious, sadistic, two-faced, twisted bastard who was born with superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of all the Ice Barrier Monsters and he uses his powers to kill anyone who gets in his way of bringing death and destruction to all in his path, and he's been unleashing Oni all over the place to destroy the world, and yesterday, he was the one who had been sending armies of demons to attack us and Scar, Zira, Nuka, and the Outsiders in his attempt to get revenge on me for killing Aodhan Vulcania and to bring death and destruction to the entire world.

Setsuna: This is the very place we went to when those demons attacked.

Shiki: Miss Ōka and the other Slayers were kind to us, and they helped us get our relatives back.

Tamaki: Now, we're going to meet them again. Follow us.

Nicole: Okay.

We followed them to Utakata Village, the main base of the Slayers, but we saw ice formations and icicles all over!

Me: What the?! Who did this!?

Lincoln touched the ice formation, and a vision formed in his head: it was Aurelius Frostine, he'd attacked Utakata

Village and he captured Ōka and the other Slayers and he's going to throw them to The Oni.

Lincoln: I know what happened, Aurelius Frostine attacked Utakata Village, captured Ōka and the other Slayers, and he's going to throw them to The Oni.

Setsuna: That monster!

Eli: That cold-blooded monster.

Shocksquatch: We need to get to them and fast!

We got a move on, and along the way, we began slaying hordes of Oni and performing The Ritual of Purification on them and their body parts and freeing the souls of the devoured victims. Then, we got to another area of the Midlands, and there we found Ōka and the other Slayers along with two of the eighteen girls bound in cages of ice, and we saw our main target: Aurelius Frostine.

But, before we could get to them, Aurelius Frostine made the cages vanish and we saw Ōka and the other Slayers along with two of the eighteen girls being dropped and they were about to be killed by the Oni as Aurelius Frostine was laughing with utter cruelty and malice.

But, then, Ōka and the other Slayers along with two of the eighteen girls getting saved and came to us, and that pissed off Aurelius Frostine.

Ōka: Team Loud Phoenix Storm, you're here. (Sees her old allies) And Setsuna, Shiki, Tamaki, and the others, you're here too?

Setsuna: That's right, Miss Ōka.

Lincoln: That person who captured you and your friends was an old enemy of mine.

Then, we saw a beautiful girl who was tall at 250'11" in height, she has the body of a goddess and large breasts, long marine blue hair with marine blue flower in her hair, blue eyes, massive blue angel wings, she has The Ice Barrier Frost Masters of Loyalty symbol on her right arm and the pendant on her necklace, The Ice Barrier Crest on her forehead, and Gungnir, Dragon of the Ice Barrier on her marine blue skirt, marine blue short-sleeved blouse, ice blue sleeveless midriff top with Gungnir, Dragon of the Ice Barrier on it, marine blue bridal gloves, marine blue stockings, marine blue knee-high boots with butterfly buckles, long white sleeveless trenchcoat with stars, snow, ice, snowflakes, ice crystals, phoenixes, and angels on the coattails, and on the back is Gungnir, Dragon of the Ice Barrier, and she has an ice greatsword.

Lincoln: (GASPS) And the one who saved you all was Blanche Frostine, Avatar and Gene-Slammer of Gungnir, Dragon of the Ice Barrier.

Blanche Frostine: That's right. (To Aurelius Frostine) Nice try, you cold-blooded bastard. Take this!

Blanche Frostine fired a blast of ice at Aurelius Frostine, and he screamed in pain.

Lincoln: Alright, that is it, you blackhearted cold-blooded bastard! Now, you get yours!

Lincoln proceeded to insult Aurelius Frostine!

Lincoln: Even after all this time, you haven't changed at all! You're still the same cold-blooded heartless ruthless bastard with an utter disregard for human life, you see life as cheap and worthless because all you care about is inflicting death and destruction towards anyone who got in your way.

Aurelius Frostine: WHAT THE HELL DID YOU JUST SAY TO ME?!

Lincoln: You heard me! What, has your brain rotted away due to years of hatred?! Boy, you're not only heartless, but also, still plain stupid as ever! Prepare yourself for death, and one last...!

Aurelius Frostine: (ENRAGED SCREAM) THAT'S IT! YOU'RE FUCKING DEAD, YOU OVERGROWN SHIT!

Aurelius Frostine charged at Lincoln, only for Lincoln to punch Aurelius Frostine up 500 feet in the air, then he landed frontside first.

Ed Cowart: Okay, seriously? That was just outright rude! Just for that!

Ed Cowart made a block of ice shaped like a spiked ball and he threw it at Aurelius Frostine's crotch, and he screamed in outright agony!

Lincoln: We're just getting started!

Lincoln summoned packs of polar bears that proceeded to maul Aurelius Frostine.

Aurelius Frostine: Polar Bears?!

Then, Lincoln summoned Leopard Seals that mauled Aurelius Frostine with their teeth.

Aurelius Frostine: Leopard Seals?!

Then, Ed Cowart summoned a horde of rhinos to trample all over Aurelius Frostine.

Aurelius Frostine: Rhinos?!

Then, Ed Cowart summoned a horde of hippos to trample all over Aurelius Frostine.

Aurelius Frostine: HIPPOS?!

Then, Lincoln proceeded to punch Aurelius Frostine hard all over his body breaking every last bone in his body, and he threw arrows at Aurelius Frostine's knees and he and Ed Cowart pulled his underwear over his head!

Ed Cowart: ARCTIC WEDGIE!

But, then, Lincoln threw a TNT crate at Aurelius Frostine which exploded and sent him flying into a tar factory and he got covered in tar, and he was sent flying into a pillow factory and was covered head to toe in feathers. When he came back, Lincoln put a red rubber glove on Aurelius Frostine's head and Ed Cowart put a yellow traffic cone on his face that looked like a chicken's beak.

Ed: CHICKEN!

This was really pissing Aurelius Frostine off the deep end, as he drank a muscle growth serum that caused him to grow to 1,000'11" in height and his muscles grew extremely larger than ever, ripping his shirt off, and he bellowed and let out a massive roar and pounded his chest like a gorilla.

Then, when Lincoln was done and the stingers changed back, nothing was left of Aurelius Frostine, and Lincoln sucked out all of the remaining energy in Aurelius Frostine's soul along with all the rage that was still in him and Lincoln banished Aurelius Frostine to The Black Abyss, and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a Alpha Male gorilla and he flexed his massive muscles as ice, snow, and elemental forces burst out of his massive biceps and massive muscles!

But, then, Lincoln felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura exploded even more with power, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the

rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Me: WHOA!

Amihan Frostine: This is just like what happened with Aodhan Vulcania, whenever Lincoln absorbs the traitorous siblings of one of his Guardian Angels and assimilates all their powers and abilities, he grows even stronger than ever, but that's only with traitorous siblings of one of his Guardian Angels.

We cheered as we holstered our weapons and powered down and we returned home to The World Tree Estate with Ōka and the Slayers becoming part of TLPS.

Lincoln: And that's that, Aurelius Frostine's dead.

Nico: That rotten bastard got what he deserved.

Me: After what he did, he definitely got what he deserved.

Lincoln: That and many more. (To Blanche Frostine) And it's so good to see you again, Blanche.

Blanche Frostine: You too, Lincoln, it's been eight years since we last met, but wow, you've really grown that much.

Suddenly, Blanche Frostine had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Aneira Frostine was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent)(Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Blanche Frostine: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Blanche Frostine's waist and hugged her, and Blanche Frostine was very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, thick brown goatee on his chin, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar,

Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you two since you were seventeen, and as you can see, I really grew a lot since then.

Blanche Frostine: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, perhaps even bigger and stronger, you've really grown a lot from the cute eleven-year-old little boy into a 950'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath your enormous white angel wings, that's so awesome, and the large brown wolf ears on your head and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs

Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same true immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Anna Anyanova: And so do we, this is Blanche Frostine, Avatar and Gene-Slammer of Gungnir, Dragon of the Ice Barrier, she's Lincoln's Guardian Angel from New York, she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Gungnir, Dragon of The Ice Barrier. She's The Ice Dragon Master of The Ice Barrier Frost Masters of Loyalty, a group of loyal girls who are the Avatars and Gene-Slammers of The Ice Barrier Duel Monsters and they're born with superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and their goal is to protect and defend Lincoln from his enemies, and they are the most loyal of Lincoln's Guardian Angels, and they would never ever betray Lincoln, his friends, and his family, nor their own, and they hate people who betray others for their own personal gain, and they've punished Lori, Lynn, Lola, Lisa, and Luan in the most fiercest way possible many times for their treacherous actions and murderous schemes against Lincoln. Blanche Frostine moved to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Gungnir, Dragon of The Ice Barrier, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Cryokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Gungnir, Dragon of The Ice Barrier, and Lincoln was already born with immortality and invincibility, and she also helped him grow and seriously bulk up in muscle mass and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really grow and bulk up even more in muscle mass and she also helped him grow in intelligence, power, and knowledge. Lincoln made her an ice greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lana, Alexis, and May a lot in using the powers of ice, and what many of us didn't know was that Blanche Frostine knew Carter Kenrick in his world before it merged with our world because he was an old friend of hers, and she knew of Carter's family being part of the underworld, and of Carter taking a different path in law enforcement, and she had also dealt with Caleb Maxwell before when he returned in 1996 and transformed along with going on a very murderous rampage when his demonic hate turned him into a demon from Hell.

Me: I was surprised finding out that you're friends with Carter Kenrick.

Blanche Frostine: And that I knew of his family being part of the underworld. I did, but Carter would follow a different path into law enforcement. Sure, he may be a hardened detective, but he does do the right thing and has compassion.

Caleb Maxwell: After that little incident at the cemetery in 1985, I got that close to ripping him apart.

Blanche Frostine: That's due to the demon blood in your system, and you no longer were a part of law enforcement after you resigned because your desire for revenge led to you killing Drake's thugs.

Lincoln: And the two paths Carter and Caleb took were different: Carter's path took him to being a hardened detective in the NYPD.

Caleb Maxwell: And my path, my future was doomed to burn and my own murder made that all too clear long ago that I was never destined for greatness, I was only cursed to burn to ashes and die a horrible death.

We were horrified by Caleb's morbid talk.

Lincoln: Yikes, and I thought we were done with those kinds of morbid talks from you, anyways, now that you're here, Blanche.

Lincoln with his massive muscular arms still wrapped around Blanche Frostine's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,9

99,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Blanche Frostine: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Blanche Frostine with marine blue gems on the gold lightning bolts and marine blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and a rainbow Thunderbird wedding ring on her left pinkie.

Aneira Frostine: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Blanche Frostine.

Blanche Frostine had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Blanche Frostine's waist, and he leaned down to her face and kissed her on the lips, and with Blanche Frostine's hands still on his massive hairy pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Blanche Frostine had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Blanche Frostine: (In Heaven) My God.

Then, Ōka, Kaguya, Nagi, Hatsuho, Yū, Shikimi, Professor Kiyone, Gwen, Benizuki, Tsubaki, Manazuru, Kuon, Horō, Reki, and Rinne went up to Lincoln.

Ōka: We can't thank you enough for what you did in helping us in dealing with the Oni and saving us from that monster.

Nagi: At first, it was only a couple of Oni, but then, more and more came right at us, until we were overwhelmed and captured by that insane madman who was going to throw us to the other Oni and kill us.

Lincoln: I wasn't going to let an old enemy of mine kill another innocent soul again, he needed to pay for what he did.

Lincoln made clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,9

99,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Suddenly, fifteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Ōka, Kaguya, Nagi, Hatsuho, Yū, Shikimi, Professor Kiyone, Gwen, Benizuki, Tsubaki, Manazuru, Kuon, Horō, Reki, and Rinne with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Nicole: Now, Ōka, Kaguya, Nagi, Hatsuho, Yū, Shikimi, Professor Kiyone, Gwen, Benizuki, Tsubaki, Manazuru, Kuon, Horō, Reki, and Rinne are in your harem, Lincoln. (To Setsuna, Shiki, and Tamaki) And don't worry, you three, Lincoln's a man of his word and he'll take care of them.

Blanche Frostine: That's right. And Lincoln, tell the guys to run to their rooms, the other three girls I rescued are...!

Red Savarin and Travis Tackett: GUYS, YOU KNOW THE SIGNAL! MOVE!

We ran into our rooms leaving Lincoln, Nicole, and his harem, then they went up to the other three girls, and when Lincoln saw them, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the other three girls are Andy Smith from Invincible Fight Girl and Valere and Serai from Sea of Stars.

Lincoln: Oh whoa, it's Andy Smith from Invincible Fight Girl and Valere and Serai from Sea of Stars.

Nicole: Uh oh, Red and Travis were right telling the guys to run. These girls are also expert fighters.

Lincoln: And if anyone tried to hurt them, it's gonna end badly. Are you girls okay?

Andy Smith: Yes, we're okay, thanks to you.

Then, when Andy Smith and the other two girls saw who it was that saved them from Aurelius Frostine, their faces turned atomic red and their noses gushed out blood upon seeing the 950'11" tall, handsome heartthrob hulking wolfman with abnormally massive and powerful upper and lower body muscles covered in warm brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy Valere: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals

flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Serai: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Andy Smith, Valere, and Serai with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: That was one brutal and bloody battle we had.

May: And we got rid of that lowlife.

Lincoln: Aurelius Frostine got what he deserved, now all that's left are the other lowlives, Abaddon Kendrick, the older brother of Zarya Kendrick and member of the Steelswarm Subjugation Coalition and the older brothers of the other groups of Guardian Angels: The Gusto Wind Masters of Patience, The Constellar Star Masters of Grace, and The Gishki Maelstrom Tides of Purity.

?: We'll make sure those lowlives pay for their crimes as well.

Suddenly, we saw a beautiful girl who was tall at 250'11" in height, she has the body of a goddess and large breasts, tanned skin, long dark blue hair, yellow eyes, white angel wings, she has a light greatsword in her right hand, and she has on a bronze-colored two-piece bikini.

Lincoln: (GASPS) Brittney Bronzeaira, Queen of The Bronzeairans of Planet Bronzeaira.

Nico: No way, the only Bronzeairan that only you know, Lincoln.

Lincoln: That's right.

Anna Anyanova: And we also know her too, this is Brittney Bronzeaira, Queen of The Bronzeairans of Planet Bronzeaira, she's Lincoln's Guardian Angel from Planet Bronzeaira, a planet of endless bronze and light inhabited by powerful warrior angels known as The Bronzeairans, the males who'd spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters, but they also had vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense superhuman strength, regeneration, superhuman durability, immense virility, superhuman senses, superhuman speed, superhuman endurance, and immense omnipotent powers of bronze and light, she's The Queen of The Bronzeairans of Planet Bronzeaira, and she's also far more powerful than her own people: in addition to being a natural born fighter and having vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense superhuman strength, regeneration, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of bronze and light times infinity, and the ability to grow even stronger, but she was also born with angel wings, vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense superhuman strength, regeneration, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of bronze and light times infinity, and like with Almightairaira, her people drove off the Infernairans, and they had the dream: when The Reincarnation of Amaterasu was forever purified, the Bronzeairans would send a message to him in a dream inviting him to Bronzeaira where he would also meet The Bronzeairans and when he'd arrived, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the septillions of trillions of male Bronzeairans into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense superhuman strength, regeneration, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of quicksilver, mercury, and water times infinity, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb Bronzeaira and its core into his body and Bronzeaira's Sun into his body to preserve their legacy. Brittney Bronzeaira came to Earth and Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the immense powers of immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense superhuman strength, regeneration, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of bronze and light times infinity, and the ability to grow even stronger, and all the powers of her people, and over time, Lincoln gained even more immense superhuman strength, immense regeneration, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance,

immense omnipotent powers of bronze and light times infinity, and the ability to grow even stronger, and the ability to grow even stronger, and all the powers of The Bronzeairans times infinity, and he was already born with immortality and invincibility and his powers also grew infinite-times stronger, and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew when it came to fighting and she also gave him the power to grow even stronger, along with even more incredible powers from the deities her people worshipped along with infinite levels of virility and male fertility, but it made his already massive and godly superhuman strength even more massive than ever, and she knew that Lincoln had undergone the rite of The Reincarnation of Amaterasu absorbing the septillions of trillions of male Bronzeairans gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense superhuman strength, immense regeneration, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of bronze and light times infinity, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, Lincoln absorbing Bronzeaira and its core and Bronzeaira's Sun into his body to preserve their legacy. Lincoln made her an awesome greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's enemies with a blazing passion, and she swore to end their lives by firing beams of light and burning them to a crisp.

Me: That's incredible.

Brittney Bronzeaira: Thanks, and I know last night, Lincoln had undergone the rite of absorbing the septillions of trillions of male Bronzeairans along with my father into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of bronze and light times infinity, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and he'll absorb Bronzeaira and its core and its massive Sun after we take care of the clones of Atomic Betty.

Arpina Infernaira: That's right.

Me: Wait, you also included immense virility and fertility as well? That means...!

Brittney Bronzeaira: We knew Lincoln's quite the virile stud since he was born with hyperpuberty, and the genes of his parents and his own extremely high virility, fertility, testosterone, extreme levels of libido, and excessive sex drive, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes and constant years of training, he gained the powerful and massive body that all bodybuilders could only dream of: the body of all the male Gods and the ancient male warriors of ancient times and bodybuilders of history combined, and that along with his personality, gentleman nature, and noble heart, he'd attracted tons of girls, and every lovemaking session he has with his harem, his future wives winds up getting impregnated by him in less than a second, and it doesn't take long for the effects of pregnancy to kick in, which are much faster than ever.

Rita: We had no idea about it before. But, during Lincoln's check-ups with Dr. Feinstein, he did show us all of what you just told us.

Nico: Wow...!

Brittney Bronzeaira: I know that shocked you all especially Regina's journal about Lincoln's health reports, but everything I told you is all true, and it's good to see you again, Lincoln, but wow, you've really grown a lot in height and muscle mass since last I saw you.

Suddenly, Lincoln pinned Brittney Bronzeaira to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his

body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Brittney Bronzeaira with yellow gems on the gold lightning bolts and yellow crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up as he sat on the couch and he kept her close to his body as she took the time to rub his

massive hairy pecs, twelve-pack abs and his massive muscles.

But, then, Lincoln felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura exploded even more with power, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Eli: What's this?! Lincoln's power is rising even more.

Brittney Bronzeaira: That's my special gift to him: Bronzeaira's Blessing of Divine Bronze Light Power Justice, and each Forbidden Zone Planet Queen have given him our individual blessing when he fed on our blood. (Still rubs Lincoln's massive pecs) And who could've guessed the 11-year-old boy I met long ago would grow up into a 950'11" extremely tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs with enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln let out a wild growl as he wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Brittney Bronzeaira: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Shanan: Oh crud, I also forgot Bronzeairans both males and females are extremely passionate when it came to sex and lovemaking.

Lily the Mermaid: Ooh boy.

After Lincoln and all of us killed Aurelius Frostine and sent him to The Black Abyss forever, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well and we were really sweating up a storm, and when Blanche Frostine saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and

999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and he was sweating up a storm, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Blanche Frostine: My God, I was right that Lincoln's really grown into a 950'11" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 999 septillion-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from

Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Blanche, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Blanche Frostine: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Blanche Frostine: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with my enormous rainbow angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large rainbow angel wings underneath my enormous rainbow angel wings, they had an atomic red blush on their faces, hearts in their eyes, and their noses were really gushing out blood.

And when Super Brother's harem saw Super Brother doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and he was sweating up a storm, they had an atomic red blush on their faces, hearts in their eyes, and their noses were really gushing out blood.

And when Nico's harem saw Nico doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous yellow angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large yellow angel wings underneath his enormous yellow angel wings and he was sweating up a storm, they had an atomic red blush on their faces, hearts in their eyes, and their noses were really gushing out blood.

Then, James Blunt got out a videotape, but this one had a red aura of darkness and sorrow.

Me: Oh man, w-what's that tape?

James Blunt: This was from October 31st, 1993, the eight year anniversary of The Hallowshade Bloodbath, and the eight year anniversary of Caleb's death, you all saw how Cage comforted him when he had that nightmare in the tape from 1995. Well, this is the origins of Caleb's nightmares of the night of his death eight years ago began.

James Blunt put the tape in and it played on the big screen and it showed West Virginia on the night of October 31st, 1993, it'd been eight years since the night of The

Hallowshade Bloodbath and the night of Caleb's murder. It was around midnight and Caleb was sleeping in the room provided by James Blunt.

But, all wasn't right. Suddenly, Caleb began tossing and turning as he was having a nightmare, and in his nightmare, he was back in New York in 1985, and Caleb was back in the clothes he was wearing when he came back, and he pieced it together: this was the nightmare of his death.

Past Caleb Maxwell: (In his Dream) No...! No...!

Then, everything played out: him sensing the murders and running to The Hallowshade Bar only to find the dead bodies of Mabel Jensen, Junie, and the patrons of The Hallowshade Bar with blood spilled all over the place, and of him getting attacked by Cage Blunt and Travis Tackett drunk on Demon Blood, and finally, him getting shot multiple times by Drake Maxwell and the four senior members of The Syndicate and letting out a bloodcurdling scream that echoed throughout New York, and him breaking down and crying as he was dying.

Distant Voice: Caleb? Caleb!

Finally back in the real world, Caleb Maxwell opened his eyes, but tears were coming out of his eyes, and the voice he heard was James Blunt who was on top of him and dressed only in blue jeans.

Past James Blunt: Caleb, are you alright?

Past Caleb Maxwell: W-what?

James Blunt got up but still stayed on Caleb's bed as Caleb got up.

Past James Blunt: I saw you writhing in your sleep, and I saw tears coming out of your eyes. You look like you've been having a really bad nightmare. Are you...?

Past Caleb Maxwell: No..., I'm not. That nightmare I had, that was the night of The Hallowshade Bloodbath in 1985, the very night of...! My own death at Drake's hands...!

Caleb felt the pain come back even stronger.

Past Caleb Maxwell: Even after eight years had passed since that night, I still feel the memories of that night: seeing the bodies of the dead..., the sight of spilled blood all over..., and finally, the feeling of being blasted and ripped apart by bullet after bullet..., and left to die...all alone.

Past James Blunt: (Thinking) He's reliving the nightmare of his own death, I was warned of that.

Past Caleb Maxwell: As you see, this is who I really am, not a confident young man with talent and dreams, but a broken man ruined by the darkness of his past. I have been betrayed, beaten, and murdered by my own younger brother, betrayed and made a damn fool of by false friends, and traumatized and haunted by the murders of my own friends who truly stayed with me, and their parents cursed at me for this. I just wanted the pain to stop, but no matter what I do, it was all such a damn waste, and because of it, I decided to close my own heart and soul and shut out my mother, my family, and everyone around me, I let my own hatred and the darkness of my past ruin me!

Caleb's anger started to rise and turn dark, but then, he felt James Blunt's left arm around him and his left hand on Caleb's left shoulder: he was comforting Caleb. But, then, he turned Caleb Maxwell around to look him in the eyes, and Caleb saw the understanding and compassion in his eyes. Finally, he wrapped his arms around and hugged Caleb Maxwell which caught him off guard.

Past James Blunt: You've been through the utter definition of Hell, and your heart suffered a severe wound so great, it left you with unresolved trauma and nightmares which haunted you before your death, and you shut out your heart and blocked everyone around you, and you still carry that wound with you after you died all alone. I know that it hurts even to this day, but there is no need for you to shield yourself anymore.

Then, he leaned into Caleb's ears and said this.

Past James Blunt: You don't need to close out your heart anymore.

Suddenly, as if finally awakened from a long nightmare, Caleb Maxwell broke down and he hugged the vampire cat as he cried so many tears for the first time since his death eight years ago. Finally, after a few hours of crying, Caleb fell asleep, but James Blunt kept hugging him.

Past James Blunt: You really are a damaged soul, Caleb. But, what got me mad was how cruel people were to you, you did nothing wrong, it was your younger brother that did this to you. You suffered all the torments of Hell, and your heart suffered that kind of betrayal, trauma, and darkness. You were just a kid, and that inhuman cruelty you were dealt with, you need someone to help you. Perhaps, it's fate doing that brought me to you.

The video ended, but none of us had a dry eye in sight.

Nico: Oh man, so this was the origins of the nightmares you had every night on October 31st, the dark trauma of your pain.

Caleb Maxwell: Yes. Despite the rebuilding of myself, I still carried that trauma in my heart. But, the trauma and all the nightmares including the toxic ties in my heart are finally gone for good, that's more than good enough for me.

Suddenly, our senses went off: something told us we'd be getting some help from The Phantom Thieves of Hearts tomorrow.

Me: That's good you're freed from that for good.

Lincoln: Those nightmares needed to end though. (Thinking) Though tomorrow, I got a feeling we'll be visiting another who's just like Trevor Andrews and Caleb Maxwell, but he's part of The Phantom Thieves of Hearts.

We got a shower, and then, Lincoln, Trixie, Hellene, Kyofu Osore A.K.A. Slothaegis, Ugurh-Nyl A.K.A. Nyla, Karameel, Kiria, Paru, Poppy, Pepper, Mai Jihuan, Sonia, and Glynda Goodwitch are heading to Beach Bowl Galaxy, and joining them are the rest of his harem.

Lincoln snapped his fingers, and the 950'11", handsome and extremely muscular wolfman had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Trixie, Hellene, Kyofu Osore A.K.A. Slothaegis, Ugurh-Nyl A.K.A. Nyla, Karameel, Kiria, Paru, Poppy, Pepper, Mai Jihuan, Sonia, and Glynda Goodwitch and the rest of Lincoln's harem were dressed in colored two-piece bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Trixie, Hellene, Kyofu

Osore A.K.A. Slothaegis, Ugurh-Nyl A.K.A. Nyla, Karameel, Kiria, Paru, Poppy, Pepper, Mai Jihuan, Sonia, and Glynda Goodwitch had feelings for Lincoln, and Lincoln also had feelings for them too, and he saved them from a group of musclebound thugs and he sucked out all of their muscle mass, virility, testosterone, strength, and energy which killed them all.

Ugurh-Nyal: Wow, we're here in Beach Bowl Galaxy, it's so beautiful.

Lincoln: You said it, Ugurh-Nyal, and it's perfect for our first date. Shall we?

Lincoln, Trixie, Hellene, Kyofu Osore A.K.A. Slothaegis, Ugurh-Nyl A.K.A. Nyla, Karameel, Kiria, Paru, Poppy, Pepper, Mai Jihuan, Sonia, and Glynda Goodwitch and the rest of his harem dived into the waters and they began swimming and they also saw the marine life living there, and then, they came back to the beach, and Trixie, Hellene, Kyofu Osore A.K.A. Slothaegis, Ugurh-Nyl A.K.A. Nyla, Karameel, Kiria, Paru, Poppy, Pepper, Mai Jihuan, Sonia, and Glynda Goodwitch, and the rest of his harem also gave Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, Lincoln did the same thing giving Trixie, Hellene, Kyofu Osore A.K.A. Slothaegis, Ugurh-Nyl A.K.A. Nyla, Karameel, Kiria, Paru, Poppy, Pepper, Mai Jihuan, Sonia, and Glynda Goodwitch and the rest of his harem a deep tissue massage, and when he was done with that, they were relaxed Then, they had an awesome game of volleyball, and they went to a workout area Lincoln created, and Trixie, Hellene, Kyofu Osore A.K.A. Slothaegis, Ugurh-Nyl A.K.A. Nyla, Karameel, Kiria, Paru, Poppy, Pepper, Mai Jihuan, Sonia, and Glynda Goodwitch and the rest of Lincoln's harem got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift massive 999 Septillion ton-lb barbells Lincoln summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his extremely massive muscles.

Lily the Mermaid: (Swooning) My God, Linky's still such a handsome and manly wolfman hunk.

Suddenly, they saw The Evangelist coming after them.

Anna Anyanova: Oh no, The Evangelist.

Lincoln: What the?! I got her.

Lincoln went after The Evangelist and he morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chest of The Evangelist and he began absorbing her and he assimilated The Evangelist's Abstract Existence, Choro-Chronokinesis, Dimensional Travel, Precognition, Blindness Inducement, Immortality, Mind Linking, Power Bestowal, Concept Manipulation, Reality Warping, and Fate Manipulation, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,9

99,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH!

Then, when Lincoln was done and the stingers changed back, Lincoln's rainbow, white, golden yellow, and blue energy aura flared up even more with elements around him and Lincoln sucked out the last of The Evangelist's energy and she was sent to The Black Abyss, and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a Alpha Male gorilla and fire exploded out of his massive biceps and muscles and he generated wind gusts from his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and cooled down his harem.

Then, they had some lunch, and then, as the sun was about to set, Lincoln went up to Trixie, Hellene, Kyofu Osore A.K.A. Slothaegis, Ugurh-Nyl A.K.A. Nyla, Karameel, Kiria, Paru, Poppy, Pepper, Mai Jihuan, Sonia, and Glynda Goodwitch and the rest of his harem and he hugged them in his abnormally massive and powerful muscular arms, and Trixie, Hellene, Kyofu Osore A.K.A. Slothaegis, Ugurh-Nyl A.K.A. Nyla, Karameel, Kiria, Paru, Poppy, Pepper, Mai Jihuan, Sonia, and Glynda Goodwitch and the rest of his harem placed their hands on Lincoln's massive hairy pecs, but Lincoln wasn't done.

Then, Trixie, Hellene, Kyofu Osore A.K.A. Slothaegis, Ugurh-Nyl A.K.A. Nyla, Karameel, Kiria, Paru, Poppy, Pepper, Mai Jihuan, Sonia, and Glynda Goodwitch and the rest of his harem were lying down on a massive beach towel with Lincoln on top of Trixie, Hellene, Kyofu Osore A.K.A. Slothaegis, Ugurh-Nyl A.K.A. Nyla, Karameel, Kiria, Paru, Poppy, Pepper, Mai Jihuan, Sonia, and Glynda Goodwitch and the rest of his harem.

And then, Lincoln shared a passionate and romantic kiss with Trixie, Hellene, Kyofu Osore A.K.A. Slothaegis, Ugurh-Nyl A.K.A. Nyla, Karameel, Kiria, Paru, Poppy, Pepper, Mai Jihuan, Sonia, and Glynda Goodwitch and the rest of his harem and Lincoln slowly sank his fangs into their right trapeziuses and he began feeding on the blood of Tock, Vernal, and Bo and the rest of his harem, and Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his

body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln and I slowly unlatched our fangs from the right trapeziuses of our harems as they healed and the puncture marks sealed up, and we also kissed where we bit them. We came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Nico: (Whistles) Wow, it looks like you really had a good time at Beach Bowl Galaxy, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Trixie, Hellene, Kyofu Osore A.K.A. Slothaegis, Ugurh-Nyl A.K.A. Nyla, Karameel, Kiria, Paru, Poppy, Pepper, Mai Jihuan, Sonia, and Glynda Goodwitch with colored gems on the gold lightning bolt links and colored crystal links and jade beads from their Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with three white and gold accented Elemental Thunderbird Chokers of Eternal Love appearing on their necks and three rainbow Thunderbird wedding rings on their left pinkies.

Lily the Mermaid: And now, Trixie, Hellene, Kyofu Osore A.K.A. Slothaegis, Ugurh-Nyl A.K.A. Nyla, Karameel, Kiria, Paru, Poppy, Pepper, Mai Jihuan, Sonia, and Glynda Goodwitch are in your harem, Linky.

Trixie, Hellene, Kyofu Osore A.K.A. Slothaegis, Ugurh-Nyl A.K.A. Nyla, Karameel, Kiria, Paru, Poppy, Pepper, Mai Jihuan, Sonia, and Glynda Goodwitch showed the marks on their right trapeziuses Lincoln made.

Jenna: We had trouble though.

Lincoln: Unfortunately, we did. The Evangelist from Fire Force came after us!

EVERYONE GASPED!

Nico: Oh shit!

Lincoln: Don't worry, I used my Cell stingers and absorbed her and assimilated all of her powers and abilities, and I sucked out the last of her energy and sent her to The Black Abyss.

Me: Smart move.

Lily the Mermaid: But, our date went smoothly, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted massive 999 septillion ton-lb barbells he summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his enormous angel wings had spread out and they generated a cool breeze cooling us down and fire and wind exploded from his massive biceps and muscles.

Serena Logan: Lincoln really got that confident and bold, we really made him into a really strong and powerful manly wolfman.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know, we made a clone of that mutant.

Lincoln: That's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for another awesome Skylanders adventure.

Nico: Who's next?

Me: Ed, Homer, Leni, Princess Luna, Dusk Eclipse, Knight Mare, Blackout, Shadow Man, Shade Man, Dark Man, Galaxy Man and Spark Mandrill. We're going after Fisticuffs.

Nico: Cool!

Nicole: Yep but you better plug your noses because you aren't going to like where we're going.

Me: Oh boy.

We went into the simulator and it activated and we were met with a REALLY HORRIBLE ODOR!

(SEAL BARK)

Me: (SNIFFS) UGH! OH GOOD GOD! WHAT THE FUCK IS THAT HORRIBLE SMELL!?

Nico: OH MAN!

Me: ED!?

Ed: It wasn't me!

Nicole: Actually that's this entire place. This is the Secret Sewer of Supreme Stink. It smells worse than Ed's armpits!

Me: GOOD GOD!

Lola: IT SMELLS AWFUL!

Rainbow Dash: It smells worse than Lori's farts!

Lori: (Offscreen) I HEARD THAT!

Nico: This is gonna suck…

Me: Tell me about it. But would you rather be inside a really huge intestine?

Nico: I'll stick with this.

Vierra, Irena and Oceania are watching from the control room with Ymir and Camie.

Vierra Voltic: Ed sure gets blamed a lot for horrible stenches that aren't his doesn't he?

Camie: Well the guy never takes a bath or a shower and he loves his stink. Also the guy has a brain the size of a cashew so he doesn't take a bath ever.

Irena Inferna: That is unhealthy.

Oceania Ocean: No kidding.

Ymir: Yeah but Leni loves him.

We pressed on and looked around.

Me: Boy this place is a cesspool.

Lana: I'll say! I like it!

Me: Figures you would Lana. Oh.

I pulled out noseplugs and gave them to everyone.

We put them on.

HONK!

Me: (Nasally) That's better.

Nico: (Nasally) Now lets walk around.

We continued walking

Eli: Boy this is one nasty place.

Me: It sure is.

Qin: Yeah.

Laney: I know.

Lana: (Sniffs) Wait I smell another awesome odor. Smells like Limburger cheese!

Nico: (DROOLS) CHEESE!

Lola: I think it's from him!

We saw an ONIX!

Me: Wait is that an Onix!?

Lana: It looks like... It is! It's an Onix made of Limburger Cheese!

Me: A Limburger Cheese Onix! Now I've seen everything!

Lincoln: Oh man! That's Brock's Akuma, Limburgonix! The Hypothetical Akuma of Brock and he is an Onix made of pure stinky Limburger Cheese! He made because of all heartbreak he had when it came to all the girls he met before Lucy. And it was because of either Max, Misty and Croagunk pulling on his ear or jabbing him with Poison Jab.

WE GASPED!

He showed us a sketch of him and he was an Onix made of Limburger Cheese and on his head on his side was the Boulder Badge symbol on it.

Brock: That is so unusual seeing me as one of my Pokemon.

Me: But Onix is made of Rock, this one is made of Limburger cheese. And it smells like rotten stinky gymsocks.

Ash: No kidding! Also you wouldn't believe how many girls before Lucy turned down Brock.

Me: Brock how many girls did you meet before Lucy?

Brock: Oh gosh way too many. I don't even know myself.

Jamesdean5842: Brock is known for being a love at first sight guy and almost instantly falls in love with any girl he came across when he was with Ash and friends over the years.

Nico: I can see why. Brock, I think the reason Croagunk, Max, and Misty stop you is because creep girls out.

Brock: Yeah you're right. I should have approached that more delicately.

Lucy (Pokemon): But Brock met me and I was smitten by him.

Me: That is true. I'm no matchmaker but I think you two are perfect for each other.

Lucy (Pokemon): Thanks J.D.

Nico: And since Brock's Akuma is a Pokemon that means we'll catch him.

Me: Yep. Boy one time I heard that Ash and friends met an Onix made of Crystal which is really cool!

Ash: It sure is.

Me: Kind of makes you wonder if there are Akuma of Ash's friends like that. Misty can you imagine if your Akuma was a Gyarados made of blood?

Misty screamed in fright!

Vierra Voltic: That would be a frightening sight.

Irena Inferna: Like something out of your worst nightmares.

Me: Also I made these just in case.

I pulled out a box and in it was a bunch of Black Pokeballs and they have Badges on them.

Me: They are my Akuma Pokeballs. They are Pokeballs designed to hold the Akuma of Ash's friends and the gym leaders.

Nico: COOL!

Nico took the one with the Pewter City Badge on it.

Nico: Good thinking.

Poromon: Mind if me and Poliwag help out with this?

Nico: Sure guys.

Me: HERE HE COMES!

He charged at us!

He roared and we dodged him!

He threw cheese balls at us!

I punched the cheese balls! Nico ate some of them!

Brock: It's using Rock Throw!

Me: Oh man! But with Cheese Chunks instead of rock.

I fired waves of fire and blasted him and he roared in pain!

Me: That did it! Fire hurt it!

Poliwag: Maybe water will too!

He fired a water gun and blasted him and it hurt too!

Me: YEAH!

Nico: Thanks!

Poliwag: Watch this!

Nico: Now we're going to use our Z-Move!

Me: WHOA! Go get him Nico!

Nico: Lets do it! (FLARES UP WATER AURA) WATER OF JUSTICE AND SHIMMERING WITH THE POWER OF LIFE! FEEL MY Z-MOVE!

Water enhanced Poliwag!

Nico: USE HYDRO VORTEX!

Poliwag flew around in a massive vortex of water and it formed into a powerful whirlpool! Then it smashed Limburgonix and knocked him down and he was knocked out cold!

Me: LIMBURGONIX IS UNABLE TO BATTLE! THE WINNER IS NICO AND POLIWAG!

Nico: YEAH!

Poliwag: ALL RIGHT!

Nico: AKUMABALL GO!

He threw it and caught the Limburgonix!

CLICK!

The ball locked it!

Nico: ALL RIGHT!

Nico picked it up!

Me: WOW! Nico that was awesome! Well done!

Me: And well done Poliwag!

Poromon: Way to go!

Poliwag: YEAH! That was amazing!

Me: It sure was!

?: I'll say!

Fisticuffs came.

Fisticuffs: I saw the battle you guys did and that was cool!

Me: Thanks! First time ever facing a Pokemon themed Akuma.

Fisticuffs: I can see that. Just imagine if Lt. Surge's Akuma was a Raichu made of donuts.

Homer: Mmm. Donuts!

Lily: Mmm. Donuts!

Nico: Shall we?

Fisticuffs: Lets shall!

Knight Mare: NOWHERE TO HIDE!

Blackout: DARKNESS FALLS!

We went at him and blasted him with darkness and energy.

Ed turned into Edzilla!

Edzilla: ED SMASH DARK BAD GUY!

HE SMASHED AND PULVERIZED HIM!

POW!

Nico punched him!

Nico: Take that!

Qin fired waves of fire.

Princess Luna, Leni and me fired waves of shadow, gravity and darkness and smashed him down.

Nico: Had enough?

Fisticuffs: NEVER!

Me: Okay then.

Ed, Homer, Leni, Princess Luna, Dusk Eclipse, Knight Mare, Blackout, Shadow Man, Shade Man, Dark Man, Galaxy Man and Spark Mandrill: DARKNESS SMASHING NIGHTBLAST!

They fired waves of darkness and it all hit Fisticuffs and he was knocked down!

FISTICUFFS DEFEATED!

He tried to crawl away.

Princess Luna: Going somewhere? We think not!

She held up a black trap and a black vortex appeared.

It sucked in Fisticuffs.

Fisticuffs: Someone's going to get a beatdown for this! I promise YOOOUUUUU...!

He was locked in the trap!

Fisticuffs: "What did I ever do to deserve being locked up in a trap like this? Think about it!

Princess Luna: We already have.

Fisticuffs: What do you mean 'you already have'?!"

FISTICUFFS TRAPPED!

Princess Luna: Now as Princess of the Night, you have to be good or else.

Fisticuffs: "Sounds like it's time for me to switch stances then."

Me: Good decision.

We left the simulator.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells to get his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings even stronger than ever, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his enormous white angel wings.

Same with Super Brother doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells to get his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings even stronger than ever, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his enormous white angel wings.

Lincoln: We don't have long before our next mission starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift an extremely mountain-sized massive 999-septillion ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

Me: Yep.

The mascots and me went to the door.

Lillie and Snowy went too.

Betty: Have fun, you guys

Poromon: We will.

Me: See you shortly guys.

We went down to the planet.

At the park we were relaxing by the lake.

Me: Ahh. Nice day.

Poromon: You said it.

Horsea: You got that right.

Lillie: It's so pretty too.

Snowy agreed too.

Poromon: Yep.

Ebonwumon: Nothing can ruin this.

Me: Yeah.

But then we saw a woman acting all dizzy and like she was drunk.

We gasped!

I went over and laid her down.

Me: Miss are you all right?

Woman: (In pain) I fell into a big flower. (Points to something) There.

We saw a Vileplume!

Me: A Vileplume! What's that doing here?

Lillie: I know it's not one of Dark Gale's work.

We laid her down and looked her over.

Poliwag: (GASP) Oh man! I've seen this before! She was infected with Vileplume Stun Spore! It's as bad as being stung by a scorpion!

WE GASPED!

I felt her head.

Me: She has a bad fever!

Lillie: Snowy keep her head cool.

She blew ice on her head to help.

Poliwag: I know what to do! We got to find and make Salveyo Weed tea for her. It's the only known antidote to help her. And I know just where to find it. Follow me guys!

Horsea: I'll go too!

We followed Poliwag to the forest.

Me: Lillie, you and Snowy watch over her. We'll be right back!

Lillie: Right!

We left.

Crumplezone: You know you're not Misty's Poliwag, right?

Poliwag: No but I know what to do with this because this happened to Nico too.

Me: Did it really?

Poliwag: It sure did. Nico got his head stuck in a Vileplume too and me and Poromon went and found Salveyo weed in a pond in his village in the Philippines and we made Salveyo Weed tea for him.

Poromon: It's true.

We got to a pond.

Poliwag: This is it!

He dove in and came back with a Salveyo weed on his tail.

I looked at it.

Me: Hmm. Interesting. Lets go get some.

We followed Poliwag and went into the pond and dove down. We grabbed lots of it.

We came out and dried off.

Me: There. This oughta be enough.

Poliwag: Perfect! Lets head back.

I put the weed in a jar and I whistled and my Rapidash came.

I got on and we went back to the park.

Lillie: You made it!

Me: Yep.

We got to making the tea.

Me: Okay almost ready.

We made the tea and it was hot.

Me: Here miss. This will help you.

Woman: (Weakly) Thank you.

Me: Be careful. It's piping hot.

She blew on it and cooled it down.

Woman: Wow! I'm all better!

Me: Thank Poliwag here.

Poliwag: Yep.

Ultra Magnus: What's your name?

Sarah Gaeafire: Sarah Gaeafire.

Me: (GASP) Wait weren't you one of the miners caughts in a massive cave-in at a mine at Nevado Del Ruiz volcano in Colombia?

Sarah Gaeafire: That's right. I survived that catastrophe. I was the only one that survived that.

Me: That was terrible. Thank goodness you're okay.

Sarah Gaeafire: Me too. I'm looking for my daughter Emily. She is going down the wrong path.

Me: What makes you think that?

Sarah Gaeafire: She thinks the Terrastar family, our rival family, is responsible for me dying. But it's not.

Me: That was the result of mother nature. I have a feeling that your daughter is the next of the Evil Underground Girls we'll encounter. It's a long story.

* * *

Back at the estate, everyone was watching TV.

Lana: Gira, remember when me, May, and Starfire met you?

Gira: How can I forget? That was so fun and awesome.

Yanma: You started your missions in my kingdom and that was awesome.

Starfire: We saw all your kingdoms and they were amazing.

Nico: They sure were.

Starfire: We even helped take down your enemies

Nico: That was so fun.

May: It sure was!

Eli: And we got to see each of the kingdoms and battle many of the Disney baddies there as well.

Hymeno: And I was disgusted by Lana eating bugs from Oogie Boogie.

Lana: They were tasty bugs though.

THEY LAUGHED!

Lana: And in Jeremie's kingdom we battled Chernabog.

Qin: That was so fun.

May: We even killed Hans.

Lana: That was so fun!

Gira: We all had so much fun there.

The elevator came up and we came in.

Nico: Have fun guys?

Me: We sure did. We have quite a story for you guys.

Nico: We'll have to... Huh? J.D. you have a friend on your head.

Me: Huh? (Looks) Wow! A Butterfree! You are a pretty and cute little guy.

Nico: Where did that come from?

Me: I must've picked up a hitchhiker as we came back. And this must be one of Dark Gale's work.

Sheena: It is. Her name is Gaea Aldabra and she is half Geochelone Aerio.

WE GASPED!

Me: She's half of Terraspin's kind! Cool!

Poromon: She sure is pretty like this.

She used Silver Wind and it made the Wind Users stronger.

Me: WHOA! She used Silver Wind.

Lori: I literally feel stronger from that one.

Me: Wow! Okay lets get you back to normal.

I snapped my fingers and she reverted back. She was a girl with green hair and green eyes and had green angel wings and had Butterfree on her forehead and had a tornado with Terraspin on her arm as a cutie mark.

We wrapped her in a blanket and brought her to the sofa.

Me: There.

She woke up.

Gaea Aldabra: (Groans) What hit me?

Me: Are you okay?

Gaea Aldabra: I think so.

Me: You were turned into a Butterfree by Dark Gale and you hitched a ride on my head.

Gaea Aldabra: Oh man.

Me: I know

Gaea Aldabra: I was fighting Clancy the bug guy in the Grand Canyon.

Me: That bug guy sure caused a lot of problems didn't he?

Gaea Aldabra: Yeah.

Nico: You actually didn't hurt any of us

Gaea Aldabra: That's because I wasn't provoked.

Terraspin: My people of Aldabra have always been peaceful and only attack when provoked.

Gaea Aldabra: That's right.

Me: Yep.

Rarity: Lets get you some new clothes darling.

The fashion brigade gave her new green clothes and a wind sword.

Gaea Aldabra: I look amazing.

Me: You sure do and Nico we have quite a story to tell you.

We told Nico and everyone everything about what happened and how Poliwag saved Sarah Gaeafire.

Me: And that's it.

Nico: Wow! That is amazing you guys did that!

Qin: Yep.

Nico: Did we forget anything?

Diamond Tiara: Only the Vileplume that we saw earlier

Me: That must've been a wild Vileplume there.

Nico: Maybe.

Sarah Gaeafire: Your mascots are so cute and amazing.

Qin: They sure are.

Rhonda Terrastar: I'm glad you're alright Sarah. Now we can finally put aside this pointless feud.

Me: There was a feud going on between you?

Rhonda Terrastar: Yeah. Me and my family were rivals against the Gaeafire family for years. When we were down in Colombia we always were mining for more gems than anything. My family specialized in Emeralds. Sarah and her family mined Rubies. The best spot to mine Emeralds was in caves for us and Sarah and her family was in volcanoes which was a very terrible idea.

Sarah Gaeafire: And you were right. We let a petty feud get in our way and we paid the price. I lost my husband. But I heard my daughter is still alive and she blames Rhonda and her family for us dying.

Me: But that was all caused by mother nature.

Nico: Yeah.

Sarah Gaeafire: I need to find my daughter. But your mascots saved my life.

Nico: I'm glad you're going to be okay.

But then...

CHOMP!

Nico: YEEEEEEEOOWWWWWWWCH!

Nico ran around in pain!

Nico: SOMETHING BIT MY TAIL!

Me: Wait look!

I grabbed it and showed that it was a Snubbull and it had red ribbons on it.

Nico: Whoa a Snubbull! Where did you come from?

Ash: That's Madame Muchmoney's Snubbull.

Nico: Wow!

Me: You know this Snubbull? You're a cute little guy.

Ash: Yeah it's a long story.

Me: Wow.

Count Vertigo: That Snubbull sure bit you good.

Nico: Yeah ouch.

Meowth: I feel your pain Nico. I had that happen to me by this Snubbull many times before.

CHOMP!

Meowth screamed as the Snubbull bit him on his tail too!

Eli grabbed the Snubbull.

Eli: Now now don't bite tails like that.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo and second smaller halo of light in the center and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo that's behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was the clones of Atomic Betty, they're on the Forbidden Zone planet of Bronzeaira and causing havoc, and just as Lincoln's vision shows, they were indeed corrupted and poisoned by Universe 666 Nico. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: They're on the move.

Eli: Just as Brittney's father told you last night.

Lincoln: Yep.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: it's the clones of Atomic Betty, they're on the Forbidden Zone planet of Bronzeaira and causing havoc, and just as my vision shows, they were indeed corrupted and poisoned by Universe 666 Nico.

EVERYONE GASPED!

Betty: Just as you found out last night.

Brittney Bronzeaira: My father had them imprisoned, but it looks like they busted out because of Universe 666 Nico's evil in them. We need to purify them.

Nico: That's exactly what's going to happen, Brittney, we're purifying them and sending another warning to that shit-faced fucked-up evil monster and those equally monstrous bastards with him. Alright, team, let's get to Planet Bronzeaira.

Lincoln: Universe 666 Nico's latest revenge scheme is about to end. (Sensed Shadows) Crud, and we also got shadows from Persona 5: Strikers there as well, looks like we got additional trouble.

Nicole: Shadows?! Crap!

The previous group came.

Count Vertigo: Can me, Major Disaster, Doctor Octopus, Sportsmaster, Comic Book Guy, Snake, Speed Demon, Pied Piper, Femme Fatale and Iron Lung go with you guys?

Nico: Yes you all can come with. Ouch.

Me: Just be glad you didn't get your tail bit off.

Vegeta: Yeah it would not feel good.

Lola: Yeah.

Red Hood: Nico, which Gene Slammer do you think you'll meet next?

Nico: Elemental HERO Stratos next.

Me: Wind power.

Nico: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo and second smaller halo of light in the center and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with

gold sun-shaped frame around it with embedded colored gems behind the large gold halo that's behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Velzar, The King of the Abyss and the overarching antagonist of the manga/anime series Dragon Quest: The Adventure of Dai, and he's coming to destroy us. When we saw it, we knew it meant trouble.

Lincoln: Oh man!

Me: Lincoln, don't tell me! That was...!

Lincoln: Velzar, The King of the Abyss and the overarching antagonist of the manga/anime series Dragon Quest: The Adventure of Dai, and he's coming to destroy us.

Celeste Gutierrez: Velzar's pretty powerful and his power's no joke. Lincoln, I hope you absorb him.

Lincoln: I will, Celeste, and I'll purify his immense mastery of dark aura as well, he used it for evil, but when purified, it'll be used for good.

Nico: Now, that should be something to see. Alright, let's get going to Bronzeaira.

Lincoln: And purify Atomic Betty's clones and piss Universe 666 Nico off, and once that's done, you're next, Velzar.

Celeste Gutierrez: You made a huge mistake coming after us, Velzar, now you're going to pay for all your crimes!

Lincoln put up a powerful rainbow energy field around The World Tree Estate and we boarded The U.S.S. Valorous Phoenix and headed to Bronzeaira to purify the clones of Atomic Betty and piss off Universe 666 Nico, and once we get done with them, Celeste Gutierrez and Lincoln are going to take down Velzar and Lincoln's going to absorb him.

We were off.

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 14259.8: The U.S.S. Valorous Phoenix is en route to the planet of Bronzeaira for a big adventure. It's to battle clones of Atomic Betty made by Maximus IQ that were corrupted by my Universe 666 self and we're going to purify them and have them be put into the Redemption Squad and the M.O.E.

Me: This will be interesting.

Sportsmaster: Let's call Lythos.

Me: Good idea.

Lythos came.

Lythos: We're ready for some fun.

Me: Awesome!

Alister: We could fight the clones with an atomic saw blade.

Me: Whoa! I like the way you think Alister. But first Betty we don't know anything about these clones. What can you tell us about them?

Atomic Betty: Oh right! Well these are clones of me.

She went over them.

The Betty Clones (all voiced by Tajja Isen) are three evil identical clones of Atomic Betty. They were created by Maximus I.Q. from genetic material in a piece of Betty's hair he had sliced off with his laser sword during a duel, as well as DNA from three different super-powered alien women.

The clones look identical to Betty in every way, shape, and form apart from their eye colors and color-coded mock-ups of the Galactic Guardian uniform. Red for Optica, Orange for Destructa and Blue for Roxanne.

In Cheerleaders of Doom, they wear cheerleader variants of their Galactic Guardian uniforms.

They are each imbued with a superpower from a different planet: Optica, the red clone, can fly and use pyrokinesis; Destructa, the orange clone, can morph into a larger form with rock-like skin and superhuman strength, and Roxanne, the blue clone, with the power of stretching her body like rubber. In addition to these powers they briefly gained the powers to hypnotize people into doing their bidding with hypnotic cheers in "Cheeleaders of Doom".

The Betty Clones don't have these names at first, Optica, Destructa and Roxanne were previously referred to as Betty Clone 1, Betty Clone 2 and Betty Clone 3 respectively while Optica the Fire Witch, Destructa the Rock Princess, and Roxanne the Rubber Woman were referenced as actual other people Maximus used to contribute DNA for the trio.

In "The Trouble with Triplets", Maximus used them to commit crimes and frame the real Betty. This prompted Betty and her team to lure the "Betty impersonator" to Celebra and take her into custody. Unaware that there was in fact three of them and that they had superpowers they easily captured the trio of Galactic Guardians. Once at Maximus's citadel Maximus explained the mechanics behind his plan to the captive Galactic Guardians. Betty turned the clones against each other by initiating a pillow fight between the trio, which escalated out of control due to the introduction of their powers. Maximus was forced to free the guardians to prevent the complete destruction of his citadel. At which point Betty defeated her dopelgangers by turning their powers against them and sending them careening off the side of the citadel. Roxanne accidentally saved Betty when she grabbed Maximus and Minimus trying to save herself.

In its sequel "The Cheerleaders of Doom", they became cheerleaders and gained the power to use their cheers to hypnotize people to do their bidding in which Maximus calls them his Sirens. They used their powers to raid the Galactic Guardian Armory and steal the blueprints of Galactic Guardian HQ, in order to determine a weak point that would allow them to destroy it.

However, Betty and her team found a way to reverse and duplicate their cheerleading powers, which allowed them to make the clones speak gibberish for the remainder of the series. This rendered the clones' cheerleading abilities useless. Maximus tried to snap them out of their trance by shocking them, but instead, they became angry and chased after him.

They reappeared in the Season 3 episode, The Way of the Weiner. In this episode, they help Maximus kidnap Spindly Tam Kanushu at a local hot dog joint in order to transfer Spindly Tam's skills to his Morbidian Blood Monks, enabling them to destroy Atomic Betty. X-5 rewired the clones to be kind and to mimic the real Betty, and soon they begin cleaning up Moosejaw Heights, although they strangely do not speak.

When they were done we were shocked!

Me: All it took was a bit of hair and Maximus combined alien DNA into them that gave them the powers of fire, rock and elasticity!? That is intense!

Nico: Dangerous!

Mr. Fantastic: They are like the Fantastic 4.

Me: Except invisibility is not included!

Invisible Woman: (Insulted) I'm insulted!

Snake: I'm sure there's gonna be someone for you to fight

Me: Anti-Monitor must've sent someone to be backup for them to fill that in.

Qin: Yep.

Lisa: We have arrived at our destination.

Nico: Oh screen.

We arrived at a metalic planet.

Me: So that's Bronzeaira.

Brittney Bronzeaira: Yep my home.

Me: Wow! Wait look. Computer zoom in and magnify on northern quadrant.

It zoomed in on the planet and showed a massive glowing green spot on it.

Nico: (WHISTLES) Wow! Look at that. It looks like a huge turtle shell or something.

Me: Lets get a closer look.

Nico: Okay.

We got to landing and we got out and saw the planet.

Me: So this is Bronzeaira. It's amazing!

Qin: Wow! It sure is.

Lola: Uh... GUYS! LOOK!

We saw a MASSIVELY HUGE GLOWING GREEN MOUNTAINOUS ISLAND TURTLE!

Me: HOLY CRUD!

Lincoln: OH MY GOD! That's Ebonwumon's Akuma, NaturonGenbumon! The Hypothetical Akuma of Ebonwumon and is a master of turtles, islands, nature, wood, flowers and grass and he is a GINORMOUS TURTLE that is as big as half of the country of China and can easily be seen from space. He is also a Dark Sovereign and a terrifying force of destruction. He is The Dark Sovereign of the North! He also has the power to destroy entire planets! He is one of The Dark Sovereigns of Doom!

WE GASPED!

He showed us a sketch of him and he was REALLY HUGE!

Me: HOLY SHIT! No wonder we could see him from space!

Lola: That is massive!

Brawlrus: I don't think he sees us yet

Me: Maybe.

Nico: I don't think we've EVER encountered a Digimon of that kind of size and magnitude.

Qin: Except for AncientWisemon's Akuma.

Lola: That is true.

Me: But we've seen big akumas like that before. Like Vakama's Akuma. He was a REALLY HUGE volcano.

Vakama: That is true.

Nico: But never a turtle as big as half the country of China.

Pied Piper: We can still look around

Me: Okay.

We did so.

We walked around and the planet was amazing.

Me: Wow Brittney your home planet is amazing.

Stella Zhau: Bronze Kneecap would be right at home here.

Brittney Bronzeaira: I'm sure he would Stella.

Guyhawk: Let's send him pictures

Me: Good idea.

We took some photos and more with our phones. We sent them to Bronze Kneecap

Iron Lung: Did he get them?

He returned texts.

Stella Zhau: He did. He said he was amazed on it. And yelled Don't Make Me Use This!

WE LAUGHED

But then...

?: (LOUD THUNDEROUS BOOMING VOICE) (Irish Accent) It's not polite to laugh at others without a good reason.

Me: Huh!? Who said that!?

NaturonGenbumon's head came out.

NaturonGenbumon: It is I, Ebonwumon's Akuma, NaturonGenbumon. Good to see you lads and laddies here.

We flew over to him and he looked at us and we were tiny ants compared to how GINORMOUS HE WAS!

Me: HOLY COW! Ebonwumon you look absolutely amazing for an Island Turtle Digimon!

NaturonGenbumon: You all still are powerful too lads.

Leozack: Lincoln told you about us early. We had to do something to pass the time

Me: Yeah because of how big you are and how your aura makes you glow you kind of stuck out like a sore thumb so it was easy to see you early.

NaturonGenbumon: That is crazy though lads.

Me: It sure is.

Qin: Yep.

Me: We encountered a clone of you on one of Lincoln's rescues a while back.

NaturonGenbumon: That is amazing lads.

Femme Fatale: Ebonwumon? Is that you?

Qin: I think we just confirmed that it already is.

NaturonGenbumon: Aye lass it is.

Lythos: Can you please calm down for us?

NaturonGenbumon: After you all beat me.

Me: Okay then.

I fired waves of energy and blasted him all over the place.

Lythos fired waves of rock and blasted him.

NaturonGenbumon: My turn! (Echoing) NATURON FOREST STORM!

He fired NUMEROUS TREES FROM HIM LIKE ROCKETS AND THEY WENT AT US!

Me: INCOMING!

We formed a force field around us and they hit it and exploded all over into huge splinters.

We fired waves of energy and blasted him all over and knocked him out.

Me: There!

He was down.

Me: That did it.

Lincoln: Alright, everyone, gather around.

Lincoln pulled up a hologram of Bronzeaira, and he zoomed in on our target.

Lincoln: Now, as we already figured out, our main target is the clones of Atomic Betty, and just as we found out from Brittney Bronzeaira's father and from Maximus IQ, they'd been infected by Universe 666 Nico's evil and are causing havoc.

Suddenly, Lincoln's deep sapphire eyes turned crimson red and his pupils turned into slits, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Me: I guess he didn't even bother to look.

Eli: I sense someone here. He's invisible.

Me: And I know that voice! Sebastian Caine! It's been a long time!

I used my Infrared vision and saw his heat signal.

Sebastian Caine: It has been a while J.D. You killed me and ruined me!

Me: You did that yourself Caine.

Ymir: J.D. who are you talking to?

Nico: It's our old enemy Sebastian Caine. He's invisible. You can't see him because he took a formula that made him completely invisible.

Sebastian Caine: And it made me amazing.

Me: Maybe so. But what good is being invisible if your heat signal is still visible? I can see you with my infrared vision.

Exhaust: Yeah. Amazing and dangerous!

Me: It's not pretty.

I went over his history

Dr. Sebastian Caine, later known as the Hollow Man, is the titular main antagonist of the 2000 sci-fi thriller film Hollow Man.

A brilliant but immensely egotistical scientist, Caine had been tasked with finding a means of conferring invisibility on living beings and eventually returning them to visibility. Though initial tests are successful with animal subjects, Caine's hunger for fame and power leads him to test the invisibility serum on himself; a newfound power which allows him the freedom to indulge his criminal fantasies, eventually drawing him steadily closer to insanity as his tolerance for violence grows.

He was portrayed by Kevin Bacon, who also played Martin Thiel in Criminal Law, Wade in The River Wild, Sean Nokes in Sleepers, Ray Duquette in Wild Things, Joe Hickey in Trapped, Jacques in Super, Sebastian Shaw in X-Men: First Class, Bobby Hayes in R.I.P.D., Owen Whistler in They/Them, Cade Grant in Beverly Hills Cop: Axel F, and John Labat in MaXXXine.

Sebastian Caine was tasked by the Pentagon with the job of formulating and testing a serum that will allow a living being to become invisible, with the eventual intention of harnessing it for the U.S. military. Together with a team consisting of Dr. Linda McKay, Dr. Matt Kensington, Sarah Kennedy, Carter Abbey, Frank Chase, and Janice Walton, Caine had been working in a high-security research base hidden deep underground, and began experimenting on a wide variety of animals - most prominently gorillas.

However, though the brilliant project leader is able to create a working invisibility serum, it was quickly discovered that the serum was not without its pitfalls, as many of the test subjects became unnaturally aggressive as a result of their condition, forcing team members to don infrared goggles and fit the corridors with thermal imaging cameras in order to assist in recapturing escape-prone animals. Worse still, returning the test subjects to visibility is a much more dangerous process: by the start of the film, at least one test gorilla had been fatally liquefied as a result of a botched reversion.

The film begins with Caine running another serum test in his apartment, clearly not expecting any positive feedback. However, in between spying on a female neighbor and grouching over his breakup with Linda McKay (who is now in a relationship with Matt Kensington, unknown to Caine), he manages to develop a working reversion serum.

The following morning, the team tests the new batch on their current invisible gorilla, and though the process almost results in her flatlining over the course of her exertions, the test subject is successfully returned to visibility. However, Caine feels curiously disappointed by his victory, believing that this is the last big breakthrough before the experiment is finally taken out of his hands.

When the time comes to report his progress to the Pentagon, Caine inexplicably lies to the oversight committee and his mentor Dr. Howard Kramer, claiming that he has not yet cracked the reversion process, and instead pleads for more time. The disappointed committee reluctantly permit him an extension - but not before warning him that their patience is not unlimited and Caine himself is not indispensable. On the way out of the building, Linda and Matt naturally confront Caine, who insists that this is the only way to keep the higher-ups from seizing control of the program and putting another team in charge for the next phase.

Determined to claim all the glory of the experiment's success for himself, he talks the two of them into proceeding to human trials without oversight from the Pentagon - the chosen test subject being Caine himself. Though the rest of the team are a little suspicious at this development and reluctant to proceed in the new direction outlined for them, Linda reluctantly convinces them to agree, deciding to keep their project leader's recklessness a secret for the time being.

Over the course of an extremely painful transformation process, Caine is made invisible - though he almost immediately passes out from shock. After getting used to the fact that his eyelids are translucent and the laboratory lights have to be lowered accordingly, he soon gets into the habit of abusing his powers for his own amusement, either spying on his fellow team-members or playing childish pranks on them; this quickly comes to a head when he goes so far as to inappropriately fondle Sarah in her sleep, and only stops when Sarah unexpectedly wakes up.

After three days of tests and protracted immaturity, the time comes for Caine to return to visibility: unfortunately, the reversion serum fails, nearly killing him. For the time being, he is left invisible while he and the rest of the team struggle to find an alternate means of restoring him to normality; in order to make him easier to interact with, they also provide him with gloves and a home-made latex mask for him to wear around the lab, granting him hands and a visible but disturbing-looking face at long last.

After another week of extensive testing, the project leader is beginning to crack under the strain: ten straight days of cabin fever, nausea-inducing radiation tests and the practical failure of his own reversion serum have left Caine almost explosive with rage, and the fact that he can't sleep easily due to the transparency of his eyelids only worsens his mood. As a result, his relationship with the rest of the team further deteriorates, and he often resorts to taking out his frustrations on the furniture.

One night, unable to stand another minute underground, Caine leaves the facility in direct contravention of laboratory protocols and returns to his apartment, pausing only to frighten a carload of small children along the way. Once there, he quickly returns to his old habit of spying on his neighbor as she undresses - but this time realizes that he has the power and the freedom to take his voyeurism to the next step. Stripping naked, he sneaks into the neighbor's apartment and rapes her, trusting that his invisibility will make any testimony on her part irrelevant.

Though Caine eventually returns to the lab of his own free will before the rest of the team are forced to hunt him down with tranquilizer guns and thermal imaging goggles, Linda warns him that she'll have no choice but to reveal everything to Dr. Kramer if he tries to leave again. Over the course of the days that follow, Caine appears to be on his best behavior, showing no signs that his confinement bothers him other than sarcasm. However, when Carter mentions the fun he would have in committing pranks as an invisible man, he is able to use the opportunity to express his feelings concerning the rape of his neighbor, claiming to have merely pranked her - and admits that he liked how it felt, proving himself utterly unrepentant for his crime.

Eventually, Matt concocts a promising means of returning Caine to visibility, but the computer simulation of the cure predicts a lethal failure, resulting in an explosive temper-tantrum from the increasingly-demented project leader. When Linda attempts to reign him in, he grows even more aggressive and comes dangerously close to assaulting her in his frustrations over not being able to exercise his "gift." In private, he also expresses a growing obsession with discovering the identity of Linda's new boyfriend.

One night, unable to sleep and unable to put aside thoughts of Linda enjoying a life without him, Caine sabotages the thermal camera in his cell by fitting it with a device that replaces the current video feed with a looped recording of himself asleep. Once this is in place, he is free to sneak out of the compound and proceed on foot to Linda's apartment, where he observes her having sex with Matt. In a rage, the invisible man smashes their bedroom window, and though the two lovers almost immediately suspect Caine as the culprit, the looped video feed immediately diverts any suspicion from him. Meanwhile, Caine returns to the lab and throws another temper tantrum over the betrayal he believes this incident represents, eventually losing all composure at the sound of a barking invisible dog and killing the animal by brutally smashing it against the cage wall.

Eventually, the team soon discover that the security feed has been a recording, and that Caine has been leaving the facility on an almost nightly basis. Realizing that the experiment has officially spiraled out of control, Linda and Matt go to Dr. Kramer's house and confess to both the deception and their illegal experiments; an immensely disappointed Kramer fires them, and attempts to warn the rest of the committee - and from there, their superiors at the Pentagon, presumably. Unfortunately, Caine has followed the two scientists to the committee head's home, and as soon as they leave the area, he cuts off Kramer's phone connection before he can notify anyone. Luring Kramer outside, he then drowns him in his own swimming pool.

With the only non-team member aware of Caine's status dead before he could alert the Pentagon, the invisible scientist then engineers a plan to ensure that the rest of the team suffer a similar fate, guaranteeing a clean escape from government scrutiny. The next day, Caine waits until all the team members have assembled in the lab, then disables the phones and overrides the team's elevator codes - except for his own. With the team effectively trapped in the facility, he once again strips naked and begins hunting them down: Janice ends up becoming his first victim after falling behind to retrieve her goggles, being strangled with an IV line and dumped in a locker.

Upon discovering Janice's corpse and the alterations made the the lab's security systems, the surviving members quickly realize Caine's intentions, and attempt to counter as best as they can: while Linda, Sarah, and Frank hide in the lab, Matt and Carter take tranquilizer guns to hunt down Sebastian using their thermal imaging goggles. Unfortunately, the most prominent heat signature turns out to be from a steam vent, and the distraction is enough for Caine to ambush the two of them: having concealed himself on one of the overhead pipes, he grabs Carter by the neck and throws him down so violently he ruptures Carter's carotid artery. Though Matt arms himself with a fire extinguisher and tries to make Caine visible enough to attack, he merely toys with him until the extinguisher is empty, and almost kills Matt before Linda is able to open one of the security doors for him.

Splitting up in an ill-advised attempt to rescue Carter, Sarah leaves Frank to stand guard over the mortally wounded Carter while she retrieves blood for an emergency transfusion. Unfortunately, this leaves her cornered in the medical bay when Caine arrives on the scene: in a panicked frenzy, she tries to prevent herself from being attacked by covering the ground with as much blood as she can spare - hoping that Caine's footsteps through the puddle will reveal him. However, he proves too quick to be caught by this method, and attacks Sarah as soon as she believes herself alone in the room; though she is able to make him temporarily visible by throwing a bag of blood in his face, Caine overpowers her and shoots the veterinarian in the chest with her own dart gun, before snapping her neck.

Nearby, Carter bleeds to death, forcing Linda, Matt and Frank to look for Sarah, once again using fire extinguishers in an attempt to reveal Caine: however, their target is able to lure them into the walk-in freezer with Sarah's body and then ambush them, fatally impaling Frank with a crowbar and badly wounding Matt with the hook-end, before sealing the two survivors in the freezer.

Now intent on leaving the building in style, Caine washed up and gets dressed, augmenting his mask with makeup and wig to make himself look more human; then, in order to destroy any evidence of the experiment or his survival, he mixes up a batch of nitroglycerin and places it in the laboratory centrifuge on a timer, guaranteeing a massive explosion when the centrifuge finally stops spinning. For good measure, he also smashes the keyboard so the countdown cannot be stopped or delayed.

While he is preparing for his escape, however, Linda is able to use a defibrilator to improvise an electromagnet powerful enough to open the freezer door from the inside: after hastily taping Matt's wounds shut and providing him with enough warmth to recover from the hypothermia, she hurriedly jerry-rigs a flamethrower, then goes looking for Caine.

She soon finds him entering the elevator, intent on leaving well in advance of the detonation: before he can leave, Linda fries him with the flamethrower, destroying both his clothes and his mask and burning a good deal of his upper body in the process. However, his invisibility adapts quickly to the burns, and he vanishes from sight as soon as he's able to extinguish himself; Linda is able to trigger the sprinklers, partially revealing him again, but Caine is able to overpower her before she can finish him off.

Just when it appears Caine has the upper hand, Matt appears and knocks him down with the crowbar. Recovering swiftly, the invisible man attacks the fleeing scientists with the crowbar, only for Matt to deflect the blow, throwing their attacker into a nearby circuit box. Accidentally penetrating the box with the crowbar, the soaking-wet Caine is immediately electrocuted, and though he is thrown clear before the voltage can kill him, the shock is enough to destabilize his invisibility - rendering his muscles, bones and internal organs visible, but leaving his skin invisible.

Returning to the lab, Linda and Matt find the nitroglycerin bomb about to explode and quickly evacuate the lab; however, since their codes do not work on the elevator anymore, they're forced to climb up the elevator shaft via the emergency ladder. They are barely able to reach a safe distance before the bomb detonates, reducing the laboratory to blazing wreckage and flinging the elevator car into the air - where it's immediately jammed in the shaft just below them.

Against all odds, Caine is somehow able to regain consciousness and reach the elevator shaft before the bomb explodes, for just when Linda and Matt are on the verge of escaping, Caine reappears, dragging Linda off the ladder and onto the precariously-balanced elevator car. He is able to kiss Linda one last time "for old time's sake" before attempting to kill her, but while the semi-invisible man is distracted, she grabs the elevator cable and knocks the car loose, sending Caine plummeting to his death in the inferno below. With Caine dead, everyone he has killed is avenged.

When I was done everyone was horrified!

Twilight Sparkle: You're a sick monster!

Me: That's why I killed him. To make sure he doesn't cause anymore problems while invisible.

Sebastian Caine: Well now I'll kill you!

Me: If you can.

I punched him in his face.

I fired waves of lightning and electrocuted him.

But then something happened. Sebastian Caine started becoming visible! Only his arteries and veins and muscles and internal organs were revealed.

Nico: J.D. he's visible!

I saw that Nico was right!

Me: Peek a boo!

I teleported and kicked him in the face.

Doctor Octopus: There's your opponent right there, Susan

Qin: Well he's partially visible so that helps!

Susan Storm: It does.

Xenia: Even though it's really grotesque! And he's naked!

But, before they could attack, Lincoln, Nico, and I fired webs from our fingertips and wrapped them in web cocoons and everyone saw energy being visibly sucked out of the cocooned Dark Sides and went into us and we grew even stronger.

THEN...!

POW! SHEEN!

LINCOLN, NICO, AND I PUNCHED THEM HARD IN THE FACE AND SENT THEM CRASHING INTO A WALL OF SPIKES CALEB MAXWELL SUMMONED AND THEY ALSO GOT PUNCTURED LIKE CRAZY!

THEY ROARED IN PURE ANGER BECAUSE OF THAT!

Me: All right pick your victims!

We went at them!

I punched Caine in his face and kicked him in his stomach!

Thing: It's clobbering time!

Anemone: You said it!

Thing went at Destructa and bashed her down!

I fired waves of energy and blasted Caine down.

I teleported and grabbed him in a hold.

Me: You obviously haven't been kept up to date on what went down Caine. I've gotten stronger since we last fought in 2019. Or was it 2018. I can't remember. But whatever.

Sebastian Caine: Well you will not get in the way of my fun.

Me: Being invisible does get around certain obstacles. But not to those that have infrared vision!

Starlight Glimmer: And also I can do this!

She went invisible!

She went up to him and then.

BOOF BOOF BOOF BOOF BOOF BOOF BOOF BOOF BOOF BOOF!

Sebastian Caine: [invisible punches flying] Who is doing that!? [grunting as more invisible punches hit him and an elephant trumpet sound is heard when Caine's head is hit. Caine is being thrown into the air and on the ground!

SMASH SMASH SMASH SMASH SMASH SMASH SMASH SMASH SMASH SMASH SMASH SMASH!

He was really mangled!

Starlight revealed herself.

Starlight Glimmer: I can go invisible too!

Me: Nice one!

Starlight Glimmer: I'd give him a wedgie but he doesn't have any clothes to wear.

Me: Or skin for that matter. Even though I can still feel it.

Major Disaster: Your turn, Sue!

Susan Storm went invisible and bashed Caine in his face.

POW POW POW POW POW!

She really bashed him all over!

Me: But Caine you should consider yourself lucky. We're not going to kill you today. Instead we'll send you to the M.O.E. Prison. I decided that killing you once is more than enough.

Sebastian Caine: How generous of you?

Me: Well don't get used to it.

Human Torch: FLAME ON!

He flared up his fire and went at Optica and bashed and blasted him all over.

Silver Surfer and Lincoln went at Roxanne and bashed her all over.

I threw Sebastian down and knocked him out.

Me: One down.

Reed: You were saying?

Me: Too bad there aren't any clones for you that have the U-Foes powers.

Destructa: Because Maximus didn't find any aliens like that.

Me: Again, or he was just too lazy to look.

Qin: Yep.

Jigglypuff then went over to Destructa.

Destructa: You got something for me pipsqueak?

WHAP! WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP!

Destructa was slapped all over the place by Jigglypuff!

Nico: Not what I was expecting you to do

Ash: Jigglypuff may be a small one but she knows how to slap some sense into anyone.

Camie: Nice one.

Me: Also we know that the 4 of you aren't alone.

Optica: What do you mean?

Me: Don't play dumb! We know you have one of our friends enemies here.

Optica: Can you be more specific?

Golem: Maybe this can jog your memory!

He rolled and smashed her in her face!

?: He means me!

Out came a girl with orange hair and brown eyes and had a dark brown suit on.

Rhonda Terrastar: Emily Gaeafire!

Emily Gaeafire: Rhonda Terrastar!

Me: So you are Emily Gaeafire.

Emily Gaeafire: That's right.

Rhonda Terrafire: She is from a rival mining family that my family competed against. They mined for rubies in South America. But her parents and workers died in a tragic cave in and mining accident caused by the volcano Nevado Del Ruiz when it erupted and it left her an orphan or so we thought. And she blamed me and my family for the accident and vowed revenge!

WE GASPED!

Qin: It was all an accident cause by mother nature!

Emily Gaeafire: We'll... (Realizes Something) Wait what do you mean or so we thought?

Sarah Gaeafire: Emily?

Emily gasped!

Sarah went over to her.

Emily Gaeafire: (TEARS WELL UP) MOM? Is that you?

Sarah Gaeafire: Yes it's me. I'm alive.

Emily Gaeafire: MOM!

She went and hugged her mom for the first time in a long time.

Emily Gaeafire: Oh mom! I... (CRYING AND WAILING HARD)

Me: Poor girl.

Golem charged at them again and rolled them down.

Emily Gaeafire: (CRYING HARD) I'M SORRY! I THOUGHT YOU WERE DEAD!

Sarah Gaeafire: I know Emily. I know. I survived though. But you are not well. We'll save you from this monster in you.

Emily Gaeafire: Okay. (CLUTCHES HEAD) (SCREAMS)

She then turned into a black version of Driller Worm! It was ANTI-DRILLER WORM!

Rhonda: Any volunteers to help me out?

Derpy Hooves: I will!

Eli: And me too.

Ibara: Me too!

Rhonda: Lets go!

They fired waves of energy and earth and blasted Anti-Driller Worm with earth and energy and smashed it all over.

Misty: (to Poliwag) That reminds of when I first met my version of you

Poliwag: Does it really? Wow!

I fired waves of energy and separated Anti-Driller Worm and we scanned it and I fired ablast and banished her to the Black Abyss.

Emily was back to normal and Sarah and Emily hugged.

Gaea Aldabra: Lets bring the wind!

She fired waves of wind and blew the 3 clones down.

Terraspin: Lets dance!

Gaea and Terraspin: WINDSTORM TURTLE BLAST!

They fired waves of wind and blew them down.

Gaea was surprised as her body started trembling. She yelled out in surprise as her body started expanding

Same with Callia.

Callia Copperhead: NO! We control the power it doesn't control us.

They concentrated and reigned in the powers of Arbok and Butterfree and transformed and blasted them with energy and wind and smashed down the clones.

Me: YEAH!

Maria: In case I forget. (TURNS DIAL) WEB SPIDER FORCE!

She summoned Web Spider, SkullSeadramon, Flutterbat, Evil Peter Puppy, Swallown and Swifty the Shrew

Qin: YEAH!

Nico: (to Rhonda) Out of curiosity, who do you feel is your sibling?

Rhonda: Me and Tara A.K.A. Terra

Tara: We love using the power of the earth.

Lola: I can see why.

Eli: Lincoln, can you please shut them up forever!?

Lincoln: (Beastly Gruff Manlier Voice) With pleasure, Eli.

I went after The Dark Sides, and I fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, white, golden yellow, and blue heavenly flames, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black

Magic, Satanic Magic, Moonlight, Explosions, Atomic Radiation, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Great Old Ones, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Deer, Hippogriffs, Griffins, Perytons, Sphinxes, Manticores, Animals, and Mythological Animals at The Dark Sides, and they exploded with incredible power as they hit them!

I also attacked them with my massive greatsword leaving bleeding scars on them, and I mixed up my attacks with left hand punches, claw slashes from my gold-plated dragon claws covering my fingertips and rainbow wolf claws on my fingertips, kicks, and whips from my 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and I let Fenrir attack him too, and they were more brutal than ever, and I fired intense fire and elemental blasts at them and they exploded with fiery and intense power.

The Dark Sides lost it, and me, Lincoln, and Super Brother pulverized them with our extremely and excessive massive godly superhuman strength and they got brutally pulverized.

Then, I also went wild on them by slashing them hard with my massive greatsword and rainbow wolf claws and gold-armored dragon claws leaving scars on them. Then, I held out my left hand and fired 999 massive balls of fire at the dark sides, and they collided and exploded as they hit them, and I also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16 and the immense powers of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more along with the immense divine powers of The Gods and Goddesses of The Ancient World.

Finally, I formed a massive blue fireball in my left hand and I threw it down, and then, it sunk into the ground unleashing a storm of lightning bolts and raging fire, and...!

Ed Cowart: Alright, that's it, you stupid clones, now you get yours!

Ed Cowart proceeds to insult the dark sides of the Betty clones.

Ed Cowart: Holy shit, other than the colors it's hard to tell apart which Betty! You're fucking dull and ugly and wear secondhand clothing which you bought from thrift stores! You suck at being imitations of the real deal and you suck at being villains! Prepare your asses for defeat and one last thing.

Ed Cowart wedgied the clones and pulled their underwear over their heads.

Ed Cowart: WEDGIE!

Then, he sprayed honey then covered them with feathers and put red gloves and yellow cones on them to make them look like chickens which made Ed hug them tightly. Then, he dropped a giant watermelon on them, and he finished by firing hyper hot sauce and hyper hot nacho cheese on them.

WE WERE ON OUR BUTTS LAUGHING HYSTERICALLY AT WHAT ED COWART DID!

Gatomon: (Echoing) LIGHTNING PAW!

She bashed and slashed them.

Gatomon chased after Mevya

Gatomon: GET IN MY MOUTH!

She chased Mevya all over! Gatomon slashed at him and was hitting the clones all over.

Kari: Gatomon stop. We got to finish this.

Gatomon: Oh right.

Then Tala, Rojo, Merman, Johnny 13, Goro, Pterodactyl Ghost, Ben Ravencroft, Seadramon, Machinedramon and Puppetmon came.

Nico: Tala, Rojo, Merman, Johnny 13, Goro, Pterodactyl Ghost, Ben Ravencroft, Seadramon, Machinedramon and Puppetmon.

Optica: (GULP!) Run.

They tried to get away but Laney tied them down with vines.

Me: Cowards

Tala: Better then them ordering us ,

Merman: That's an improvement.

Johnny 13: It sure is.

Me: Yep.

Goro: (to Nico) We heard you fought Maximus.

Nico: Yep we sure did.

Rojo: (to Tracer) You should take care of that Sentret

Tracer: I will.

Me: Yep.

Mad Angler came.

Me: Another round Mad Angler?

Mad Angler: Yep and I'm not the only one.

Out came a girl monster that looked like Nai from Magirangers and had a Lily Trotter helmet and had blue and brown wings.

Jacanus: I am Jacanus the Jacana Bird Rinshi.

Me: The Lily Trotter Bird! That's a beautiful bird.

Jacanus: Yes it is.

Mad Angler: (to Rhonda) Besides Tara, who else do you consider your sibling? Derpy, Eli, or Ibara?

Rhonda Terrastar: Ibara because she has an amazing heart.

Ibara: Thank you very much.

Rhonda: Anytime.

Ninjask: That was fun.

Songbird: It was really cool. But that Wampa was strong and amazing too.

Twilight Sparkle: I would like to see Maximus try to break out of the Null Void.

Stellar Sparkle: Yeah no kidding there!

Harmony Sparkle: Breaking out of an extradimensional prison as tough as the Null Void.

Starshine Sparkle: We sent him to Albedo's old cell.

Spyro: Good idea there.

Tala: That is for sure. Lets do it!

Johnny 13: Oh yeah! I remember hearing all about how Brock has always had all that terrible luck when it came to girls before Lucy.

Erica Tala: No kidding there!

Sapphire Ocean: That is for sure!
